Communists and Spartacans in Complete Control of the City

Hamburg, June 27.—Hamburg threatens to become a second Munich, with even greater bloodshed. The city is completely in the power of the Communists and Spartacans, who are utilizing food riots as a means for their attempts to gain control. In the rioting Wednesday they stormed the city hall and overcame the government troops capturing quantities of ammunition, rifles and machine guns. They then swept over the entire city, plundering, killing and destroying.

COUPLE ELUDES WAITING GUESTS

Bride Escapes Through Loose Panel in Wall and Gets Start of Pursuers

After the marriage of Miss Josephine Mathias and the Rev. Paul E. V. Shannon Wednesday afternoon in the Highmore United Brethren Church, an informal reception was held at the home of the bride's parents, Mr. and Mrs. F. K. Mathias. Later a group of old friends anxiously awaited the appearance of the newlyweds in traveling attire, ready to shower them with confetti and play many pranks on them.

Their automobile stood at the door for a long time, and at last it was discovered that the bride had escaped from her room by a loose wall panel and then with bridegroom had made a fine get-away with a three-mile start on their would-be pursuers.

A real college romance culminated in the wedding ceremony performed by the Rev. Dr. S. F. Daugherty, of Anville, the pastor of the couple during their college days at Lebanon Valley. It was interesting to know that the date was that of the thirty-ninth wedding anniversary of the bride's parents.

The bride wore ivory white crepe meteor with tulle veil fastened with orange blossoms and carried a shower bouquet of bride roses and sweetpeas. The three bridesmaids, Miss Margaret Moser, of Highspire; Miss Ora Lichtenberger, of this city, and Miss Esther Samson, of Minny, wore white crepe de chine frocks with sashes of blue, yellow or pink in rainbow effect, carrying flowers to correspond with their ribbons.

The honeymoon will be spent in New York State and after July 1 the Rev. and Mrs. Shannon will be "at home" to their friends in Dayton, Ohio, where he is completing a seminary course.

Miss Murray Is Bride of H. Raymond Trout

He is a mechanical dentist, connected with the Harrisburg Dental Laboratory, 204 Market street. The bride was a stenographer in the offices of the same company.

IF THIN AND NERVOUS, TRY PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

When one stops to consider the host of thin people who are searching continually for some method by which they may increase their flesh to normal proportions by the filling out of the hollows, the rounding off of protruding angles with the attendant bloom of health and attractiveness, it is no wonder that many and varied suggestions along this line appear from time to time in Public Print.

While excessive thinness might be attributed to various and subtle causes in different individuals, it is well-known fact that the lack of sufficient phosphorus in the human system is very largely responsible for this condition. Experiments on human and animal by many scientists have demonstrated beyond question of doubt that a body deficient in phosphorus becomes nervous, sickly and thin. A noted author and professor in his book, "Chemistry and Food Nutrition" published in 1915, says: "that the amount of phosphorus required for the normal nutrition of man is seriously underestimated in many of our standard text books."

ARTIST IS AMONG THE JUNE BRIDES

Miss Mabel Arnold Weds Harry Hollinger, Who Served Overseas

One of the prettiest of June weddings was that of Miss Mabel Arnold, daughter of Mr. and Mrs. John S. Arnold, 1509 Market street, to Harry H. Hollinger, of this city, the ceremony taking place at the bride's home under an arch of roses, with the Rev. D. S. Kepner, of the United Evangelical Church, Mechanicsburg, as a life-long friend of the family, officiating.

The bride, who was given in marriage by her father, wore an attractive frock of overseas blue chiffon tulle and carried a basket of bride roses. She was attended by Miss Gladys Benedict, of Waynesboro, as maid of honor, wearing a delicate green gown and carrying sweetpeas. The flower girls, the little Misses Reba and Ruth Eberole, nieces of the bride, wore pink and blue frocks and carried baskets of summer flowers to scatter before the bride. Nathan Hollinger, of Columbia, S. C., was best man for his brother.

A wedding breakfast was served before the couple left for a wedding trip to Niagara Falls, Philadelphia and Atlantic City. They will make their home here.

NO NEED TO BE THIN, SCRAWNY OR SALLOW

If you are thin and want to be plump; if you have wrinkles in your face that you are not proud of; if the skin is sallow or subject to pimples or blackheads, take Mi-o-na stomach tablets for two weeks and notice the change.

The majority of the thin people are thin because the stomach does not perform its duties properly. It is not secreting sufficient of the natural digestive juices and in consequence does not extract from the food enough nutritive matter to nourish every part of the body.

Mi-o-na stomach tablets are intended to build up the stomach so that it will act properly and extract from the food, the elements necessary to form flesh.

If you are thin try two weeks treatment of Mi-o-na stomach tablets — they are small, easily swallowed and are sold on the guarantee of money back if they do not overcome chronic indigestion, acute or chronic, stop stomach disturbance, belching, heartburn, sour stomach, and any after dinner distress.

Why You Are Paying War-Prices In Peace Times

The serious concern about the mounting costs of necessities was shown not long ago when twenty-six Democratic members of the Massachusetts legislature cabled to President Wilson that "The citizens of the United States want you home to help reduce the high cost of living which we consider far more important than the League of Nations."

A man's suit of clothes that cost \$15.00 in 1914, costs \$26.00 today; shoes that were \$9.00 in 1914 cost \$15.50 now; a woman's suit that cost \$15.00 in 1914 is \$24.00 today; every item in both men's and women's wearing apparel has nearly doubled in price, while food, shelter, fuel, heat, and light have soared to equally high levels. This condition prompts the Detroit News to declare that "what the eating, sleeping, and dressing world wants to know is whether the cost of necessities is justified?" The consumer finds it hard to understand, according to the Buffalo Evening News, "why six months after the end of fighting, prices instead of taking a fall, are forever rising."

THE LITERARY DIGEST presents this week in its leading article a comprehensive survey of the elements affecting present living costs; comparative tables showing the difference in prices of many articles in 1914 and today, the opinions of bankers, merchants, and manufacturers as to the future outlook, and the observations of editorial writers throughout the country on the situation. This article should be of practical value to every DIGEST reader.
