VICKERS-VIMY BOMBER STARTS ON FLIGHT OVER OCEAN FOR IRELAND WHEN FAVORING WINDS OPEN PATH

British and Yank Fliers in Plane

ON WAY TO WIN $50,000 PRIZE

Bad Axle Is Made Serviceable for Sea Journey

By Associated Press.

St. Johns, N. F., June 14.—The Vickers-Vimy bomber started at 4.13 o'clock this afternoon (Greenwich time) on its trans-Atlantic flight to Ireland. The machine carried Captain Jack Alcock, a Britisher, as pilot, and Lieutenant Arthur Whitten Brown, an American, as navigator. Adverse winds prevailed early this morning.

The fliers had announced last night the start would be made this forenoon at 10 o'clock, but they were obliged to wait for the winds to shift before hopping off. Favorable meteorological reports were received during the waiting period and preparations were made for the start as quickly as favoring winds prevailed.

Alcock a Turk Prisoner

Captain Alcock served on the Turkish front where he held the record for long distance bombing raids. He was captured by the Turks and held prisoner until the armistice was signed.

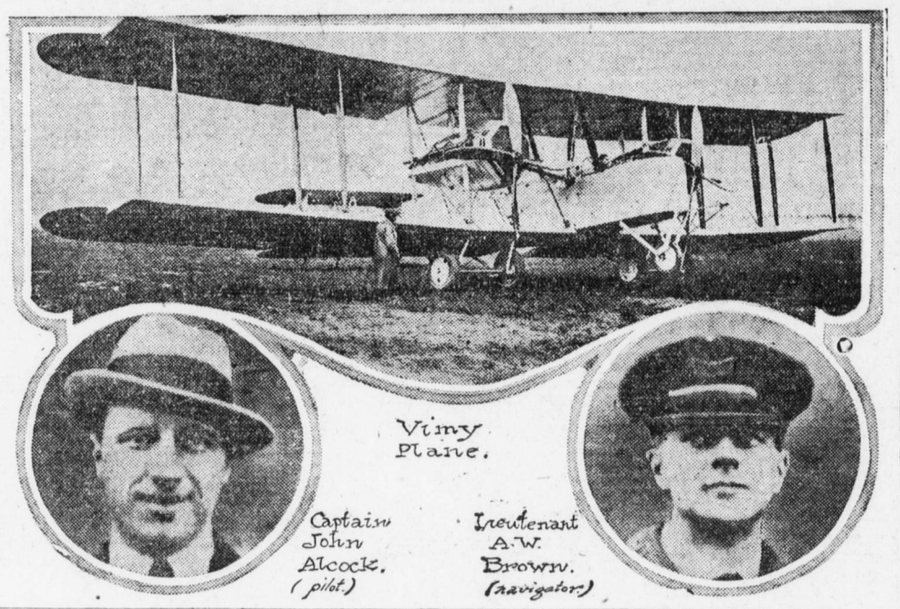
Lieut. Brown was an infantry officer in the war and later in the British aviation service. An accident to the machine in which he was an observer late in 1915 forced a descent in German territory, where he was wounded and captured.

The machine has a wing spread of 67 feet and two 350-horsepower Rolls-Royce motors, capable of developing a speed of more than one hundred miles an hour.

Carries 865 Gallons of Gasoline

The capacity of the gasoline tanks was recently enlarged to 865 gallons and the lubricating oil tanks to fifty gallons, which is believed sufficient to carry the plane 2,440 miles under normal weather. A wireless telegraph set capable of sending and receiving messages over comparatively long distances, is part of the equipment.

Alcock in Vimy Bomber Off on Ocean Flight



Bill Putting Lights on All Vehicles Is Signed

The Mearkle Senate bill requiring lights on all vehicles on public roads, except farm machinery and wagons used for hay and straw, between an hour after sunset and an hour before sunrise became effective to-day through approval by Governor Sproul. It is the culmination of twenty years of effort on the part of automobile owners, and session after session such bills have been voted down, sometimes with amendments of a humorous character tied to the them.

