TECH EXPECTED TO WIN STATE MEET

[Continued from First Page.]

only the lower part of the field. Even this figure is not expected to be maintained to-morrow. It would be necessary that the river go 17 feet above low-water mark, before the track would be endangered and it would be necessary to call off the meet. V. Grant Forrer, who is in charge of the arrangements, says:

No great trouble is anticipated by Tech to land first honors in the meet. So mightily is the band of Tech athletes and so practically certain is victory for the local contingent that a number of high schools have declined to enter teams in the meet. A runner-up cup has been offered as an extra inducement to secure entrants.

Many Entrants Carl Beck, premier athlete of Tech, is expected to continue in the limelight to-morrow and to score a large number of points for the institution. Beck is entered in four events in addition to the one-mile relay. They are the 120-pound shotput, the discus throw, the 120-yard high hurdles and the 220-yard high hurdles. He excelled in the State College meet in these events and indications now are that he will not have great difficulty in repeating to-morrow.

Other Tech entrants are: High jump—Heifkin, Boyer, Heagy. Pole vault—Heagy. Broad jump—Heagy, Shader, Albright. 100-yard dash—Garrett, Malick, Albright. 220-yard dash—Albright, Malick, Garrett. Discus throw—C. Beck, Wilsbach. 12-pound shot put—C. Beck, Wilsbach, Malick, Harris. 440-yard dash—Malick, Keane, Wilsbach. Two-mile run—Dunkelberger, Ebert, Huber, Shue. One-mile run—Hoffsomer, J. Beck. Half-mile run—Winks, Hoffsomer, J. Beck. 120-yard high hurdles—C. Beck, Heagy, Boyer. 220-yard high hurdles—Boyer, C. Beck, Heagy. One-mile relay—Tech, C. Beck, Malick, Hoffsomer, Garrett, Keane, Albright, Wilsbach.

Keen Battle Forecast Interesting competition is expected, however, and a keen battle is anticipated for the runner-up cup. Reports from Reading and Williamsport are to the effect that the high schools of those cities are sending strong teams here, which now appear to have an edge on the others. Little Lewistown is sending a strong list of entrants and may spring a surprise on the teams from some of the large schools. Steelton will send a comparatively strong array of talent as well. Little is known of what may be expected from Lansford and Carlisle.

school principals throughout the State are all in favor of field and track athletics as it is a great aid in the discipline of the schools and in scholarship because a certain percentage is required in all studies of each pupil; in addition it keeps the bodies in perfect health and aids in their development and also helps in the development of will power, teaching boys to stick to it to the end and develops a manly spirit in defeat.

These meets have advertised Harrisburg and there should be a large attendance this year, especially on account of the Technical High school team which is the best in the State and who expect to establish a number of new records this year. The expenses of this meet have been borne by contributions from the following public spirited citizens of Harrisburg and vicinity:
