

Bowman's

For the 48th Anniversary

To-morrow and For Eight Days

The Anniversary Sale that begins to-morrow is the annual celebration of a large business establishment, just as an individual takes pleasure in celebrating his or her anniversary. Our treat for this annual event, the most important of the various sales throughout the year, are remarkable price reductions in almost every department that merit your earnest consideration and immediate inspection. For months we have planned to make this sale even greater than the preceding Bowman's successful anniversary sales.

Prudent Buyers Will Find Here Assortments That Will Win Your Admiration, Service That Will Win Your Appreciation

We reserve the privilege to limit quantity on any of the Anniversary offerings, and owing to the extreme lowness of price, many will not be sent C. O. D. nor will telephone orders be taken for some. Please carry as many packages as possible.
