

### Big Improvement in Steel Situation, Declares Iron Age

New York, June 19.—Improvement in the steel situation is asserted in stronger terms this week, says the Iron Age. Mill schedules show it, particularly in the Central West. In a number of finished lines bookings are larger and the opinion has been ventured that May output will stand as the low record of the year.

Steel ingot production fell last month to an average of 85,000 tons a day, against 102,500 tons in April, a decrease of 17 per cent. The May rate represents about 26,000,000 tons a year, or about 55 per cent. of the country's capacity.

In the Pittsburgh district steel mill operations of one large interest have advanced to a 75 per cent. rate and preparations are making for the blowing in of one or two blast furnaces, whereas blowing out has been the rule.

### Master Car Builders and Master Mechanics Meet in Atlantic City

Atlantic City, N. J., June 19.—The joint annual convention of the Master Car Builders' Association and the American Railway Master Mechanics' Association, opened here yesterday with an address by Edmund H. Walker, head of the Supply Men's Association. Mr. Walker urged co-operation in solving the problems which have developed as a result of the dislocation of plants to meet government demands to "win the war" and the readjustment of wages which have taken an upward trend.

The most important matter to come before the convention is the proposal to merge the two organizations.

Nearly 7,000 delegates have registered. There are 310 exhibits occupying 93,500 square feet of space.

**PLAN LAST FIELD TRIP**  
Members of the Natural History Society will hold their last spring outing at Riverview, York county, Saturday, leaving the Pennsylvania Station at 11:55 in the morning and returning at 6:30 o'clock. The bird section of the society will meet this evening in the State Museum. This will be the last session until September.

**COLORFUL LECTURE TO SPEAK**  
Rev. Dr. A. W. Fuller, D. D., LL.D., Georgetown, S. C., will speak to-night on the "Great Blunders of Great Men," at a lecture concert to be given in the Technical High School by the Harmony Club. A slight collection will be taken to provide additional funds for a home for aged colored people.

### HILL ORCHESTRA DELIGHTS MANY

Members of Capitol Orchestra Pleases Many Last Evening

Members of the Capitol Orchestra last evening delighted one of the largest audiences gathered in the Hall of the House of Representatives in many months by a concert rendered in response to a request from Speaker Spangler and members of the House. Some time ago the orchestra, which is made up of Capitol Hill people, gave a concert in the hall and there were many requests for a repetition.

Last night the orchestra gave a fine program in the presence of many people and won more praise than on the former occasion. Howard C. Fry, of the State Highway Department, acted as leader and the numbers were rendered with spirit and in a manner that was highly praised by members of the two houses.

The program included a number of patriotic and classical selections.

**Ex-Member Here.**—Ex-Representative Charles Walter, of Franklin, was a visitor to the House.

**Mount Holly Case Heard.**—The Mount Holly electric case, which involves service and rates, was presented to the Public Service Commission yesterday.

**Cases Over.**—The Northumberland county grade crossing complaints were yesterday continued until July 2 before the Public Service Commission.

**Capitol Visitor.**—A. W. Woodward, of Clearfield, long connected with the Department of Agriculture, was at the Capitol.

**Dinner For Scribes.**—The legislative correspondents were guests of Attorney General William I. Schaffer at a handsomely-appointed dinner at the Penn-Harris last night and some very original ideas regarding the session and the men who are active in it were expressed. The speakers included Lieutenant Governor Beldeman, Auditor General Snyder, State Treasurer Kephart, George J. Brennan, of the Philadelphia Inquirer; James E. Benn, city editor of the Philadelphia North American; Walter J. Christy, of the Pittsburgh Gazette-Times; E. J. Stackpole, Col. George Nox McCain and other newspapermen and State officials. John R. Ball, president of the Legislative Correspondents Association, made a formal statement regarding the session, in which everyone concurred.

### Daix Brady Bills Are Agreed Upon

The Daix Brady bills, which relate to the registration commissioners for Philadelphia and have been a cause of much discussion this session, were finally agreed upon by the two houses late last night. They came up in the form of conference reports and were speedily adopted. They join the Philadelphia charter bill on the desk of the Governor.

The Senate worked until late last night on the calendar and cleared the ways for adjournment for the week. The bill authorizing appointment of mercantile appraisers by the Auditor General got into trouble in the course of the evening.