Under its provisions every vehicle except those mentioned must display lights "clearly visible for a distance of at least 200 feet from both the front and rear of such vehicle." There is also a provision that no vehicle overtaking or meeting a street car that has stopped to take on or discharge passengers shall pass on the side where the door is open or until the car has started and the passenger has reached the curb. Slow moving and heavily laden vehicles are required to keep near the right hand curb, a driver overtaen by a vehicle traveling at greater speed must turn to the right, while a vehicle cannot obstruct traffice or stand in the center of a roadway.

Law officers may arrest on view violaters of the act who are made liable to a fine of two to five dollars or go to jail for five days.

SENATE TO BUY CEMETERY

Washington, June 14.— Without debate or amendment, the Senate yesterday passed a bill authorizing appointment of a commission to acquire an American cemetery in France in which would be buried the bodies of American soldiers who lost their lives in that country during the war. The bill appropriates $500,000 for the establishment of the cemetery.

BITTEN BY PEACOCK

Bitten on the lip by a peacock while she was playing in Paxtang Park yesterday, 5-year-old Evelyn Green, 162 South Summit street, has been taken to the Harrisburg Hospital. The injury was a severe one and surgical attention was necessary.

THE WEATHER

Harrisburg and Vicinity: Fair tonight. Sunday, fair and warmer. Eastern Pennsylvania: Fair tonight. Sunday, fair and farmer. Gentle, shifting winds.

River: The Susquehanna river and all its branches will continue to fall slowly. A stage of about 4.1 feet is indicated for Harrisburg Sunday morning.

POWERS GIVE ENEMY TWO DAYS IN WHICH TO ANSWER TREATY

Reply to Counter-Proposals of Foe Likely to Be Handed Enemy Board Late Monday or Early Tuesday

By Associated Press.

Germany's peace delegates, it is reported from Paris, will be given but two days in which to consider and reply to the revised peace terms, which, it is expected, will be presented on Monday. Three days of grace will follow before the armistice is suspended should the Germans refuse to sign. In that event, hostilities between Germany and the Allied and associated powers might be resumed next Saturday, June 21.

Believe Germany Will Sign

The heads of the great powers are declared to be convinced that the Germans will accept the revised terms. While reports from Germany on the prospects of signing the Treaty are lacking in clarity, it is said the Council is acting upon the belief that there is no general feeling on the part of the masses against German acceptance of the terms. An air of optimism pervades the council in this respect.

It is learned that the short time limit (two days) given Germany for a reply is largely due to the Germans themselves. They are understood to have said they will not require more than five days to reach a decision.

Want States to Determine

The proposal that the five great powers undertake to guarantee the territorial limits of liberated states in Eastern Europe as established by the peace treaties in return for the acceptance by the latter of stipulations protecting the rights of racial, language and religious minorities has been submitted to the interested states by the Council of Four. The guarantee would provide the definite security which some European skeptics do not expect from the workings of the League of Nations.

President Wilson probably will visit Brussels between Wednesday and the expiration of the German time limit.

Some modifications were made by the council yesterday in the labor

BUILDING BOOM IS NEAR AT HAND, EXPERTS REPORT

Real Estate Men Satisfied at Way Work in City Is Increasing

Real estate men are more than gratified with the distinct revival which is manifest in all parts of Harrisburg and this section. For two or three months building operations have been retarded through a policy of waiting for recessions in the present high cost of materials, but the judgment of experts is all to the effect that no appreciable reduction in the price of materials is to be expected and as a result decisions are being reached every day by those who have been planning.

The housing conference under the direction of the Chamber of Commerce committee has aroused much interest in the expansion of the activities of building and loan associations and inasmuch as there is not likely to be any recession in price of materials a building boom is imminent.

