There's only one happy way to get rid of any corn or callous, and that's the painless-peel-off way. "Gets-It" is the only corn remedy in the world that does it that way—effectively, thoroughly. Why get down on the floor, tie yourself up into a knot, and have to fool with "packages" of plaster, greasy ointments that rub off, sticky tape, and digging knives and scissors, when you can peel off your corn or callous in one complete piece, peacefully and surely, with magic, simple, easy "Gets-It"?

Memorial Day—

This year takes on a different meaning, for, added to the list of those to whom we consecrate this day, are hundreds more who fought that the world might be safe for democracy. We are none the less grateful to those dear ones remaining since the civil strife—rather we feel a heartier respect, a more sincere gratitude since our experience has taught us what they suffered for right. Let us all join together in paying fitting tribute to those who are still among us, as well as those who, for Liberty, have passed beyond.
