

**EVEN MONEY ON THE BIG FIGHT**

**Trainer of Willard Says He Looks Unfit; Dempsey Seems a Favorite**

A distinct feeling prevails among boxing enthusiasts in Harrisburg that Willard's physical condition is being overrated and to-day a wire from Toledo says that Tex O'Rourke, who trained Willard for his fight with Johnson, bears out the sentiment which "Could hardly believe my eyes when I saw him," commented O'Rourke. "I had read some stories which spoke glowingly of his condition and I was looking out to believing them. The Jess Willard of to-day is far removed from the great gladiator that put the negro into the pugilistic scrap heap."

The referee will probably be chosen to-day with the arrival of Major A. J. Dresel Biddle, president of the Army, Navy and Civilian Board of Boxing Control.

The betting is even at this moment, but the odds are likely to be on Dempsey before the fight. Some lively betting started to-day, says Toledo reports, bookmakers taking all they could get at the time and have four choices. There is money on Dempsey but not on the way with Dempsey to risk on the champion.

There is much scheming and figuring being done in the light of percentage betting, sharpshiners trying to get in on the way with Dempsey to win, and then gambling on an early victory for Dempsey.

The general impression among people who bet for a livelihood is that Dempsey is a good bet if the fight ends quickly, but the odds are going mostly after five rounds, that his size and strength will tell the tale and that the Dempsey bout will be shot.

A newspaper writer who holds for New York, where most everybody is picking Dempsey, has wagered \$100 to \$1,000 that the challenger cops the crown from Jess, Kansas boxer in two sessions. He thinks Dempsey may roll Jess over in jigtime.

One man who is here to go broke on Dempsey before July 4, in the hope that he will be much wealthier July 5, was asked to-day how he expected Jack to get past that grease left of Willard so early in the conflict.

"Well," he said, "Fred Fulton was thought to have a greater left than Willard's, and Dempsey got inside of that and knocked out the plaster in eighteen seconds. He'll slip by the Willard left, which looks slow and cumbersome to me."

**Exit the Coffee Pot**  
Delicious, Fragrant Coffee in a Minute

The days of the bothersome coffee pot are over! The unpleasant task of emptying coffee grounds and scalding coffee pot are a thing of the past. Instant Soluble Coffee you can have a clear, fragrant cup of golden brown coffee in a minute — and with no bother.

Hires Instant Soluble Coffee is not a substitute for coffee. It is the clear, pure juice of the most carefully selected coffee beans of Java and Mocha blend, dried and made into powdered, soluble form.

Originally Hires Instant Soluble Coffee was made for our boys in France who had no facilities for making it. Sixty-six and two-thirds percent of all the trench coffee contracted for by the American Army was Hires Instant Soluble Coffee.

Because Hires Instant Soluble Coffee is instantly soluble in hot water, day or night. And if you prefer your coffee iced you can have it, for Hires Instant Soluble Coffee dissolves instantly in ice water. What is more, by an exclusive process, you are getting twice as much juice from the coffee bean as when you boil or percolate coffee.

Nor is there any waste. You don't have to throw away two or three cups that are generally left in the pot. A small can of Hires Instant Soluble Coffee is equivalent to a pound of the best Mocha and Java coffee. The low price is due to the fact that with our exclusive process we extract 100 per cent more juice from the bean than you can in making coffee in the old way. Get it at all stores.

He raised his mark from .284 to .319. Roger Peckinpaugh, New York, has climbed from ninth to second place, four points behind Ty Cobb, who continues to set the pace with an average of .358.

Ruth, who only advanced among the hitters, but cracked out his fifth home run, thereby breaking the triple tie in this department which he had with Sisler, St. Louis, and Roth Philadelphia. Peckinpaugh, besides his showing in batting has worked himself into a tie with Sisler, for scoring honors. Each has registered 32 tallies. Cobb and Weaver, Chicago, are close behind with 31 runs each. Cobb's speed in the last week has placed him in a tie with Roth for total base honors with 90 each.

Chapman, Cleveland, increased his lead among the sacrifices and now has 22 to his credit, breaking the tie which he and Vitt, Boston, were in last week.

Johnson's 17 stolen bases continued the Clevelander in the lead in that department. He has 20 since Cravath, Philadelphia, held his lead among National League batters with a mark of 481. He also is tied with Doyle and Kettuff, the New Yorkers, for total base honors with a mark of 87.

Olsen, Brooklyn, continued to lead the run makers with 30 tallies, while Williams, Boston, has 26, and the Philadelphia pair of Innes and Ketchum, who are tied with 25. **Marysville Still Leads Dauphin-Perry League**

The score and summary of the Marysville-Duncannon game:

DAUPHIN-PERRY STANDING	W. L. Pct.
Marysville	1 1 .500
Millersburg	4 3 .571
Newport	2 3 .400
Duncannon	1 5 .167

Saturday's Scores  
Marysville, 6; Duncannon, 2.  
Newport, 8; Millersburg, 4.

Marysville increased her lead in the Dauphin-Perry League on Saturday by winning easily from Duncannon by a 6-2 score on the Marysville field, while Millersburg was dropping a contest to Newport, on Millersburg soil, score 8-4.

