REIDE ROMIG IS FOUND DEAD IN HIS LODGINGS

Member of Telegraph's Reportorial Staff Is Victim of Indigestion

The body of Reide B. Romig, a member of the reportorial staff of the Telegraph, who died suddenly early Sunday morning in his room in Locust street near Front, will be taken to his home in Beaver Springs, tomorrow, where funeral services will be held.

The young reporter had finished working on the Courier shortly after 2 o'clock Sunday morning. Before going to his room he stopped at a restaurant for something to eat.

Physicians to-day said they believed he was fatally stricken with acute indigestion while in the act of untying his shoestrings. He had removed his coat and evidently, from the position in which the body was found, had leaned forward to remove his shoes, pitching to the floor head first. When discovered he was lying face downward with his hands under him.

It had been his habit to sleep late Sunday mornings after working on the Courier Saturday night and he was allowed to remain undisturbed until such time as he chose to arise. A maid in a nearby residence along about 3 o'clock on Sunday afternoon noticed that the light in his room had been burning all day and she made inquiry as to whether or not the occupants of the house were at home. When attention was called to the burning light the head of the household called Mr. Romig, repeating the call several times. Receiving no response he went to the room, opened the door and found the body lying on the floor.

Family Is Notified

A physician was called at once and said the young man had been dead for several hours. Word immediately was sent to Federal Judge Charles B. Witmer, an uncle, at Sunbury, and he in turn notified the young man's father, C. I. Romig, who hastened to Harrisburg by automobile. Coroner Eckinger was notified and ascribed heart disease, superinduced by indigestion, to have been the cause of death. The body was removed to the Mauk undertaking rooms at Sixth and Kelker streets, where it was prepared for burial.

Genuine sorrow was expressed in many quarters during last evening and to-day when the news of the sudden going out of this young reporter became known. He had been a member of the reportorial staff for two years, being assigned to the work of reporting public meetings, religious gatherings, Federal and aldermanic courts, coroner's department, war work and since the opening of the Penn-Harris hotel had covered the news of the big hotel.

For a year he had been in charge of the church department of the Telegraph and frequently, because of his musical ability and undaunted enthusiasm, had been given the important assignment of covering concerts and recitals, his last work in this direction having been the Courboin organ recital, in Bethlehem Lutheran church. His energy was almost limitless and he was altogether without selfishness in the pursuit of his calling. Many persons who spoke in sorrow when told of his death to-day referred to his good nature, his cleanness of thought and his wholly unselfish makeup. He was every ready to give without stint his time and energy to any good cause that appealed to his sense of worthiness. He was particularly good in working up "human interest" stories and could in this peculiar line hold up his end with most of the older men in his profession.

Mr. Romig was affiliated with the Pennsylvania Alpine Club and in his pocket was the last letter he received from J. Herbert Walker, secretary of this organization at Lewisburg, asking him to be sure and come to the next event of the society, a climb up the White Mountains, near Middleburg. Romig took very active part in the climb of Mt. Pernell, one year ago, and he wrote many interesting things for the papers of the State about the old days in Pennsylvania. He had a distict gift in literature and was a frequent contributor in verse and prose to many magazines.

New Parsonage to Be Built by Newport U. E. Church

Newport, Pa., May 26. — Ground has been broken by the Newport Calvary United Evangelical Church for the erection of a new parsonage to cost approximately $4,000. The new structure will be located on the lot adjoining the church in North Fourth street.

This lot was purchased by the congregation about a year ago and since then has been fully paid for. About six years ago the congregation erected a $10,000 church building and this cost is paid with the exception of $1,500.

The makeup of the building committee for the new parsonage includes the pastor, the Rev. W. K. Schultz, S. R. Zeigler, W. P. DeLancey, Adam Sheaffer, H. E. Jones and D. J. Newlin.

Granddaughter of $50,000 Bull Makes Good Record

Mount Wolf, Pa., May 26. — A registered cow on the farm of Davis Brothers, of Seven Valleys, in a week's time produced 524.4 pounds of milk, and 21.329 pounds of butter. This result is shown in the report of the tests made under the supervision of State College. A heifer, two years and 15 days old, a granddaughter of the $50,000 bull, gave 259.9 pounds of milk, and 12.46 pounds of butter. The approximate value of the products of the first-mentioned cow for one week was $75.

