Use Coconut Oil For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multisided coconut oil shampoo (which is pure and entirely greaseless) is much better than anything else you can use for shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage. You can get Multisided coconut oil shampoo at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

TELLS DYSPYPTICS WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas, On Stomach, Etc. Indigestion, and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one of two things:— Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation of the food by a little Bisurated Magnesia at their meals. There is probably no better, safer or more reliable stomach antacid than Bisurated Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digestant. But a teaspoonful of the powder or a couple of five grain tablets taken with water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthfully without need of pepsin, pills or artificial digestants. Get a few ounces of Bisurated Magnesia from any reliable druggist. Ask for either powder or tablet. It never comes as a liquid, milk or citrate and in the bisurated form is

CAUGHT "Young man," said his sweetheart's father, "do you smoke cigarettes?" "I should say not!" declared the youth proudly. "I would consider it disgraceful to be seen with one of those vile things in my mouth. I think all cigaret smokers should be imprisoned. Why do you ask, sir?" "Thought perhaps you could let me have one," said the old man. "I smoke 'em myself."—Dallas Morning News.