Some interesting developments are anticipated at the fourth-coming

INDICT TWO IN MAIL CASE

Fort Smith, Ark., June 14.—Chester D. Baskin and Charles F. Roberts of Little Rock, railway postal clerks, were indicted by the United States grand jury here yesterday on a charge of stealing and embezzling $14,000 from the mails February 7. The funds were being sent to the Hartford, Ark., office of the Central Coal and Coke Company, of Kansas City

FIREMEN HOLD BIG PARADE AT SESSION'S CLOSE

John E. Shupp Elected President of the County Body

With the election of officers last evening, delegates of the Dauphin County Firemen's Association completed business and adjourned to meet next year at a place to be selected by the executive committee. John E. Shupp, of the Baldwin Hose Company, No. 4, of Steelton, was unanimously elected president. The big feature to-day was the parade, participated in by 2,000 firemen.

The new president, who is prominently identified with the State Firemen's Association, in a short inaugural address, urged the delegates to show activity during the coming year and make the association one of the strongest in the State. He will plan a series of meetings throughout the county. The new president is a practical fireman, and has studied methods in various cities over the United States. Other officers elected are:

Other New Officers

First vice-president, W. L. Jauss, Washington Company, No. 4, Harrisburg; second vice-president, G. H. Bergstresser, Middletown; recording secretary, J. L. Redman, president of the Shamrock Hose Company, No. 11, Harrisburg; financial secretary, Charles W. Rank, Williamstown; treasurer, S. C. Straub, Williamstown; chaplain, J. M. Warden, Harrisburg; delegate to State convention, J. L. Redman, Harris-

BIG EVENTS ARE SCHEDULED FOR SCHOOL PICNIC

Entries For Athletic Events to Be Made on the Field

Here we go—the biggest recreation day of the year—next Friday, June 20, when the Harrisburg Telegraph gives its annual picnic to the school children of the city. Given fair weather, this promises to be the most exciting and gallant gathering of all that the Telegraph has staged, for there will be new and jazzy features, such as longball twixt girl teams, and every inch of Paxtang Park will be a scene of genuine and wholesome revelry.

With Captain E. J. Stackpole, Jr., chairman of the committee, and V. Grant Forrer, assistant superintendent of city parks, lending efficient hand, a program was mapped out to-day, which may be changed in some details, but will, in the main, go through as given here:

9 a. m.—Cars at given points for children.

9.30—Cars arrive at park.

10.00—30-yard dash for boys; third and fourth grades (heats if necessary).

10.10—30-yard dash for girls; third and fourth grades (heats if necessary).

10.20—30-yard race for girls; fifth, sixth, seventh and eighth grades.

10.30—30-yard egg race for girls; third and fourth grades.

10.40—Peanut race for small girls (50 feet in length).

10.50—Sewing contest for teachers.

11.00—Long distance relay race for Boy Scouts from Telegraph Building to Paxtang Park.

11.10—Shoe race for small boys.

11.20—Three standing broad jumps; fifth, sixth, seventh and eighth grades; three standing broad jumps, third and fourth grades.

11.30—50-yard dash for boys; fifth, sixth, seventh and eighth grades.

11.35—50-yard dash for girls; fifth, sixth, seventh and eighth grades.

11.50—Obstacle race for boys, all grades.

12.00—All schools massed on lawn

[Continued on Page 13.]

28th Division Troupe to Be Entertained by "Y"

Soldiers of the Twenty-eighth Division who are appearing in the big show at the Orpheum Theater will be the guests of the local "Y" at dinner this evening. An elaborate bill of fare has been prepared and the feast will be served at 5.45 o'clock at the Central Association, Second and Locust streets.

Following the dinner, there will be special features and the boys of the Twenty-eighth will sing and tell some of their experiences. Members of the "Y" who will be in charge of this dinner have been anxious to show these entertainers a good time. Due to the fact that the Twenty-eighth singers gave a matinee performance and also appeared on the Knights of Columbus program, and will give their final performance to-night, the time at the local "Y" will be limited. Several members of the Y. M. C. A. went to Lebanon to see the performance and also witnessed the opening performance last night. They are loud in their praises.