NURSES' HOME ELECTION

Columbia, Pa., May 26.—The annual meeting of the Ladies' Auxiliary of the Columbia Hospital in the Nurses' Home, showed that a balance of more than $500 was in the treasury. Mrs. H. M. North, Jr., wes re-elected president for the coming year with Mrs. Jacob Bletz, Miss Sarah V. Paine and Mrs. Carrie W. Rasbridge, vice-presidents. Mrs. E. A. Becker was chosen secretary and Mrs. F. P. D. Miller, treasurer. It was decided to hold the annual picnic July 23, at Chickies Park. The annual commencement of the Nurses' Training School will be held June 10.

ANNUAL SERMON TO POST

Marietta, Pa., May 26.—The Rev. Francis J. S. Morrow, pastor of the First Methodist Episcopal Church, yesterday delivered the annual memorial day sermon to Lieutenant William H. Child Post, No. 226 Grand Army, before a large congregation. The Marietta Post which at one time was the largest in Lancaster county, has diminished to seventeen members. The oldest member is Martin Risenberger, aged 88 years.

VETERANS AT CHURCH

Columbia, Pa., May 26.—Annual memorial service of General Welsh Post, No. 118, G. A. R., was held in St. Paul's Episcopal Church last evening. The Rev. G. F. Gladding Hoyt, rector, delivered the memorial sermon. With the Gand Army veterans were veterans of the Spanish-American War, and returned soldiers of the World War. The second platoon of Company L, Reserve Militia, served as an escort.

U. B. CHURCH JUBILEE

Marietta, Pa., May 26.—Jubilee services were held to-day at the Wintertown United Brethren Church, when they celebrated the burning of their mortgage. The Rev. George W. Strine delivered the sermon. The notes were burned in the presence of a large congregation. Special music added to the festivities.

AMUSEMENTS

MAJESTIC

High Class Vaudeville — The famous Ja Da Trio, featuring Bob Carleton; "Ladies' Day," musical comedy, presented by a company of eight; Lew Hawkins, blackface comedian; "Melody Garden," vocal and instrumental musical offering with six people; one other Keith act.

COLONIAL

Monday, Tuesday and Wednesday — "The Third Degree," featuring Alice Joyce.
Thursday, Friday and Saturday — Harold Lockwood in "The Great Romance."

VICTORIA

Monday, Tuesday and Wednesday — "The Midnight Patrol," also Charlie Chaplin in "The Bank."
REGENT
To-day and to-morrow—Marguerite Clark in "Three Men and a Girl."

Famous Ja Da Trio at the Majestic

The famous Ja Da Trio, featuring Bob Carleton, writer of the song hit "Ja Da," is one of the big attractions at the Majestic the early half of this week. These boys are excellent singers and musicians, and put over the sort of act that is guaranteed to put life into any vaudeville bill. A musical comedy, with eight people, "entitled "Ladies' Day," is another feature. The act carrics special scenic equipment and elaborate wardrobe, a clever comedian, and a chorus of pretty girls, who sing and dance and keep things moving at a lively pace. Lew Hawkins is a well-known burntcork entertainer, who always has a generous supply of new stories and jokes, and one or two comedy numbers. Lovers of good music will appreciate "Melody Garden," an offering presented by an aggregation of talented singers and musicians. One other act completes the bill.

Would You Like to See a Dope Raid?

Imagine seeing a dope raid staged in the underworld circles of San Francisco, with the yellow-skinned Chinese dressed in their native costumes smoking opium pipes, scurrying to and fro. This is an easily accomplished feat now. Merely go to the Victoria Theater to-day, to-morrow or Wednesday and see Patrolman Shannon, of the San Francisco police force, drive the Chinese from their lairs.

