CYCLONIC STORM WRECKS BARN

High Winds Blow Building to Pieces and Horse Injured When Structure Falls

Greencastle, Pa., June 20.—A storm very much like a cyclone visited Montgomery township on Wednesday afternoon. Residents of the Welsh Run community, six miles west of Greencastle, say they never witnessed such a severe wind-storm. While the lightning and thunder that accompanied it was unusually heavy, the principal damage was done by the wind, which seemed to spend its fury on the farm of David Mowen, tenanted by Ed Henneberger. Mr. Mowen's barn was blown down and one of the horses that had been left in the barn was badly injured. Fortunately, the other stock was in the field. A shed on the Mowen farm was also unroofed, and the roof blown down along the creek, quite a distance away. The crops in the vicinity of the storm did not seem to suffer as much as the buildings.

ROBBERS CAUGHT NEAR LEWISTOWN

Running Pistol Fight With Police Ends in Surrender of Four Young Thieves

Lewistown, Pa., June 20.—Four men wanted for stealing cured meats in big quantities in this and surrounding counties, traveling in an automobile, were arrested near Bannerville yesterday, after giving Millfin county officers a thrilling chase. The men gave their names as follows: Banks, Harry and Isaac Seifred, of McAlisterville, and Reed Rhoads, of near Reedsville. Rhoads is only 18 years old. All the men are under 35. They were captured after a pitched revolver battle, in which at least 20 shots were exchanged.

Those who took the men prisoners were Chief of Police Yeaman, Walter Fosnot and Meredith Myers, of Lewistown; Captain F. G. Hinkle, of the Standard Steel Works police; Guard Bowers and Fred Graham, of the Standard.

At 10:30 yesterday morning word was received here that the ham thieves had left Burnham in their stolen auto, after having eluded Chief of Police McKinley, of Burnham.

Sheriff Davis received the word and he left for Snyder county in pursuit of the thieves. The Lewistown Sentinel car left for Burnham with Fosnot and Myers, and they picked up Chief Yeaman along the way. At Burnham they were joined by Captain Hinkle and the other Standard Steel Works men.

It was learned at Burnham that the thieves had been loitering in the vicinity of the National Bank at that place and when told by McKinley that they were under arrest they drew a gun on the officer, backed their car and got away.

Sheriff Davis having taken the Lilleville road, the Sentinel car went over the Vira road. Near Bannerville, Yeaman, Hinkle and their men saw four men approaching them, and when they got close the officers recognized the four men as the thieves.

Two of the men ran into a wheat field, while the other two drew revolvers and went into a cornfield. Myers and Hinkle had a lively gun battle with the two men in the wheat field, who threw up their hands and surrendered. Yeaman and Bowers giving chase to the other two men had a lively pistol duel. One bullet of the thieves passed close to Chief Yeaman's head. One of these men was captured and the other got away for a time, but was finally caught hidden under a hop pen. The stolen machine was abandoned by the men, the tires were cut into ribbons, the wind shield broken, lamps and every part they could damage was broken. The car was stolen in Juniata county and the license tag was 227403 when stolen, but when found the number was 27403.

The men are in jail here. The car was found on a back road, where the thieves left it.
