NEW PARK PLOT MEETS WITH GENERAL FAVOR

Superintendent Downes Endorses Project Without Reservation, and Board Members See an End to Vexing Problems

MANNING HAS DRAWN PLANS FOR THE PARK

There was very general approval throughout the city today of the comprehensive and attractive proposition submitted to the City Council and the School Board by the City Planning Commission. It is universally considered as another big step forward in the development of Harrisburg. In the public mind not only does it contemplate an available and proper site for the modern university high school project, but provides for another fresh-air resort in the Italian Park and lake plan for the rapidly-increasing population of the western section of the city.

A Generous Offer Among those who are able to judge of real estate values the offer of the McKee-Graham estate is looked upon as an unusually generous one which ought to be accepted without the slightest hesitation.

The original owners of the McKee-Graham property were residents of Harrisburg and they have maintained right along an interest in the development of the city.

Police Chief Wetzel issued a warning saying that householders are apt to leave windows and doors open during the warm weather.

GERMANS EXPECT TO RATIFY PACT EARLY IN WEEK

Peace with the smaller allies of Germany moves slowly at the Paris board. It is expected that the Germans will ratify the treaty the beginning of next week, according to a note sent to the Allies. The note was an acknowledgment that the blockade will be relaxed when the treaty is ratified. In the note the Germans also expressed the hope that German war prisoners would be released at the same time.

TRAIN TERMINAL AFIRE AS SPARK IGNITES GREASE

Hundreds of Lives in Peril Are Saved by Work of New York Firemen

New York, July 2.—Fire at the south ferry terminal of the city's elevated structure to-day destroyed one train and part of another. Both trains were carrying passengers.

The flames are believed to have started when an electric igniter ignited grease which had accumulated under one of the cars, spread to the building which serves as the terminal for the municipal ferries from Staten Island and South Brooklyn.

PROSPERITY WAVE SWEEPING NATION, SAYS U. S. REPORT

Prices Rising With Enormous Demand For Goods of Every Description

GOOD TIMES ARE AHEAD Mills and Factories Booming With Heavy Orders and New Business

Optimism as to the business outlook, reported to-day in the Federal Reserve Board's monthly statement of conditions recorded by local members was tempered with renewed warning against undue speculation. "In nearly all the districts," the Board's statement said, "the opinion is entertained that the prospects for a successful and prosperous year, with very large outputs of goods and almost unprecedented financial returns both to manufacturers, agriculturists and laborers, now are positive. The possibility that speculation may be carried too far and may exert an injurious influence, aided and furthered by the existence of free credit and speculative tendencies, appears as the principal offsetting influence in the situation."

Prices continued to rise throughout June, the Board's statement showed, and enormously heavy demand for goods for export had rendered products in many lines scarce. In nearly all districts it was reported business men had decided they could rely upon heavy demand and continuous.