Coupled with this feature attraction, to which members of the Harrisburg police force and City Commissioners have been invited, is a Charlie Chaplin comedy that will bring tears of laughters to your eyes. It is "The Bank." Charlie says himself that he believes this is one of the funniest pictures he ever acted in.

Are You Innocent?

If you have never heard of the wonders which can be accomplished by a policeman in using the third degree system on criminals, see "The Third Degree," at the Colonial Theater, Monday, Tuesday and Wednesday of this week.

"Ivan," but a lad is found seated in a room where a man's body lay on the floor stark and cold. There the police found him. He was arrested and taken to the police headquarters. There a detective queried him and made him confess to the murder—but "Ivan" lied when confessing—he was innocent. However, after he said he had committed the crime he attempted to clear himself. But things were not so easy as he assumed. Then Alice Joyce breaks into the story.

It is her part that makes this such an interesting story, full of heart throbs.

Beautiful Marguerite Clark to Appear at the Regent

Marguerite Clark, beloved of screen stars, will appear at the Regent Theater to-day, to-morrow and Wednesday, in "Three Men and a Girl," a picturization of Edward Childs Carpenter's play of "The Bears."

In this charming picture Miss Clark appears as "Sylvia Weston," a young woman who rebels against her proposed wedding with a rich old man whom she hated, and who later comes in contact with three bear-like men who hate womankind. She subsequently brings them to her feet by the magic of her personality and charm.

The photoplay is one of exceptional interest and it affords Miss Clark another delightful role.

Paxtang Park Theater Opening Thursday Evening

The Paxtang Park Theater will open its regular summer vaudeville season, on Thursday evening with a new policy that will be an innovation for the park playhouse.

Two performances will be given each evening at the park playhouse, one at 7:15 and one at 8:30. The matinees will be entirely eliminated with the exception of holidays. A special matinee will be given on Decoration Day. The price of admission will be reduced to fifteen cents to all parts of the house and no seats are to be reserved. Five high-class vaudeville acts will furnish the program and the two evening performances will be continuous. Patrons will be welcome to come in any time after the house opens and stay as long as they wish. In introducing this new police at the Park Theater the management is making an effort to give their patrons a strictly high-class entertainment at a price well within the reach of every one.

MAN FALLS ON FENCE

Marietta, Pa., May 26. — Samuel Ludwig, was perhaps fatally injured Saturday when he fell from a roof onto a fence, and was extricated with difficulty. His arms are broken, and he suffers internal injuries.

BETH. STEEL LOST TO HUMMELSTOWN

Superb Pitching of Alcorn Stages Comeback For Great Victory, 9-8

Hummelstown Chemical Fire Company defeated Lebanon Bethlehem Steel team Saturday afternoon by a score of 9-8. The real feature of the entire game was the superb pitching of Alcorn after his opponents hit him for five safeties and five runs in the first inning. He came back strong and allowed only six hits in eight innings for a total of only three runs, which was scored in the second inning on three hits. After this inning they never saw the strike. Hummelstown got busy in the second inning and scored three runs and came back in the third and pulled Alcorn to the top of the pile with the count of 9-8 and from that time on there was a brand of ball played at Hummelstown that was never seen before. The work of the infield was great. Bordner, who got a hot one from "Hobey" Light, the former college player and fast sprinter, recorded himself in time and retired "Hobey" on one that looked like a double. Zimmerman did fine work back of the bat and after the second inning kept his men right on the bases or proved they were out. The score:

Can Dr. Roller Repeat His Defeat of Draak Here on the 2nd of June?

It is up to Tommy Draak, the Belgian-Netherlands grappling champion, to show the Harrisburg fans whether Dr. B. F. Roller, great physician-athlete, dropped him twice to the mat last Tuesday night by accident or otherwise. Draak is firm in his conviction that the Doctor was lucky and can't repeat the trick.

The two men will meet again in this city one week from to-morrow night in the Chestnut Street Auditorium in another show, which will be under the promotion of Maxwell Baumann.

The wrestling fans who witnessed the match between Draak and Roller in the Chestnut Street Auditorium last Tuesday night, are still eloquent about the attraction and the next meeting of the men is the talk of the town. Draak will be welcomed here again as a sportsman who never knows when he is licked, and Roller will be acclaimed as the man who brought back clean sport to Harrisburg.

