ST. MARY'S JUNIOR BREAKS IN LEAGUE WITH VICTORY

Swatara narrowly escaped a shutout last evening when the St. Mary's
Juniors, of Steelton, made their
initial appearance with one of the
fastest teams of that town, and
walloped Swatara by a 7-to-1 score.
Kurtz was hit hard while Lauder
managed to keep his hits well scattered. Swatara scored its lonely run
in the last inning, when Motter
walked, stole two bases and scored
on a passed ball.

This evening Swatara plays East
End in a postponed contest.

The Engineers and Firemen have been going a fast clip lately and it is a known fact that they will be hard to beat. They have the heaviest hitting team ir the W. E. T. League and have four of the fastest base runners in the league in Rote, Hoover, Boss and Madden; in fact they are considered about the best in Dauphin county. The West End management has everything in readiness to handle one of the largest crowds of the season. There will be lots of loyal rooters on hand for both teams. It is understood that every available railroad man will be on hand to do the rooting and help bring the bacon to the Engineers and Firemen. The West End aggregation is in fine form and every man on the team will be out to win. The probable batteries will be for Engineers and Firemen, Gliday, Eveler and "Fattie" Dill; for West End, Eucker, Levan, Stricker and Knight, Cocklin and Cunningham.

To-morrow's Game
Millersburg at Marysville.
Duncannon at Newport.
Two interesting games are promised in the Dauphin-Perry League to-morrow, when Millersburg will line-up against Marysville at Marysville, and fight to crawl to within one-half game of the lead, and Duncannon Journeys to Newport to meet her old rivals, Newport.

Because of the fact that a defeat for Marysville will tighten up the league race considerably, probably more interest centers in this contest to-morrow. Millersburg wants this

Because of the fact that a defeat for Marysville lighten up the league race considerably, probably more interest centers in this contest to-morrow. Millersburg wants this game badly, and so does Marysville. Each promises to send on their best combination.

"Dick" Salada, who was on themound in the previous contest in which Marysville was conquered at which time he allowed but, four scattered bingles in six innings, will be Manager 'Bud' Frye's harding selection. Kerr will be on the receiving end. "Bob' Bowman, the league's leading clubsmith, who did not appear at Marysville in the first contest there, will cover the interesting and he is now proving a sensation on the first sack and at the bat. Hereturned home several months ago, after serving overseas with the Seventy-ninth Division.

Just who will be on the mound tomorrow afternoon for Marysville, is somewhat uncertain. But with the old reliable Harry Blever on hand, Marysville fans are confident that some interesting results. Frank Hart who hurled Marysville to a pennant in 1915, after which he was with the Philadelphia Athletics, in the South Attiantic League and with Duncannon of the Dauphin-Perry part of one season, will be on hand and may be sent in overseas only several house ago. Earl Killinger will be behind the bat. Marysville's regular incury will be used.

With Millersburg leading the league in hitting and Marysville only a few points behind in second place, some interesting heavy artillery demonstrations may be expected. *Hawler will be the umpire.

Newport is anxious for revenge from Duncannon for the first defeat handed them in the first meeting of the season and a hotly contested game may be expected when the season will provide the season and a hotly contested game may be expected when the season will provide the season and a hotly contested game may be expected when the season and a hotly contested game may be expected when the season and a hotly contested game may be expected when the season and a hotly contested game may be expected when th
