#### Returned Soldiers Are Entertained at Boyd Memorial Hall Exercises

One hundred returned soldiers and sailors, members of the Pine Street Presbyterian church and Sunday school, were guests of honor at a Welcome Home dinner in the Boyd Memorial Building last night. With few exceptions, the men were attired in their uniforms of the Army, Navy

or Marine Corps.

In addition to the returned men there were in attendance a number of other members of the church, together with a large percentage of officials of the church and Sunday school. A program at the conclu-sion of the dinner created a lively interest and was witnessed by a large number of additional persons who arrived at the conclusion of the din-

Women should take warning from such Women should take warning from such symptoms as heat flashes, shortness of breath, excessive nervousness, irritability, and the blues—which indicate the approach of the inevitable "Change" that comes to all women nearing middle age. We have published volumes of proof that Lydia E. Pinkham's Vegetable Compound is the greatest aid women can have during this trying period.

Read About These Two Women:

Fremont, O,—'I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run-down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

I felt at times that I would never be well sagain. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman so I do all my own housework. I cannot recommend Lydia E.
