9TH ANNIVERSARY SALE

1910

TO CELEBRATE THE

1919

Founding Of Soutter's 25c Department Store BEGINS WEDNESDAY, MAY 28th

Presenting Anniversary Saving That Everybody Will Welcome

Little did we think when we opened this store nine years ago that in less than a decade it would grow to the importance in the community which it has.

While we felt that it was founded on right principles—that of selling only first quality merchandise at more advantageous prices than are customarily found elsewhere—we did not anticipate that in the course of nine years the business of the opening year would double, treble and quadruple.

Most generous, indeed, has been the appreciation of the public—most gratifying is it to us to have its

endorsement of our policy—most encouraging is its support to us to continue our efforts in even greater extent than ever to render the service expected of us.

In celebration of this occasion of nine busy years—years whose growing business have necessitated the purchase of our building, the addition of other floors and the inauguration of other departments—we have prepared this Ninth Anniversary Sale, which is replete with special values of exceptional merit at prices which will prevail only during the sale.
