whatever they may please about the American Army. Many of the stories they tell are new to the officers of the Third Army who count them as German propaganda. One writer of a long article in the Leipzig paper dealing with life in Coblenz relates alleged instances of ridiculous sentences imposed upon Germans by the American Army courts. In one case he says that the wife of a government official, "annoyed on the street by a drunken soldier exclaimed in her anger: 'If only all the Americans would go to the devil!'" The military court, he says, punished her for "this religious wish" by sentencing her to appear every morning for thirty days at the headquarters of the commanding officer and repeating to those present the phrase: "I am glad that you are still here, gentlemen, and it is my wish that you continue to stay here for a long while."

This is all news to the American officers. If any woman appears at headquarters every morning, the sentries on duty there have failed to notice it. It is part of their job to prevent trespassing by Germans at the main entrance of the Third Army headquarters. Another fictitious tale narrated by the Leipzig writer to arouse German dislike for Americans, deals with a case in which a woman, splashed by mud from an automobile ejaculated, "those dirty American automobiles."

For this the Leipzig Munchausen avers a military court sentenced her to climb the fortress of Ehrenbrieststein daily at 5 a. m. for thirty days carrying a pail, scrubbing brush and

Packer, Back From Europe, Says It's Up to U. S. to Feed Her

New York, June 4.—To meet the tremendous demands that are being and will be made upon America will call for the strongest united efforts on the part of labor, industry, agriculture, capital and government, according to Thomas E. Wilson, president of Wilson and Company, who has spent the last two months making a personal investigation of the food situation in Europe. He states that it will be a long time before any of the countries affected by the war are again on a normal basis, and that the conditions with regard to food production are peculiarly acute.

NARROWS ROAD WILL BE RUSHED

Big Contracting Firm Plans to Complete the Highway Construction This Year

The Nawn contracting concern, awarded the contract for over 33,000 feet of State highway between the upper end of Dauphin "Narrows" and Clark's Ferry.

This firm has handled some of the big work at Hog Island and is now engaged on work at York Village, near Chester. It is an experienced concern and used to big enterprises.

The "Narrows" work will make a first-class highway from Harrisburg to Clark's Ferry. It amounts to making a first-class road through Dauphin and on up to the improvement made above that place by the Pennsylvania railroad, which relocated the road and built a wall along the river below Clark's Ferry. This is the work which was undertaken in conjunction with the State and involved filling in of the old canal bed. The road was passed under the railroad, the State Highway Department paying for a third of the cost of the subway.

First and last probably \$600,000 will have been spent on this road by the time the Nawn contract is finished, because the railroad work amounted to over a quarter of a million dollars alone.

Bids will be opened June 24 for the construction of approximately 28 miles of permanent roadway in six Pennsylvania counties. The longest strip in the proposed construction is that on Route No. 95, McKean county, between Kane and Mt. Jewett, where 21,546 feet of concrete are to be put down. In Blair county, on the William Penn highway, 1,268 feet of 18-foot concrete are to be put down in the borough of Hollidaysburg. Judges Appointed For Second Yearly Rose Show

The woman's Advisory Board of the Y. M. C. A. have been very fortunate in securing S. S. Penneck, of Philadelphia, to act as one of the judges at the Second Annual Rose Show on June 6 and 7. Mr. Penneck is president of the S. S. Penneck Company, wholesale florists of that city, and is also a great rose enthusiast. He will be ably assisted by the following other judges: H. Riehe, of the Berryhill Nurseries; Miss Eby, H. Hanson, New Cumberland, and Miss Miner.

All exhibitors are urged to have their flowers at the exhibition hall no later than 10.30 Friday morning, after which they will be arranged in the vases by the committee in charge, and at 1.30 the judges will make the awards. Promptly at 3 p. m. the show will be opened to the public.

At 8 o'clock Friday evening, June 6, J. Horace McFarland will deliver a lecture on "Roses in America" in Fahnstock Hall. Roses, both old and new, and famous rose gardens of America will be depicted on the slides, with which this lecture will be illustrated. Mr. McFarland is thoroughly conversant with his subject as his beautiful roses at "Breeze Hill" will attest, and his ability as a speaker is too well known to need mention here.

All holders of tickets to the Rose Show will be admitted to the lecture free. The tickets, at 25 cents, will be for sale at the following business places: Dives, Pomeroy & Stewart, Bowman & Co., Astrich's, Rose's, Berryhill Flower Shop, Altoona Drugstore, Thirteenth and Market streets; Fountain Market Company, Mulberry and Derry streets; Pomeroy's Daily Market, Second and Rely streets.

Entry cards may be returned as late as Thursday evening, but exhibitors are urged to return the cards as quickly as possible in order that the committee on arrangements may provide adequate display space for all entries.

Letter to the Editor

PRaises BOY SCOUTS To the Editor of the Telegraph: Dear Sir—I will thank you for space in your paper to say a few complimentary words for the Boy Scouts of the city. On Memorial Day I assigned quite a number of the boys on both sides of the second division, composed of the G. A. R., and asked them to watch carefully and notice whether any of the comrades were taken ill or give out. They performed their duties most admirably. Each scout carried a canteen of water and dutifully refilled it along the route of march. Many of the comrades offered to pay them in sums ranging from a nickel to a quarter, which they politely refused, saying, "we are here to aid you without pay and it is a pleasure for us to serve you." They were polite, attentive and gentlemanly in their deportment,

and I take great pleasure in praising them and their noble work.

F. H. HOY, Chief of Staff of Memorial Day Parade.