ARRESTED FOR "DOPE" SALE

Charged with the illegal sale of arcotics, Harry S. Foushee, of Philadelphia, was arrested early today in the campaign of the Harrisburg police department to break up the sale of habit-producing drugs in this city.

ELKS LEAD WAY IN CELEBRATION OF FLAG DAY

Parade to Precede Formal Observance in Reservoir Park

CONCERT AT ELKS' HOME

Wooda N. Carr, Uniontown, to Deliver Principal Oration This Evening

Harrisburg paid high tribute today to "Old Glory." Not in many years has there been so elaborate a display of flags as was seen throughout the city to-day. The feature of the celebration will be the observance this evening of the 142d anniversary of the birth of the American Flag, to be held under auspices of the Harrisburg Elks.

Harrisburg Lodge No. 12, B. P. O. Elks was the first to plan for a special observance here and each year the demonstration has become additionally attractive. This evening when the program starts members of Harrisburg Lodge will be joined by many other organizations. All loyal Americans have been invited to participate in the exercises scheduled to start at 6.45 o'clock.

Two Divisions in Parade

The parade consisting of two divisions is scheduled to form in front of the Elks home in North Second street at 6.15. Previous to the parade the Municipal band will give a patriotic concert in front of the home at 216 North Second street. In line of parade will be several hundred Boy Scouts.

The parade will move out Second to Market Square, to Market, to Fourth, to Mulberry street bridge, to Thirteenth street, to Market, to Reservoir Park. The exercise at the park will start promptly on arrival of the paraders. Seats have been arranged for members of the G. A. R., and wounded soldiers.

There will be music by the Municipal and Commonwealth bands and patriotic singing. Wooda N. Carr, of Uniontown, who was the orator at the first flag day exercises held by the Elks in this city will be the principal speaker.

The balance of the program will include the reading of the history of the flag by Jonas M. Rudy, secretary of Harrisburg lodge, Elks tribute to th eflag, Frank B. Wickersham, Harrisburg lodge; patriotic recitations, Miss Wilhelmina G. Wohlfarth, and the ritualistic exercises of the Elks. The latter is interesting and impressive and includes the construction of a large floral emblem.

Tribute to Deceased Elks

Following the exercises as has been the custom in the past the Elks will move to the Meade D. Detweiler monument where tribute will be paid to the late Meade D. Detweiler, who was twice past grand exalted ruler and exalted ruler of Harrisburg Lodge No. 12, at the time of his death. An address will be made by Abner Hartman, exalted ruler of Harrisburg lodge, and while a floral offering is being placed on the monument the Elks will sing "Auld Lang Syne."

Joseph P. Thompson, captain of police, who is chief marshal of the parade this evening, requests all organizations participating to report at the Elks home promptly at 6 o'clock. It is also requested that all vehicles keep off streets on which the parade will pass between 6.15 p. m. and until the parade passes.

Say Body Buried Is Not That of Missing Man; Want Charges Returned

Claiming that the body found in the Susquehanna river in this city on May 6 and buried as that of W. H. Harrington, 221 East Cross street, Ypsilanti, Mich., was not he, relatives are making efforts to recover charges incident to the burial, they announce in a letter to Chief of Police Wetzel.

The body is not that of Harrington, a Chicago attorney representing the family, writes to Chief Wetzel. Harrington is still alive, they are said to have claimed some time ago, but the attorney makes no mention of this in the letter to Chief Wetzel.

Chinese Cabinet Quits as Japs Become Unpopular

By Associated Press.

Pekin, June 14.—In consequence of difficulties created by the popular movement against pro-Japanese members of the government, the cabinet has resigned and President Hsu Shih Chang has also intimated his intention to quit office.

It is anticipated that parliament will decline to accept the president's resignation. This would amount to a vote of confidence which is needed to strengthen him against the militarists.

Strikes through out the country continue. Railroad traffic is being impeded.

