NEWS AND NOTES OF THE BOY SCOUTS

TO RE-REGISTER TROOP 14 SOON

Two or Three Patrols Will Be Formed; Name New Officials

The weekly meeting of Troop 14 on Monday evening was spent in compiling the necessary data for re-registering the Troop in June, and in perfecting our organization. We expect to register two or three patrols, and are carrying several lads who are almost the required scout age...

The troop will take a trip to the lodge at Lamb's Gap over June 6, 7, and 8. A good time with an opportunity to pass tests and practice scoutcraft will be enjoyed by all.

Ready For Camp

Everything is ready for the opening of Camp Hacoboscam on Monday, June 23. As announced before, the camp will be held at Mt. Holly Springs on the site of the old amusement park, all the buildings of which have been leased for the camp this year. Prof. J. F. Rees, of Technical High school, will be camp director, and every scout who hears his name will rejoice in the fact that we have secured him.

EX-SOLDIER NOW WITH TROOP 15

Sergeant Ray Sherwin Gives Instructions to the Members

Before the regular business meeting of the troop last Friday evening, the attention of twenty-five scouts, four visitors and two officials was held by Sergeant Ray Sherwin. He put the troop through a drill and gave them a talk on discipline. He is now an official of the troop.

SCOUTING NOTES

BY J. FREDRIK VIRGIN, SCOUT EXECUTIVE

Troop 17 Hikes The scouts of Troop 17, of Penbrook, took a hike to Boyd's woods last Saturday. We started from the school house at 1:30 o'clock and marched down to the New Cameron Park Driveway where we stopped, and the scoutmaster, Mr. Walters, gave us some instructions in drilling.

Scouts Have Eventful Hike to Lamb's Gap

It was not a very eventful hike from Enola to Lamb's Gap, but just as we got to the top of the mountains it began to rain so we built a fire in the large fireplace and stored up some wood for our night fire. It was planned that each scout would cook his own meals and after supper everyone was to see the tower, so we all went up to take a look over the Cumberland Valley.

Troop Four Receives New Patrol Colors

Troop 4 held an interesting meeting Monday night. Patrol colors arrived and were given out. Scoutmaster Hallman has been on a trip to St. Louis and he gave a talk about the activities of the scouts out there.

Troop Seven Will Show War Relics at Festival

More interest is being taken in tests. One of the youngest scouts of the troop to become a second class scout is Frank Schwartz. He received a second class pin from the scoutmaster at the last meeting. He intends to be a first class scout too before the annual camp.

Troop Thirteen Elects New Corps of Officers

Troop 13 held its annual election of officers on Friday night, May 23. The following scouts were elected as officers to serve the coming year: Senior patrol leader, Joseph Hagar; scribe, Charles Krause; treasurer, William Maglauchlin; color bearers, John Thompson and Thomas Webster. After election of officers the different patrols adjourned to separate rooms and held election for patrol and assistant patrol leaders. The following scouts are the proud possessors of one or two green bars for the next year:

Troop 16 Not to Meet

Troop 16 will not hold a meeting today. We have worked hard lately and feel that we deserve a holiday. Last Saturday we took a hike to the Hut and all had a good time. Albert Miller, a Wolf Cub, will be transferred to the Troop very shortly as he is now of scout age. At our next meeting we will hold our election of officers.

Troop 15 Hike

At the weekly meeting of Troop 15 plans were made for a hike on Saturday, May 31. The hike was to have been held last Saturday, but on account of unfavorable weather it was postponed. All scouts will meet at Market square at 1:45 o'clock Saturday afternoon and take the 2 o'clock Rockville car. Second class tests will be taken while on the hike. Two members of Troop 15 were elected for special duty at the last meeting. Fellows who do not attend regularly are missing the time of your life. We have a doctor who is instructing us in first aid, and also a new assistant scoutmaster, who is taking us on our hikes. He's a dandy fellow. Don't forget to come to the next meeting.

The Federal and railroad authorities have agreed to start work at once and the order of the commission apportioning the cost has already been sent out so that there will be no delay. At the office of the commission the Derry township cases, which were heard by Commissioner John S. Rilling, are regarded as among the most important handled in years.

Dr. Becht Speaks—Dr. J. George Becht, secretary of the State Board of Education, is to be the speaker at the memorial service at Milton, when the tablet will be unveiled to Colonel W. W. Fetzer, the first Pennsylvania officer of high rank to be killed in France. Colonel Fetzer, who was well known here, was superintendent of schools and a National Guardsman of long service. He was killed by a shell near the Vesle river.

DEAR TO HEART OF A BASEBALL FAN The man who was seeking a home said to the agent: "What I want is a place with a fine view." The agent, who was rich in places of all sorts, immediately exclaimed: "Here, I've got just what you are looking for. But it will cost you a little more than one I've just shown you." "Are you sure the view is all right?" continued the home-seeker. "Why, man, it couldn't be better. By simply going on your roof you can see a big league baseball game." —Everybody Magazine.

PROFESSIONAL TROUBLES

"Whatever became of that patient of yours who was telling me about last fall?" "Oh, he's got a complaint now that's giving me a great deal of trouble." "Indeed! What is it?" "It's about the amount of my bill." —Boston Transcript.
