NAVAL SEAPLANE SCORES TRIUMPH FOR AMERICANS

Completes Long Transatlantic Flight From Rockaway to Plymouth... LANDS SAFELY IN HARBOR... Read and NC-4 Fly Out of Ferrol in 500-Mile Journey to England... CREW WILL GO TO PARIS... Return Over Atlantic From Ireland to New Found-land Is Discussed

Map Showing Route of Naval Plane on Last Leg of Flight

Map showing the route to be followed by the naval seaplane NC-4 on the last leg of its historic flight from New York to Plymouth, England.

By Associated Press. Washington, May 31.—The American naval transatlantic flight, begun at Rockaway Beach, Long Island, May 8, was successfully completed today with the arrival of the NC-4 at Plymouth, England, after a 500-mile "hop" from Ferrol, Spain.

CLEMENCEAU ANSWERS FINAL NOTES OF HUN

Bulk of German Objections to Treaty Have Been Replied to; No Modification of Terms Is Opinion in Peace Circles

By Associated Press. Paris, May 31.—Premier Clemenceau, as president of the Peace Conference, today replied to the last two German notes. The official statements on the replies have not yet been issued. Most of the objections raised on the German counter-proposals have, in the opinion of French diplomatic and political circles, already been set forth in separate German notes and duly answered by the Allies.

Will Go to Paris After resting at Plymouth Commander Read and his crew will go to Paris by direction of President Wilson to give allied officers attending the aviation conference there an account of their voyage. The NC-4 meantime probably will be taken apart for shipment to the United States. It may eventually be placed in the National Museum here.

Gen. Atterbury Tells How Locomotives Were Taken Ready to Run in France

New York, May 31.—Brig. General W. W. Atterbury, vice-president of the Pennsylvania Railroad, and who served as director general of transportation of the American forces in France, today told his personal story of the problems and achievements of the American transportation service abroad. He stepped ashore here when the steamship Rotterdam docked from Brest.
