

CITIZEN FIRE CO. GREET'S RETURNED ARMY VETERANS

Men Who Served Overseas Are Welcomed by Old Organization

With a banquet, speeches, music and recitals of war experiences by the men who were in the World War the Citizen Fire Company, No. 3 last evening at a reception at Maenner-for-Hall, North and Church streets, showed in a fitting manner its appreciation of the services of seven-teen members who were in the World

War. Several of the men are still on foreign soil, in the United States Army, and it is uncertain when they may return. For that reason the testimonial to their work was held last evening and was attended by those who have already reached home. About sixty members assembled at the hall last evening and an enjoyable time was spent. President Charles P. Meek presided and acted as toastmaster. The address of welcome to the firemen-soldiers was made by Mayor Daniel L. Keister, and was responded to on behalf of the soldiers by Edward Wert, who was a member of Company H, One Hundred and Eleventh Regiment, Twenty-eighth Division. Addresses were made by Howard O. Holstein, Harry E. Meek, Richard Kurzenknecht, Luther I. Shoop, Theodore Zelders and other members. Interesting stories of the work of the Army in the various sectors in which the Pennsylvania Division performed such valiant service were told by William Clush, Charles E. Shaffer, John Wolfe and others of the returned soldiers. Kurzenknecht's Orchestra furnished music, and an excellent quartet sang several selections. An enjoyable repast was served. The committee in charge of the affair consisted of James Brady, Frank Fagan, William Wolf, Edward Wert, Harry F. Ellis and Luther I. Shoop. The Honor Roll of Citizen members contains seventeen names, as follows: Louis E. Houseal, who was killed in an airplane accident near Shrews-

Annual Store Picnic Voted a Big Success

All of the employees of Soutter's Twenty-five Cent Department Store and their friends voted the annual store picnic at Hershey Park yesterday a huge success. Notwithstanding the fact that there was a downpour of rain as the crowd left for the park, and also upon their return last night, Jupiter Pluvius was kind during the afternoon and evening and permitted the picnickers to carry out their amusement plans.

Epworth Church Plans Splendid New Building

The congregation of the Epworth Methodist Episcopal Church is planning the early erection of a new building on the site of the present structure at Twenty-first and Derry streets, at a cost of approximately \$45,000. A subscription campaign will be instituted within the next month and a gift of \$20,000 has been promised toward the building fund by the Home Mission Board of the Methodist Episcopal Church. Need for additional room has been felt by the congregation for several years and it had been planned to erect a \$15,000 building during the fall and winter of 1917-18, but various restrictions operated to prevent the execution of the plan at that time. "Building Fund Subscription Day" will be observed by the congregation on July 27, when it is hoped to secure pledges of \$25,000. An incense year from date, as the congregation's share in the building fund. It is planned that the new structure shall have double the seating capacity of the present building, which seats 500 people. It was built more than thirty years ago. Further building plans are not well defined at this time.

Methodists Undaunted by Clouds at Picnic

Scores of members of the Sunday schools of the Fifth Street and Epworth Methodist Episcopal Sunday schools, have gone to Hershey today to attend the joint picnic of the two schools. Many left by automobile truck this morning while others went by automobiles and trolley cars, while still others are expected to leave during the afternoon. An interesting program of games has been provided.

STATE BAR HEARS ANSELL'S CHARGE

Ex-Acting Judge Advocate Repeats Attack on Courts-Martial System of the Army

JESSE E. B. CUNNINGHAM

Bedford Springs, Pa., June 27.—The address of Lieutenant Colonel Samuel T. Ansell, formerly acting judge advocate of the Army, on the subject, "Military Justice," delivered at the forenoon session of the Pennsylvania Bar Association, was pronounced by Attorney General Schaffer, president of the association, one of the best presented during the twenty-five years' history of the organization. In recognition of the excellence of the address Colonel Ansell was made an honorary member. Among the charges made against the military code by Colonel Ansell are that it is reactionary; that it disregards evidence and that it attempts to establish discipline through the medium of fear. He declared the military mind, personified in the courts-martial, is intolerant of all protective principles and of all rules governing a trial, and particularly so of the rules of evidence. According to Colonel Ansell, the professional officers of our Army, with one accord, believe with Napier, the former British authority, that the business of courts-martial is not to discuss law, but to get at the truth by all means in its power. Officers Are Chosen The forenoon session was completed by the annual election of officers. E. J. Fox, of the Northampton bar and former justice of the Supreme Court, was elected president; Jesse E. B. Cunningham, Dauphin; John A. Nauman, Lancaster; Paul H. Galtner, Westmoreland; John S. Rilling, Erie, vice-presidents; Harold B. Bettler, Philadelphia, secretary; Samuel E. Baschore, Mechanicsburg, treasurer. The executive committee chosen is: M. W. Chamberlain, Northumberland; Watson R. Davidson, Franklin; Edward B. Farr, Wyoming; John M. Harris, Lackawanna; Henry Hipple, Westmoreland; George Hay Kain, York; Evan C. Jones, Luzerne; William J. Kyle, Greene; Robert F. Shick, Philadelphia; William Watson Smith, Pittsburgh; J. Benton Weeks, Delaware.

AMERICANS LOST 120,000 MEN IN ARGONNE FIGHT

Casualties Were Ten Per Cent. of Total Number of Men Engaged

By Associated Press.

Washington, June 27.—American casualties during the forty-seven-day Meuse-Argonne offensive aggregated 120,000 men, or ten per cent. of the total of 1,200,000 engaged, according to a "statistical summary of the war with Germany," prepared by Colonel Leonard P. Ayres, chief of the statistical branch of the general staff, and published by the War Department. "Of every 100 American soldiers and sailors who took part in the war with Germany," the report said, "two were killed or died of disease during the period of hostilities. In the northern army during the war the number was about ten. Among the other great nations in the war, between twenty and twenty-five in each 100 called to the colors were killed or died."

SAVED FROM BURIAL ALIVE

Trenton, N. J., June 27.—For nearly 20 minutes last evening a dozen men worked frantically in an effort to save the life of Benjamin, 11-year-

old son of Myer Abramowski, who was buried beneath five tons of sand. He was finally found, apparently lifeless, but was resuscitated by a pulmonologist, and is now in St. Francis' Hospital, with fair chances of recovering.

To Make Hairs Vanish From Face, Neck or Arms

Keep a little powdered delatone handy and when hairy growths appear make a paste with some of the powder and a little water, then spread over hairy surface. After 2 or 3 minutes rub off, wash the skin and it will be entirely free from hair or blemish. This simple treatment is unailing, but care should be exercised to be sure and get genuine delatone, otherwise you may be disappointed.

AUTO OVERTURNS

Presence of mind on the part of Charles Barbush, a chauffeur for the Penn-Harris Taxicab Company, saved himself from injury yesterday when his automobile turned over at Speeceville. He had taken a party of inglenooks and was enroute to this city when the accident occurred. The road in the vicinity of Speeceville which is undergoing improvement, requires care in handling an automobile at that place. The large car started to skid, and in order to prevent it turning over and going down a steep embankment Chauffeur Barbush remained at his post and managed to steer the car to the opposite side of the road. The car turned over and was badly damaged. No one was hurt. The car was brought to Harrisburg to-day for repairs.
