Committee Summons Bankers in Effort to Learn How Convention Reached New York

Washington, June 9.—President Wilson in a cablegram received to-day by Senator Hitchcock, Democrat, Nebraska, said he hoped the investigation by the Senate Foreign Relations Committee on how copies of the Peace Treaty reached private inter-New York would "be most thoroughly prosecuted." President's Message

The President's message, transmitted through the White House and read by Senator Hitchcock to the Foreign Relations Committee, fol-

lows:

"Please convey following to Senator Hitchcock:

"I am heartily glad that you have demanded an investigation with regard to the possession of the text of Treaty by unauthorized persons. I have felt that it was highly undesirable officially to communicate the text of a document which is still in negotiation and subject to change. Anyone who has possession of the official English text has what he is clearly not entitled to have or to communicate. I have felt in honor bound to act in the same spirit and in the same way as the representatives of the other great powers in this matter, and am confident that my fellow-countrymen will not expect me to break faith with them. I hope the investigation will be most thoroughly prosecuted."

This statement by the President strengthened the belief of officials here that he would not comply with the request of the Senate that the Treaty text be furnished it at this time. "Please convey following to Sen-

"When the war began," continued Mr. Gompers, "we realize that if militarism and autocracy should be victorious never again would there be opportunity for freedom of any sort; never again would there be any change for labor to develop, and protect itself and the rights of people who work. So we threw our lot upon the side of those who stood for the largest measure of freedom.

The annual City Golf Championship Tournament starts to-day on the Reservoir Park links. Contenders for the qualifying medals must play eighteen holes on June 14, and eighteen holes on June 21. Unusual interest is manifested and a large entry list is expected.

This tournament is open to all players who are residents of this city, whether members of the club or not. An entrance fee of fifty cents will be charged. All matches must be played during the week for which they are scheduled. Failure to do so will result in default.

The committee wants it understood that this is not a Harrisburg Park Golf Club affair and all golf players residing in the city are urged to enter. The accommodations of the clubhouse will be at their service and everything will be done that tends to their comfort and pleasure.

Paris, June 9.—The reply of the Allied and Associated Governments to the German counter proposals will not be delivered before Friday, June 13. It will give the Germans five days in which to accept or reject the Treaty.

Premier Clemenceau, Col. House and Lord Robert Cecil have re-examined the terms under which nations other than founder members may be admitted to the League of Nations. Their report modifies somewhat the covenant so as to render the admission of Germany easier.

It is understood that the conditions recommended for Germany's admission to the league are:

"The establishment of a stable government."

Harrisburg Boy Wins Athletic Honors Abroad

David N. Heffelinger, a former Tech High and Gettysburg College athletic star, was among the winners at the recent Inter-University meet held at Manchester, England. Heffelinger, who is a member of the 67th Regiment band and had been stationed at Coblenz, was granted a furlough, and has been taking a course at the Cambridge University, England. He won second place in the hundredyard dash, losing first honors by one inch. He was also prominent in other events. Heffelinger was a big winner while at Tech, and later at Gettysburg won athletic honors.
