Mr. Mark Goldman.

Special Representative,

Louisville, Ky.
Dear Sir:—I was present at the showing of "Bolshevism on Trial" at the Walnut Street Theater to-day and was much impressed by the picture. I think this picture has a wholesome effect on the public and I hope that it will be widely used.

"Bolshevism on Trial" depicts socialism with the "Holf," It shows the full play of the baser human emotions, which take possession of society with the removal of the restraint of law. Bolshevism mistakes chaos and disorder for freedom. I was especially pleased withh that phase which shows the gradual steps in the development of Bolshevism and other 'ism's into the horrible license.
