

BAPTISTS OPPOSE REPEAL OF WAR-TIME PROHIBITION

Tustin Committee Will Draw Up Resolution on Wilson's Request

Denver, Col., May 22.—Unanimous action condemning President Wilson for his recommendation to Congress of the repeal of war-time prohibition was taken yesterday by the Northern Baptist convention in session here.

On motion from the convention floor the convention voted to prepare resolutions "in strong and vigorous terms, and at the same time dignified," expressing the convention's disapproval of the President's stand.

The resolution will be drawn up by a committee of which E. L. Tustin, former member of the Pennsylvania Legislature, is chairman.

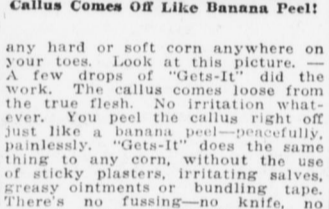

Declaring nationalism, which sought to bring prosperity to one nation at the expense of others, is a Germanic doctrine and that no League of Nations composed of purely selfish nations can endure, W. H. P. P. F. P., president of Brown University, told the convention that he was earnestly in favor of a League of Nations which should be backed by the good will of all member nations.

None other could be permanent, he said.

Callus? Peel It Off Quickly!

Nothing on Earth Like "Gets-It" For Corns and Calluses.

A spot of thickened skin on the bottom of your foot which so often makes walking an agony, is as easily removed by wonderful "Gets-It" as

any hard or soft corn anywhere on your foot. Look at this picture. A few drops of "Gets-It" did the work. The callus comes loose from the true flesh. No irritation whatever. You peel the callus right off just like a banana peel—painlessly.

"Gets-It" does the same thing to any corn, without the use of sticky plasters, irritating salves, greasy ointments or bundling tape. There's no fusing—no knife, no scissors to use. "Gets-It" is used by millions, because it's common sense, and it never fails. Try it, prove it.

"Gets-It" is the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfd. by E. Lawrence & Co., Chicago, Ill.

Sold in Harrisburg and recommended as the world's best corn remedy by H. C. Kennedy, Clark's Medicine Store, G. A. Gorges, Keller's Drug Store, Frank R. Kuzmiller, C. M. Forney, Golden Seal Drug Co.

ONE DOUGHNUT BRINGS \$100 AT KIWANIS LUNCH

Club Members Raise \$151 For Salvation Army Fund

A single Salvation Army doughnut brought \$100 at the Kiwanis Club luncheon today.

The proceeds will be turned over to the Salvation Army Home Service campaign.

Al K. Thomas and Irving E. Robinson were the highest bidders in the sale, their bids being \$25.50 each. Others who followed included John A. Rose, William Strouse, Charles L. Schmidt, Mr. Poorman and a number of others.

The bids were merged into one, totaling the hundred dollars. Thomas and Robinson divided the doughnut and was an extra present each was given a single red carnation by Charles L. Schmidt.

The total received at the luncheon from the doughnut sale was \$151.15.

The luncheon, held at the Pennsylvania Hotel, was opened with prayer by the Rev. H. H. Baldwin, assistant pastor of the Pine Street Presbyterian Church.

Thomas H. Bogar won the attendance prize, a ton of coal contributed by Frank J. Wallis. John C. Herman contributed the silent boost, which were cigars.

A table full of men in khaki was introduced by William Strouse as his guests. Most of these were members of the One Hundred and Third Ammunition Train.

Dr. Charles G. Jordan, a member of the House of Representatives, addressed the club as the guest of Charles R. Beckley, of Beckley's Business College.

He urged the fostering of agriculture in every way and praised the work of the farmer as the greatest in the world.

Food Administrator Hoover was also praised for his splendid services.

"If Germany had not fostered her agriculture as she has done, she would have been starved into submission in two years," he asserted.

"If she had taken care of her agriculture as we are doing, she'd have more knowledge to be a successful farmer than to be a lawyer or a doctor."

Arrangements for the band concert to be given by the Municipal band at the Carlisle Military Hospital Sunday afternoon were announced as practically completed.

The members of the band will be taken to the hospital in Kiwanis cars. They will leave Fourth and Market streets at 2 o'clock Sunday afternoon.

Courthouse Notes  
Letters on the estate of Pietro Mazzoli, late of Derry township, were granted by Registrar of Wills Ed. H. Fisher.

Letters of administration on the estate of Dr. Charles E. Emerick, late of the city, were granted to Mrs. Mary A. Emerick. The estate is valued at \$17,000.

Letters on the estate of Sarah E. Rhoads, late of the city, were granted to the Security Trust Company.

Y MEMBERSHIP DRIVE CONTINUES

Teams Enthusiastic Over Success of Campaign Among Railroad Men

Railroad Y workers put in a strenuous day in the membership drive.

Army and Navy campaigners were out early in the nation-wide move to "couple up."

The Philadelphia division paycar was the one big objective point for attack today, and unofficial returns at noon indicated a big advance toward the top in new members.

Three noonday meetings were held today at which overseas men bumped hard the criticisms heard about the "Y." Facts were presented showing that the work abroad was satisfactory.

The following extract from an article by John F. Moor, editor of the Railroad Magazine, was read:

"The Young Men's Christian Association needs no apology. Do not waste your time in that direction. Of course it is human and has made mistakes, but they are infinitesimal compared with the magnitude of its great achievements."

Tell the story of its accomplishments. Relate what it has done at home and overseas. Tell of its fine record in days of peace and in days of war and tell fully whatever the particular association with which you are identified has done well in the past, and what it plans to do when the fine new program gets fully under way this coming fall and winter."

To-night at the roundtable session at the local P. R. R. Y. M. C. A., members of the Army and Navy teams, with association officials, will "couple up" with Salvation Army doughnuts.

A big order was placed this morning, as railroaders are some feeders when doughnuts are on the bill of fare. Women of the local association will serve the doughnuts and promise other palatable surprises.

Ira Dean, with his screen lecture and pictures, was again a big attraction last night. He is some cartoonist and in presenting facts showing the value of a railroad "Y" to railroad men, introduced many original and unique features.

This interesting speaker is an important factor at the local P. R. R. Y. M. C. A., having been in charge of the educational and Bible study classes.

He will have another big change in the program for to-night. He is the originator of the "Arrow Path." This feature has stirred up the West End. Arrows pointing in various directions are found on many corners.

Follow the direction these arrows point and there will be one destination—the P. R. R. Y. M. C. A. Once you arrive at the association it means a prolonged stay because of the numerous attractive features.

TO TAKE EXCURSION  
Members of the Harrisburg Natural History Society will take a field excursion to Hummelstown Saturday.

They will leave Market Square at 1.30 Saturday afternoon on the Hummelstown car, returning about 6 o'clock.
