

STATE IS OILING MANY HIGHWAYS

Enormous Quantities Being Used on Main Traveled Now

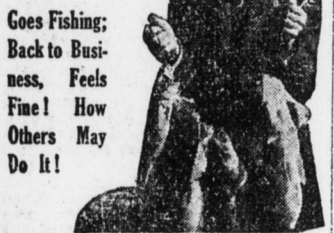

More oil is to be placed on the highways of Pennsylvania this year than during the whole of 1917 and 1918, according to announcements made at the State Highway Department which recently ordered 5,000,000 gallons. About one third of this immense quantity has already been spread and the rest is being shipped to localities to be improved. The Department is using thirty trucks to distribute the material.

AT LAST!

Finds Cure for Rheumatism After Suffering Fifty Years!

Now 83 Years Old—Regains Strength and Laughs at 'URIC ACID'

HOW IT HAPPENED "I am eighty-three years old and I doctored for rheumatism ever since I came out of the army over fifty years ago. Like many others, I spent money freely for so-called 'cures,' and I have read about 'Uric Acid' until I could almost taste it. I could not sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. But now I am again in active business and can walk with ease or write all day with comfort. Friends are surprised at the change."

HOW OTHERS MAY BENEFIT These statements may seem strange to some folks, because nearly all sufferers have all along been led to believe in the old "Uric Acid" humbug. It took Mr. Ashelman fifty years to find out the truth. He learned how to get rid of the true cause of his rheumatism, other disorders and recover his strength from "The Inner Mysteries," a remarkable book that is now being distributed free by an authority who devoted over twenty years to the scientific study of this trouble. If any reader of the Harrisburg Telegraph wishes a copy of this book that reveals startling facts overlooked by doctors and scientists for centuries past, simply send a postcard or letter to H. F. Clearwater, 127 E. Street, Hallowell, Maine, and it will be sent by return mail without any charge whatever. Cut out this notice lest you forget! If not a sufferer yourself, hand this good news to afflicted friends.

HOME WEDDING AT MARYSVILLE

Secretary of Perry County Sabbath School Bride of George W. Hain

MARYSVILLE, Pa., June 28.—Miss Emma Elizabeth Roberts and George W. Hain were married on Thursday evening in a pretty home wedding at the home of the bride's parents, Mr. and Mrs. W. L. Roberts, in Dahlan street, by her pastor, the Rev. Ralph E. Hartman, of Trinity Reformed Church.

The bride, who was given in marriage by her father, wore a white georgette gown and tulle veil, arranged with white sweetpeas and liberty flowers. She was attended by her sister, Mrs. A. B. Donahue, and her niece, Miss Shirley Louise Roberts, was flower girl. Charles Dasher, of Harrisburg, was best man. The wedding march from "Lohengrin" was played by Miss Hazel Hain, a sister of the bridegroom and Edgar Roberts, brother of the bride, sang "O Promise Me."

The bride is a graduate of the Marysville High school, class of 1907, and is corresponding secretary of the Perry County Sabbath School Association. Mr. Hain, a graduate of Harrisburg Central High, is a railway mail clerk. After a wedding luncheon, Mr. and Mrs. Hain left for Niagara Falls and various cities in Canada.

TRACITION MEN ROSE SESSION

All Officers Re-elected; Higher Transportation Costs Discussed

"We are not a court of justice, but a commission to take up with you the problems of the transportation industry from time to time and help you work them out to the best interest of the people and to yourselves. We want to do the best for all parties concerned." These were the words spoken by William D. Ainey, chairman of the Public Service Commission. He was one of the speakers this morning at the session of the Pennsylvania Street Railway Association. His subject was, "Street Railway Problems."

After referring to some of the problems that come up from time to time and to the interesting paper on passenger traffic read at the opening of the morning session, Mr. Ainey took up the transportation problem. He commended the plans suggested for betterment of traffic, and to the methods of ascertaining how best the people may be served, and said in part:

"You should go after the people who do not ride and plan inducement to get them to ride. Measure the distance and educate the public to the belief that riding is more profitable." The speaker also called attention to the complaints that come from telephone and how often they are irritating. He reminded the delegates that they, too, become irritable at times, when they fail to get a response to a telephone call, and if they could see how busy the girls in the telephone exchanges were in trying to give the service they would not feel so irritable. Talk over the complaints with the complainants," said Mr. Ainey.

Referring to rate increase Public Service Commissioner Ainey said there were no objections to an increase in the transportation problem. The increase was absolutely necessary and beneficial to the people and to the stockholders as well. Those who operate railroads are entitled to a return for their investment. There should be no discrimination. Differences in fares where it does not injure any locality are satisfactory. Efficiency in operation was also urged.

The question of a meeting place for next year was referred to the Executive Committee. These officers were re-elected: President, Gordon Campbell, York Railways Company; vice-president, T. B. Donnelly, West Penn Traction Company; secretary and treasurer, Henry M. Stine, Harrisburg Electric and Light Company. Executive Committee.—Gordon Campbell, T. B. Donnelly, C. L. S. Tingley, American Railways Company; C. B. Fairchild, Jr., Philadelphia Rapid Transit Company; Thomas A. Wright, Wilkes-Barre Railways Company; Thomas Cooper, Westinghouse Electric and Manufacturing Company.