Marysville got to Rosboro in the first inning and managed to push four runs across the platter with two infield hits, a single, a double, an error and a sacrifice hit. Rosboro was touched up lively during the four innings he was on the mound and in the fourth on a bass on balls, a triple, and a single, two more runs were added.

Garverich was substituted in the following inning and although no more runs were scored by Marysville neither Garverich nor Noss, who followed, displayed much form. Garverich in the two innings in which he was on the mound, yielded one hit, walked two batsmen and hit Rosboro. Hevier, on the other hand, was an enigma for the Duncannon batsmen and Duncannon managed to secure but five hits, one an infield safety.

Both teams played a comparatively good game in the field, each having two errors. Neither of the Marysville misuses figured in the scoring. But Walter's error in the first inning, Marysville misplayed. Orris led the Duncannon team on the field while the Marysville infield shone, accepting 27 of 28 chances. Moore's stick work featured the contest, the fast Marysville second sacker, getting three hits and a base on balls out of five time up. Of the three hits, one was an infield hit, the second a clean single and on the third hit got three bases when Garverich fielded his drive to center-field slowly.

In the game at Millersburg, Newport showed a complete reversal of form from that shown in the previous Saturday against Marysville, and fought the Dauphin coustians from start to finish. Manning, on the mound for Perry coustians, muddled Millersburg batsmen considerably with his underhand delivery. Salada was hit hard by Newport. A triple play and two double plays, all by Newport, featured the contest.

**Klein Chocolate Team Shows Quaker Fans It Is No Ruber; Three Games Won in Tour**

**High Class MAJESTIC**

The Klein Chocolate Company's baseball team, which is juzzing up the whole State, took a swing round the bases, winding up yesterday at Lancaster with the Eighth Ward team. Manager Breckenridge dropped into the sporting editor's office to-day a little tired, but exuberant. "The Strawberry and Clover team at Philadelphia on Saturday thought we were a lot of rubes from upstate," he narrated, "but when they saw we played big-league ball you never did see such a change in a mob of fans." Klein team includes nearly all well known leaguers and can hold its own with the best clubs in the land.

The first battle was on Friday, up the Hudson, on a picnic jaunt, against the Charns Candy team of Newark. Score, 3-2. Manager Breckenridge found plenty of extra doughnuts and chicken to ice cream, but his veterans held up in this luxury, and although the Charns Candy team had hired an entire squad of professionals for one, this bunch felt like all the other challengers.

On Saturday Strawberry and Clover, Philadelphia, tumbled to the tune of 8-1.

A crowd of 2000 people saw "Louie" Walsh, the big first baseman make the longest hit ever made on their grounds for a home run, scoring two men ahead of him, for which he received a box of Klein's chocolate almond bars and \$50 from the Klein firm. They never went for the ball. Sunday at Lancaster the Klein team defeated the Eighth Ward club, score 7 to 1, before a crowd of 4,000 fans.

**WOMEN AID IN ALBANIAN RELIEF**

Work Under the Direction of American Physicians and Red Cross

Durazzo, Albania, June 23.—Nearly a hundred American women physicians, fieldworkers and social workers are now at work in Albania under the direction of American physicians and Red Cross officers. The Italian authorities have given the American Red Cross and the Army Food Mission representatives in Albania assistance.

Twenty-three members of the Red Cross units are at Tirana. Here an American dispensary has been set up and thousands of sick Albanians have been treated. A "delousing" plant also is in operation and hundreds of gallons of disinfectant have been used in the treatment of scabies and skin diseases due to vermin and filth.

A hospital also has been established under American management at Tirana and in addition nurses visit hundreds of sick in their homes in the mountains. The Red Cross also is supporting an orphanage and a sewing room where native women are given employment while at the same time making clothing for their families.

Red Cross work of a similar nature is being carried on at Durazzo, Elbasan, Scutari and another group of workers has been sent into the Argencyro district to furnish emergency relief to Albanian-speaking Greeks.

One of the members of the Commission to Albania is an American woman dentist, Dr. Mary J. Hyndman, of Philadelphia, who is quite an object of curiosity to the natives. Many Mohammedan women who refused to have their teeth attended by American male doctors bear their tortures without a murmur in Mrs. Hyndman's chair.

**Preaches Farewell to Graduates of Bucknell**

Lewisburg, Pa., June 23.—Dr. John H. Harris, the retiring president of Bucknell University, preached his farewell farewell sermon in the farrowell graduating class here yesterday. The service was held in the First Baptist Church, as usual, and was attended by about 800 guests of the college commencement and relatives of the Seniors.

The academic procession, prior to the ceremony, included the trustees, faculty, graduates and executives of the institution. While the line was slightly smaller than that of the pre-war days, the size of the graduating class was regarded as exceptional in view of the number of her sons that Bucknell sent to the front last year.

Dr. Harris presided the spirit of Bucknell men on the battlefield, alluding to the bravery of Captain Charles O'Brien, of the class of 1909, who, although severely wounded, called to his company; "Come on! come on boys. We will go through." O'Brien and his men did go through, said Dr. Harris, but he and many more were stopped by Hun bullets and were still forever.

"In the words of O'Brien, the old spirit of Bucknell spoke in tones that will echo through her halls forever," declared Dr. Harris.
