## Nature's Tonic Of Herbs

From Mother Earth

To You

**VITOLYN is Nature's own Tonic of Herbs, Roots, Fruit and Seeds.**

Put up in convenient Tablet Form insuring accuracy

**S**UCCESS in life depends more on the co-operation of the Stomach than any other factor.

Scientists tell us that 90% of all sickness is traceable to the Digestive Tract. Yet many chronic cases can be remedied in from 48 to 72 hours.

Unless the Stomach effectively performs its proper function in the way Nature intends you cannot be physically fit.

Very often one good harmless food when eaten in combination with other harmless food creates a chemical reaction in the stomach, and will give off dangerous toxics which enter the blood and slowly poison our entire system, sapping vitality and depleting efficiency.

**VITOLYN** corrects all Stomach, Liver and Kidney Disorders, aids Digestion and acts as a mild positive Laxative.

**VITOLYN has stood the test.**

It is sold by all druggists on its merits and if directions are carefully followed it will help you.

Gentlemen: Enclosed find two dollars. Kindly send me two boxes of Vitolyn.  
I take this opportunity to express my gratitude and tell you of the wonderful relief obtained after taking two boxes of your tablets. I have been suffering from sick headaches for over fifteen years. At first I would have them monthly, but in the past five years I have suffered with them constantly, at intervals of two weeks. The suffering I endured was inconceivable, not only from the pain in my head, but from weakness due to the vomiting spells which would accompany these headaches. I have spent a great deal of money visiting physicians in hopes of securing some relief. Thinking the cause was perhaps due to my teeth, I have consulted dentists. In fact I have done everything in my power even to dieting, but without success.  
By chance in conversation with a saleslady in a Brooklyn department store, she recommended Vitolyn and explained how she had suffered from these sick headaches for years prior to taking your tonic. I am on my third box of Vitolyn and feel like a new woman. I have not had one single headache since using Vitolyn and I will highly recommend it whenever an opportunity arises. Very sincerely yours,  
(Signed) Mrs. E. F. KASTENHUBER,

**T**AKE VITOLYN to your family doctor. Show him the guaranteed ingredients. Ask his opinion. VITOLYN rests its case in his hands.

Then, if you care to, take it to a chemist and have it analyzed. He will tell you that VITOLYN is pure and will verify the formula. He will tell you, too, that it is free from anything injurious.

Alcohol and narcotics stimulate. You may feel better temporarily. But there IS a "let-down." The after-effects are to be feared.

VITOLYN brings relief. Its effect is amazing. The first dose brings improvement. A box is usually sufficient for recovery, unless case is an obstinate one.

As an all-year tonic, VITOLYN is incomparable. It relieves all disorders of the nervous system. Is splendid for Constipation, Indigestion, Stomach Trouble, Liver and Kidney Complaints, Backache and a General Run-down Condition.
