Luke Gladek, scoutmaster; Trinity Troop, Sergeant George S. Parrill, scoutmaster. Two colored troops are now forming. The first great project of the local council will be to make arrangements for a week's camping trip for all the local troops. No place or date has been definitely decided, but Stoverdale the first week of August will probably be chosen. A small fee will probably be asked from each camper. A number of local merchants have already expressed desire to help in furnishing food for the camp.

PLANT TO OBSERVE INDEPENDENCE DAY

While no definite announcement has been made as to working on the Fourth, it has been said this morning that in all probability all the departments that can be closed down for the day will observe the holiday. The blast furnaces, open hearth and the 24 and 26-inch mills will work.

ALL DEPARTMENTS JOIN HANDS IN NEW YORK

Washington—Virtually every government department in Washington had added a new field to its ordinary activity—finding employment for the men who are being discharged from the army and navy. Secretary Lane, of the department of the interior has placed his entire machinery, including 15,000 field representatives, at the disposal of Colonel Arthur Woods, assistant to the secretary of war, and has instructed every member of the department to assist to the utmost of his capacity in "placing the soldier without a job into the job without a soldier." Similar action has been taken by the department of agriculture, with its field force of 24,000 men, the postoffice department, the department of labor and the navy department.

The scope of the work may be estimated from the fact that the army alone returns from 200,000 to 300,000 men every month to civilian life.

BIG PARADE TO FEATURE FOURTH

Steelton Will Celebrate Victory on Morning of Independence Day

All arrangements have been completed for the Victory celebration to be held in Steelton on the morning of Independence Day. The celebration is to be one of the biggest affairs ever attempted in the borough. There is to be a parade in the morning at 9:15. In the parade there will be about fifteen bands, veterans of the World War, patriotic organizations, Boy Scouts and fire companies. Practically every Steelton lad that has so far returned from the war will be in the line of parade. The route of the parade will be published to-morrow.

Immediately after the parade there will be a program on the Lawn playgrounds. The chief speaker will be Charles E. Pass, who will be introduced by Borough Solicitor F. B. Wickersham. The program will include music by the combined bands, community singing and a few novelties as a surprise. One of the features of the parade will be a blackface quartet which will sing throughout the parade and will also lead the community singing in the playgrounds.

Colored Soldiers' Club Will Open Tomorrow

The newly-organized Club For Colored Soldiers of Steelton will throw open its doors to-morrow evening at 8 o'clock. The quarters of the club have been located in the Odd Fellows' building in Adams street. The entire building has been renovated and made into one of the finest club buildings in the State. The rooms have been thoroughly equipped. Pool tables have been installed and all other equipment necessary to a club secured. At the opening of the rooms to-morrow evening a splendid program will be given. Addresses will be made by prominent citizens of the town. Among the speakers will be Prof. McGinnes, F. B. Wickersham and Burgess McEntee. Members of the Borough Council and of the School Board have been invited to attend. An invitation has been extended all colored people of Steelton and Harrisburg.

DAUGHTERY WILL PROBATED

The will of James Daugherty, late of Steelton, was probated to-day and letters testamentary were issued by Register Edward H. Fisher to John W. Daugherty and Katharine A. Daugherty, a son and a daughter. The entire estate, valued at \$25,000, is given to the family.

FARMER ASKS \$500 PER ACRE

George Shreiner, a Lower Paxton township farmer, told the County Commissioners he wanted \$500 for about an acre of his ground, which is to be taken to straighten the road which the State will permanently improve this year.

NOT AT HIS HOME

The seven grade was having its first lesson on personal pronouns and the teacher had drilled earnestly on the relation of the speaker, person spoken to, etc. Then she asked William to give the person of several pronouns. He got along splendidly until he came to the pronoun "who," and then he hesitated. "Look at its antecedent—mother—that governs the person," explained the teacher. "Now tell us what person it is." "First," came William's laconic answer. "No, indeed," protested the teacher. "Mother is the third person—the person spoken of." "Not at our house," persisted William, and continued his parsing, repeating "First person" with more emphasis.—Indianapolis News.

WONDER OF WOMAN IS DEEPLY STIRRED

Mrs. Minnie Anderson, 32 North Edgewood street, Philadelphia, said: "I was suffering from nervousness. I had what felt like a lump in the throat. My circulation was poor and my heart action was not strong. Mrs. Reichert, a neighbor, recommended Tanlac. I bought some and now I am much better in every way. Can anyone wonder I praise Tanlac every chance I get?" The genuine J. I. Gore Co. Tanlac is sold here by Kramer's and Stever's and other leading druggists.

"The Live Store"

"Always Reliable"

Store Closed All Day Friday

What a wonderful week at Doutrichs--Every Day This "Live Store" sees many new customers who are coming HERE to take advantage of the extraordinary values in "Good Clothes" we are selling during our

July Clothing Reductions

There's every good excuse for any man coming to Doutrichs for his clothes. In the first place, there is an endless variety to choose from. The best clothing that's made in America. The kind you know will give complete and lasting satisfaction. Then you are not limited to a few at Reduced prices, for Here our entire stock is included (except Palm Beaches). It's a mighty unpleasant thing for a customer to go into a store after reading about reductions then find out that a certain few have been mixed up with a cheap lot of sale goods.

That's where we win out every time, our customers know we place the entire stock at their disposal--We know you can't satisfy a customer by trying to make him like what "nobody else wants" -- We're making friends and permanent customers of those who come Here for the first time because they appreciate the way we do business. But we don't feel satisfied unless we have done more for the customers than they have been used to getting elsewhere. When you come Here you'll find all of

Hart Shaffner & Marx, Kuppenhimer & Society Brand Clothes

Included in our July Reductions--It doesn't take a man very long to realize that this "Live Store" is the logical place to buy clothing. A very convincing argument in favor of buying at Doutrichs is our enormous purchasing power, which enables us to get price concessions from the manufacturers, which we in turn pass to you. That's why we can give you greater values than an ordinary store. But now, regardless of the steadily increasing clothing prices, we are disposing of every suit in our entire stock in order to make room for new Fall stocks. Our policy is to begin the next season with everything new.
