SEARCHED YEARS TO END HORRORS SHE SUFFERED

"In a search of years to end the horrors of indigestion, I can truthfully say that Natonex is the only medicine that has worked effectively in my case."
Mrs. Charles Tyrrell, of 220 Olive street, Parsons, Pa., gave this wonderful statement of Natonex, the Nature remedy that hundreds of men and women are praising. Explaining how she came to be such a sufferer, Mrs. Tyrrell said: "Years ago I suffered so with my teeth that I could not chew my food properly, and the result was that my stomach and digestive organs were upset. "Gradually they grew worse. I began to suffer agonies. The condition spread to my liver and bowels. I had a constant pain in my side that caused much worry. Greasy food and pastry would almost be the death of me. I had taken so much of certain medicine to try to get relief from gas and bloating that my skin was like saffron. "Then, after all this suffering, I found just the relief I wanted from Natonex. It acted just like I was told the Nature remedies would. It commenced the relief right away and has kept it up. I am rid of the gas, bloating and pains of indigestion, but what pleases me most is the disappearance of the awful pain in my side.

"My friends remark about my improved looks and color. I can eat anything now without distress. Saturday I ate peanuts, of which I am very fond, for the first time in months. "Before I left home this morning a neighbor had baked a delicious coconut cake. She insisted on my trying a piece. I told her I was afraid I would suffer, because I thought of my old condition. I would have never known I ate that cake. Not a trace of bad effects. "That proves what a fine condition my stomach is in. And for the liver and bowels I don't believe Natonex has an equal. I would say to anyone afflicted: Don't suffer another minute, with such a splendid medicine as Natonex right at hand." Get Natonex to-day and you may know relief to-morrow, as Mrs. Tyrrell says.

The Natonex representative at the Geo. A. Gorgas drug store, 16 North Third street, will explain this safe Nature remedy to anyone, how it is taken, and just the results that may be expected from its use. You can even test Natonex free.

Cool, Fizzy Home-made Drink

Homemade Root Beer Costs Less Than 1c a Glass

It gives one no end of satisfaction to be able to say, "I made it myself," of a food or beverage that has been especially delicious. A refreshing root beer that can be made at home from Hires Household Extract is a real cause for satisfaction—every one likes it. "First of all, it is pure, which means that one may drink as much of it as one wants. It is made from the juices of pure bark, berries, herbs, and roots—sixteen in all—including ginger, birch bark and wintergreen—not one substitute flavor among them! Then, too, it is easy to make. All that is needed is a bottle of Hires Household Extract, sugar, and a yeast cake. Not only that, but it is surprisingly economical. One bottle of Hires Household Extract, costing only 25c, makes forty pints or eighty glasses—less than 1c a glass! Get all your old bottles that have been accumulating in the cellar. If you haven't corks for them, you can buy some Hires specially designed eight bottle stoppers from the grocer when you buy your Hires Household Extract. You'll never again be without home-made root beer. It means a cool glass when you are tired and worn, a refreshing, delicious drink when the children come home, and a sparkling, tempting glass for the guest who drops in for a chat. It means a fizzy, wholesome drink for every occasion.

LOST HIS FALSE TEETH IN BUSY BROADWAY

Man in Fur Coat Creates a Sensation at Forty-Third Street Corner

People in the vicinity of Broadway and 43d street this noon were perplexed when they saw a well-dressed man, weighing about 350 pounds, wearing an expensive fur overcoat on his hands and knees in the middle of the uptown car track. Patrolman Patrick McDonald elbowed his way through the crowd and grabbing the man by the shoulder, asked what was the matter with him. The man got up and, pointing to his mouth, muttered in a semi-intelligible manner that he had lost his false teeth. He said he believed they were lost in the slot of the car track. Search by policemen, chauffeurs, bystanders, motorists and conductors failed to reveal the missing piece, and with great disgust the unknown man hailed a passing taxi. His breath being bigger than the entrance of the taxi, he finally secured a large limousine and departed, giving instructions to drive anywhere north—N. Y. Eve. World, 2-17-19.
