M-P-E-E-D! Man, alive; you just wouldn't dare use all the speed Atlantic Gasoline can give you. You'd be arrested! But that self-same speed is indicative of great potential Power. And there's no law against power, absolutely none.

Along the level stretches your Atlantic-fed motor bowls like an aëroplane making up lost time; up the hills and over the top she goes, with the dash and spirit of a blooded horse.

Power? Just you call for power and you'll think there's a Niagara under the hood. But, mark you, there's just one gasoline built to these specifications. Its name is "Atlantic".

Whether you have one truck or a fleet; one passenger car or a garageful-be sure to ask for Atlantic Gasoline by name, It's got Zing-and gobs of it,