Routier Is Condemned to Death as French Traitor

By Associated Press.

Paris, June 14.—Gaston Routier, a French Socialist journalist, was sentenced to death to-day by court-martial for imparting military intelligence to the enemy. He was tried by default, having conducted a French paper in Spain that carried on German propaganda.

Routier founded La Paix, of Madrid in 1917. His arrest has never been reported.

15 WOUNDED SOLDIERS HURT WHEN SPEEDING TROLLEY CAR HITS BIG MILITARY TRUCK

Men Recuperating From Battle Wounds Thrown Into Street While on Way to Knights of Columbus Picnic; Arms and Legs Broken in Crash; Several Hurt Internally

YANKS ARE RUSHED TO CITY HOSPITAL WHERE IMMEDIATE TREATMENT IS GIVEN BY PHYSICIANS

Soldiers, recuperating from wounds and gas received on the battlefield were terribly hurt shortly after noon to-day when a big motor truck carrying the men from the Carlisle Military Hospital to this city and a trolley car collided.

The wounded men were on their way here to an entertainment to have been staged by the Knights of Columbus. The truck and trolley car were badly battered and the wounded men thrown into the street at the corner of Second and North streets with great force.

Volunteers rushed to give the men first aid while the hospital ambulance, the city patrol and automobile owners speeded to carry the men to the Harrisburg Hospital. Those with broken legs and arms and internal injuries were looked after first. After an examination at the hospital, physicians were certain that all the men have good chances to recover.

Spectators Excited

An effort to gain an unbiased account of how the accident occurred was difficult. Excited spectators say the trolley car was speeding at 30 miles an hour. Both the trolley car and the auto truck were crushed in.

It seems certain, however, from the aftermath that the force of impact was tremendous. Some of the wounded men literally were hurled through the air, spectators said. The big truck was pushed up Second street possibly 50 feet. The men were scattered about on the street along most of this distance, some of them suffering acutely from their old wounds as well as the new.

That none of the wounded soldiers was seriously injured or killed, is attributed by spectators to the fact that the huge truck was constructed entirely of steel. The impact was terrific and of such force that it would have made splinters of a wooden truck.

Few of the 28 men in it were able to retain their seats, most of them being thrown over the streets and pavements about the scene of the accident. Most of them were injured to some extent, at least.

Fifteen of the twenty-eight men are reported to have been admitted to the Harrisburg Hospital, by attaches. Names of thirteen, with their injuries, follow:

John Simpkins—Severe shock and lacerations of the lower lip.

J. Dubalski—Severe lacerations of the left forehead and lacerations and abrasions of the eye, head, arm and neck.

Mike Sloter, 28—Supposed fracture of right leg.

Elmer Shields, 30—Bruises of the right arm with a probable fracture and severe shock.

Nathan Bunlick, 31—Scalp wound and lacerations of the face.

Peter J. Duddy, 25—Left knee bruises and severe shock.

Augustus Ambrosino, 27—Sus-

JUDGE KUNKEL URGES HASTE IN PICKING SITE

Points Out Urgent Need For Building of a New Courthouse

IS NOT TOO EXPENSIVE

President Judge Gives His Views on Building Project

"We need a new Courthouse now. The one we are using has long since outlived its usefulness and a new one should be built, so that the business of the community can be conducted in convenience and safety," President Judge George Kunkel said to-day in dismissing the Grand Jury of the June sessions of criminal court.

In their report the Grand Jurors had recommended that a new Courthouse should be built as soon as possible, and Judge Kunkel based his remarks on this suggestion.

"First, where it is to be built, will be the question to be decided," Judge Kunkel continued. "Nothing can be done until that is settled, and the sooner it is, the sooner will the new building be provided. Of course, that question is for the authorities who were elected to look after the interests of the public and it is for them to act.