According to Baumann, Roller, although he always keeps himself in the best of condition, is really training for his match, for the clever physician must defend his reputation this time. He doesn't want Draak to turn the tables. He wants to show "Tommy" that he is not an accident wrestler, but really Draak's superior.

Draak meets John Peterson to-night in Grand Rapids, Mich., in a fight to the finish at catch-as-catch-can style. After Peterson, Roller is his next scheduled opponent.

WEST END TOO GOOD FOR FOE

Middletown Found That the Local Boys Were Too Swift and Quit in the Second

The West End baseball team opened their Saturday season with the Middletown club on the West End field, the game being called at the end of the second inning. After the Enders had scored nine runs it was seen that the Middletown club was completely outclassed and upon the request of the patrons the many twilight stars present quickly formed a club and were substituted for Middletown. This combination of players made West End hustle all the way to win by a score of 4 to 3. Before the Middletown game was called Embick, the West End clouter, had a long home run and a slashing single to his credit.

Lefty Challenger started against Middletown, but was replaced by Tim Euker in the other game. Tim is becoming a very reliable pitcher and the Enders expect to use him in many of their twilight game. Cocklin, the youthful catcher, is the fastest in the league, this being his first season. He has very bright prospects.

The management has arranged a game with the strong P. & R. team for Decoration Day and Manager Herney, of the P. & R., has guaranteed a good club will make West End hustle on this date, for next Saturday the Commonwealth Travelers, who have wanted West End's scalp for some time, will get an opportunity to satisfy their ambition. It is hoped that other independent Saturday games can be arranged with the other twilight league teams, as all four clubs are evenly matched and this alone would give the fans the very best of ball. West End meets the Engineers and Firemen to-night in a league game at Fourth and Seneca streets.

Reading Undefeated in the Hill League, Plays Galahad Today

Wednesday — St. Mary's vs. Galahad.
Thursday—Rosewood vs. Reading.

Umpires

Monday and Tuesday — "Clint" White.
Wednesday and Thursday — C. A. Runk.

Rain won the majority of the contests in the Allison Hill League during the past week. After St. Mary's had defeated Galahad, Monday night, rain interfered with the games Tuesday, Wednesday and Thursday nights. This means that these postponed games will have to be played off on the first three Friday nights of June. The Friday dates are always kept open for this purpose.

Work on the grandstand is progressing, and the board of directors hopes that the contributions will keep pace with the construction. When the structure is completed, everyone will have a chance to sit, and life will be easier for the "cops."

Consensus of opinion is that the four teams of the league are pretty evenly matched. Two-thirds of the matches have been won by a single run, which shows the evenness of the strength of the four contestants.

While no contributions will be lifted on the Reading property, the league officials hope to place boxes at the outlying corners of the lot, wherein money may be contributed for the new grandstand. Three hundred dollars more is needed to complete the job.

Lutz, the newly signed Galahad catcher, made a splendid showing in his first game against Rosewood Friday night. He is a former Albright College player, and is at present teaching in Oberlin High school.

Manager Zerance has a bunch of players signed up with St. Mary's that should make all of the other teams hustle.

Washinger, Wrightstone and Gerdes are three new players recently acquired by Rosewood.

Reading Railways is the only team in the league that has not tasted defeat to date. All their victories have been by one run.

Tech Ball Players Beat Mount Union in Circus Finish

An eighth-inning "over-the-top" at Mount Union on Saturday won an interesting game for Tech, 7-2. The score stood 1-0 in favor of the home team until the eighth when things began to happen. Hinkle singled and stole second. Hoerner followed with another and also stole the second bag. Both of these men scored when L. Bell shot a daisy cutter through second base that was good for one bag. Bell stole second and scored on Germer's hit. Germer then stole second and made third safely on a passed ball. Here occurred a very pretty squeeze play. Germer started for home as the ball was pitched and Fortna who was at bat laid down a pretty bunt along the first base line. The sphere reached the catcher just too late to nail Germer and Fortna arrived safely at first before the ball. It was a mighty nifty play. Right there the Tech batters hammered the Mount Union twirler for hit after hit and this did not stop until Tech had seven runs and a lead of five.