### Spartacan Attempt to Enter the Castle at Weimar Was Serious

London, June 19.—A despatch to the Exchange Telegraph from Copenhagen says the Spartacan attempt at Weimar was more serious than had been supposed. The Spartacans, it is asserted, had the entire castle in their possession, and were on the point of arresting the ministers when General Maercker, who was engaged at the station directing the movement of troops, heard the firing and led the troops to the castle, arriving there to frustrate the Spartacan plan.

### Doctors Modify Their Resolution Concerning Light Wines and Beers

New York, June 19.—The Allied Medical Association of America, which adopted unanimously at the opening of its annual convention here yesterday a resolution endorsing light wines and beers as beneficial, modified its action yesterday by the passage of a second resolution in which the problem of the good or ill in alcohol was left to the individual member to solve for himself. The second resolution was passed in deference to a strong protest by Dr. Dinsah P. Ghadiali, of New York, against the convention endorsement of alcohol in any form.

### Lightning Kills Two Persons as They Alight From Automobile

Milton, Pa., June 19.—Mrs. Clarence Blyer, 49 years old, and a three-year-old grandchild, both of Miltonburg, were instantly killed when a bolt of lightning struck them as they alighted from an automobile near their home yesterday. The child was thrown from the woman's arms 30 feet across a fence.

### President Wilson, With King Albert, in Brussels

Brussels, June 19.—The train carrying President Wilson and King Albert and Queen Elizabeth arrived here at 9:15 o'clock last night. President Wilson rode to the palace in an automobile amid the acclamations of an enormous crowd.

### WANTS TO BE CONSTABLE

Duncannon, Pa., June 19.—After being without a constable for many months, an applicant has finally been secured for the position in the person of Edward M. Cope. His application has been favorably received by borough council. Preliminary arrangements for the presentation to Perry county court of a petition for his appointment have been taken by Chief Burgess Franklin E. Cook.

### FOURTEEN GRADUATE

Columbia, Pa., June 19.—Fourteen young girls and boys graduated from Holy Trinity Catholic parish schools Monday evening and were awarded diplomas by the Rev. F. G. Brueggemann, the rector. The Rev. C. M. Echehalt, of Dallastown, Pa., delivered the address to the graduates.

## "Very Thing I Was Looking For" Says Riverside Man

"I have had liver trouble of long standing, and stomach trouble developed in the last few months," said John R. Melloy, of Riverside, Pa., in a statement that will interest weak, nervous, run down men and women here who need better digestion, real nerve vigor and more bodily strength.

"I was just ready to give up trying to find anything that would help me. Then I began to hear about Natonex and I am very glad that I tried once more to get the relief I needed so badly. I have found the very thing I was looking for, and I am very thankful, for Natonex has certainly taken the 'kinks' out of me.

"For several years I have had dizzy spells from indigestion, constipation and biliousness and when these spells came my legs would get so weak I could hardly stand. In the last few months I have had several attacks of indigestion. Each attack left me weaker and less able to throw off the poisons in my system. I finally got so I was practically on a diet and was gradually losing weight, as well as strength.

"I decided to try Natonex because when I see anything praised the way Natonex is by people here and in nearby cities I think it must be worth trying. I had taken Natonex only a short time when I

noticed that I was beginning to have an appetite and the good part of it was that what I ate did not hurt me. The dizzy spells became milder and now I don't have them at all.

"What Natonex has done has surely been a revelation to me and you may use my name if you wish for I would be very glad to help some one else find out that this new Nature medicine is the real thing."

"Men and women here endorse Natonex because they wish to help others. That is the spirit that causes a medicine to become known everywhere," said the Natonex representative. "You do not doubt the words of your friends and neighbors. You can see them personally and learn from them direct just whether the statements about a medicine are true."

Natonex is fully explained by the Natonex representative at the Gorgas Drug Store, 16 North Third street. He tells just how 12 famous Nature remedies known and trusted for fifty years, have been combined in a splendid system purifier and builder. You can even test Natonex free. Natonex is sold by leading druggists in every town. But be sure to get the genuine. Natonex is never sold in tablet or liquid form.

## Long-Distance Tires

Each Man a Master—Each Tire a Masterpiece

You can pay less for tires—but Millers cost less per mile. That's because Millers are built by uniform workmen, trained to a championship standard. So Miller Tires mean no "second bests"—under like conditions they wear alike. And all are long-distance runners. These tires and our service are good associates. Comemake our acquaintance.
