Do You Want to See All of the World's Series Baseball Games This Year FREE?

Free Trips for Fifty Baseball Enthusiasts to See The

World's Championship Series

Next October Between the Pennant Winners of the National and American Leagues. Everyone has an equal chance to take this great trip AS THE GUEST OF

THE PHILADELPHIA INQUIRER

You will have no expense. There is nothing for you to do to win this greatest offer ever made to baseball lovers but to get the votes. Your friends will provide them. It will be all fun for you; a big trip, a chance to see the greatest series of baseball games ever played, as well as other places of interest in the cities visited. And all AT THE EXPENSE of the Philadelphia Inquirer.

Here Is How You May Be One of "The Inquirer's Famous Fifty"

The fortunate ones will be elected from the great army of baseball rooters by ballot, the fifty who receive the largest popular vote being the winners in this great baseball contest.

In next Sunday's Philadelphia Inquirer and continuing both daily and Sunday thereafter until September 30th, The Inquirer will print a WORLD'S SERIES COUPON at the bottom of the first column of the second page, containing one vote and the Sunday Coupon counting five votes. Collect as many of these Coupons as possible, and send them to The Inquirer World's Series Editor each week. The number sent in each week will be credited to your total, and the fifty who have received the greatest number of votes and subscription credits at the close of the contest on September 30th will be elected to take this great trip as the guests of The Philadelphia Inquirer.

Special Subscription Offer—No Cash in Advance Is Required With Subscription Orders

Any contestants who wish to solicit new six months' subscriptions to the daily Inquirer will be credited with 1000 extra votes for the name of each new subscriber they send in before Saturday, August 16th, and in this way may secure a large number of extra votes for Philadelphia.

Subscription blanks can be obtained by writing to The Philadelphia Inquirer: World's Series Dept., N. W. Cor. 9th and Spruce streets, Philadelphia.

SPECIAL INSTRUCTIONS COVERING ALL SUBSCRIPTIONS

All Subscription Orders must be shown to the news agent in the town where paper is to be delivered and indorsed by him as a new daily reader before being sent to The Inquirer Office in order to receive credit.

You need not collect any money nor send any money with the order. Just get your friend or neighbor to sign the subscription blank and promise to pay the news agent on his regular collection days, and then get the news agent's indorsement that it is a new daily reader for six months. Subscriptions to be sent by mail must be prepaid and votes will be credited at the proportion of 250 votes for each month paid for.

No credit can be given you for the names of old readers who are already taking The Daily Inquirer, as that, of course, does not represent a new Daily Reader. No credits will be given for Sunday subscription orders.

No one at this time can foretell which clubs will be the Pennant Winners this year, so it is impossible yet to know where the World's Series of games will be played. One club may be located as far west as St. Louis or Chicago and the other as far east as Boston.

It does not matter where the games are played, the fifty winners of the contest will go there as the guests of The Inquirer, and The Inquirer will guarantee them plenty of entertainment all through the journey.

The Inquirer's "FAMOUS FIFTY"

has become a well-known feature wherever World's Series Baseball Games are played. They are always there as a representative body of rooters, and they face every season, but none the less a typical bunch of the elect baseball fans. And they enjoy the best of everything, whether traveling, at their hotels or at the big games.

WHERE WILL THE BIG GAMES BE PLAYED THIS YEAR?

The "wise ones" are predicting that at least one club will be located in the West. If their prediction comes true, it will make this year's trip a banner one, but no matter where it may be, this year's Inquirer Tourists will be there.

Will a Western trip this year be even more interesting than that of the Fifty who spent nearly two weeks with the Pittsburg and Detroit teams, visiting Cleveland, Buffalo, Windsor, Canada, and returning by way of the Great Lakes and Niagara Falls?

Special traveling arrangements will be made in order that they may have every comfort, and at the cities visited they will be entertained at the leading hotels. While in distant cities, entertainment will be provided for the guests of The Inquirer.

EVERYTHING WILL BE PROVIDED BY THE INQUIRER

to make the outing one never to be forgotten by the fortunate winners of this great contest. In the meantime prepare to secure all the coupons and subscription credits you can.

Instructions how to win are printed here. Subscription blanks and any further information can be had by writing to The Philadelphia Inquirer World's Series Contest Headquarters, N. W. Cor. Ninth and Spruce Streets, Philadelphia.