The Tech nine claims that Mount Union was the hardest proposition encountered this season. Fetterhoff, the home team hurler, held Tech scoreless in a well-pitched game throughout seven innings. But he was fuond in the eighth and hammered unmercifully. Loose fielding in the infield gave him a serious handicap.

Germer, Tech twirler, pitched a good game and allowed but seven hits. He might have had a shutout were it not for two muffed flies in the outfield that counted for scores. The score:

"NATONEX WORKED LIKE MAGIC"
A PENNSYLVANIA WOMAN TELLS
"Somehow I feel as if I ought to write and tell you the wonderfully good results I am getting from your Natonex," declared Margaret A. Boyd, dressmaker, of 249 Putnam street, Scranton.
"Natonex has seemed to work like magic," this Scranton woman continued. "I read of Natonex in the papers and decided such a Nature preparation ought to be just the remedy for me and I went straight and got a box.
"Natonex has worked like magic. Already I feel like a different person.
Stricken With Rheumatism
"Some years ago I was taken down with rheumatic fever and for several days was at the point of death. Sometime after this I suffered from St. Vitus Dance, so, between the two, my health was left in poor condition.
"Early every Spring for a number of weeks I have a siege of rheumatism that affects me through the shoulders, arms and hands. As sure as Spring comes, my rheumatism comes. I get such pains it is impossible for me to do my housework, and the blood circulation in my hands gets so poor and they get such a numb feeling that I cannot pick anything up.
"Besides all this misery that I have every Spring, I have been troubled with chronic constipation, and an inactive liver, and the ailments that go with this condition.
Relief Came Soon
"You can imagine, with all these troubles, the condition I was in when I heard of Natonex. I had only been taking it a few days, when I began to notice the difference. My bowels became regular, my nerves are getting better and I am sleeping better. My complexion is clearing and my rheumatic pains are getting less and less every day.
"The new blood circulation in my hands is more noticeable than anything else, for no w I can even pick up a need' and before they were so numb they had no feeling whatever. If my statement will be of any benefit to others, I am willing to have it published, because I have so wonderfully improved that I want others in my condition to learn of this wonderful remedy."
Famous Nature Remedies
"Here is a case in which rheumatism, nervousness, constipation, poor circulation and biliousness have all been relieved in just a short time by Natonex," said the Natonex representative in discussing this case. "Such a statement might seem remarkable for an ordinary medicine, but the famous Nature remedies combined in Natonex are designed to give general good results.
"Read this list of Nature remedies in Natonex—see what each one is designed to do, and you will understand why Natonex wins such remarkable endorsements as this."
The Natonex Nature products are:
Gentian Root—To invigorate digestion and moderately increase the force of blood circulation.
Juniper Berries—Noted as an aid to purification of kidneys and bladder.
Dandelion Root—Nature's famous liver tonic.
Sarsaparilla Root—The blood tonic known the world over.
Prickly Ash Bark—The vegetable tonic used in languid or run-down state of the system.
Valerian Root—To tone the nerves and to overcome restlessness and sleeplessness, from which weak, run-down persons suffer.
Rhubarb Root—Nature's product to invigorate the large intestines (colon) and dislodge the waste matter that brings about constipation.
Jamaica Ginger—To warm the stomach, increase the flow of digestive juices and nourish the stomach blood supply.
Peruvian Bark—The Nature tonic to subdue feverish conditions.
Linseed—To relieve congested conditions and act as a demulcent in the digestive tract.
Cascara Bark—The best intestinal tonic known to medical science, to relieve chronic constipation and to restore tonicity to the bowels.
Bicarbonate of Soda—To purify and sweeten acid stomach, check nausea, relieve food fermentation and gas distress.
Every weak, ailing, nervous, run-down man or woman here who needs better digestion, purer blood, restful sleep, real nerve vigor and bodily strength, can learn all about Natonex by calling on the Natonex representative at the Geo.