"There is no necessity for an ornamental building. A plain, stately, spacious, modern structure, with sanitary improvements will meet the wants of the public and it should not be too expensive. It is time now to provide a sanitary and convenient place to which attorneys, litigants, jurors and all others interested or having any business whatever, may come. Whether the new building is placed here or somewhere else, a site must be chosen first and then there ought to be little delay in building a Courthouse."

Judge Kunkel commended the Grand Jurors and the Petit juryman for their services, telling them they had used discretion and good judgment in all their work and had shown ability in handling it. He said the public would be pleased to learn of the proper management of the County Home and prison, which they reported to the Court.

The Grand Jury at this session of court examined eighty-nine bills of indictment, of which sixty-nine were returned to the court and twenty ignored. Their report follows, in part:

"As customary, we visited the County Almshouse and the Dauphin County Prison and we found both these institutions in splendid condition, reflecting much credit upon the county authorities and those in charge of these institutions.

"A few contemplated improvements were called to our attention while on our visit to the Almshouse and we hereby approve of the same.

"We concur in the recommendation formerly made by Grand Juries that a new Courthouse be built, modernly equipped, and suggest that it be done at the earliest date possible."

Railroad Operators Refuse to Handle Commercial Messages

Chicago, June 14.—The second stage of the Commercial Telegraphers' strike was reached this morning when railroad operators at 23,000 points in America were to discontinue handling commercial messages under an order issued by the Order or Railway Telegraphers.

Such action, strike leaders declared, will tie up all comemrcial telegraph business except between the larger cities in which the Western Union and Postal Telegraph Companies maintain their own offices. Officials of the Postal said that company will not be affected by the order as little Postal business is handled through railroad stations.

Western UUnion officials while expressing belief that the order would be rescinded, predicted that its effect would not have serious results

They estimated that the 23,000 points handling commercial business over railroad wires do not average more than five messages each day.

LABOR LEADERS ARRIVE AT WASHINGTON

Washington—Delegates of the American Federation of Labor, headed by Samuel Gompers, came from Atlantic City to-day, marched to the Capitol and assembled in front of the historic east steps for an anti-prohibition demonstration. The demonstration began with the playing of "The Star-Spangled Banner," the crowd standing uncovered and waiving their flags. Three cheers for the American Federation of Labor followed. Then the demonstrators sang "America."

BEEF CHEAPEST MEAT ON MARKET

Chicago.—A statement blaming consumers in part for the high cost of meat was issued to-day by the Retail Meat Dealers of the United States. The statement says beef now is cheaper than any other meat.

WASHINGTON'S GOVERNOR DIES

Seattle.—Earnest Lister, Governor of Washington, died to-day. He had been ill for several months.

TWELVE ENTERED IN BIG AUTO RACE

New York.—Twelve drivers were entered in the 110-mile international automobile sweepstakes over the Sheepshead Bay speedway track to-day. The contest was sin four hears at 10, 20, 30 and 50 miles. Cash prizes aggregated $35,000. Preceding the main event were a 25-mile race for the American amateur title and a 20-mile race for non-stock cars.

TWO HURT; ONE'S SKULL FRACTURED

Harrisburg—Ray Leach, suffering from a probable fracture of the skull, was unconscious late this afternoon in the Harrisburg Hospital. He was injured in the auto and trolley crash. One other soldier who had been unconscious recovered and is not in a critical condition. Twenty soldiers are being treated at the hospital and eight of them may be discharged late to-day.

MARRIAGE LICENSES

Richard B. Roebuck and Sara E. Crane, Harrisburg; Harry C. Morton and Helen M. Rutter, Harrisburg; Leroy F. McCord, Highspire, and Bessie E. Lilley, Middeltown; Richard E. Moore, Pontiac, Michigan, and Grace E. Lindsay, Hogestown; Clarence L. Shaffer, and Ruth A. Wissler, West Fairview; Bruce R. Moyer, Saliadasburg, and Lulu A. Quiggle, Williamsport; Ross O. King and Margaret H. Bowman, Harrisburg; Charles E. Gayman, West Fairview, and Catharine M. Rhiver, Enola.
