## SEE TECH PLAY READING

Three Factors in Tech Team—Man ager "Birdie" Hinkle, Coach Albright and Captain "Bill" Hoerner

to come early for the crowd will be huge.

Tech will line up with Smith, catcher; Germer, pitcher; Hinkle, third base; Vevadou, center field; Captain Hoerner, left field; S. Bell, first base; L. Bell, shortstop; Coach Albright; Fortna pitcher and Emmanuel, second base; right field, Lingle.

Much of the success of the Technical High School's baseball team is due to the untiring energies of the three generalissimos pictured obove. When it was quite late in the season it was decided to have baseball again and once "Birdie" Hinkle was elected manager he sent out letters to all and once "Birdle" Hinkle was elected manager he sent out letters to all parts of the State inviting contests. He arranged a strong schedule and when not busy writing letters he is playing third base for the Maroon nine. Coach Albright is a member of the Tech faculty. He played the several athletic sports at Albright College under the famous "Charlie" Kelchner. On the right is "Blui" Kelchner. On the right is "Bill" Hoerner, as versatile as "Jim"Thorpe. He is captain and outfielders.
