

Call of the Sawdust and Pink Lemonade Felt by Thousands

The elephants, camels, cowboys, beautiful women 'everythin' held sway yesterday in Harrisburg. Everybody, from grandpa to the youngest, felt the call of the sawdust and pink lemonade and just naturally couldn't stay away from the circus grounds.

Big Yield Expected in Mountain Peach Belt

Waynesboro, Pa., July 5. — The prospects for a bumper crop in the South Mountain peach belt are exceedingly bright this year from all accounts, especially in the Midvale and Smithsburg, Md., sections. Jacob F. Good, of Midvale, says that he expects the peach shipment this season will aggregate sixty carloads from Midvale, the first shipment of early peaches probably being made about the 15th of this month. The fruit is fine in size and of corresponding quality. The apple crop will also be large.

SNYDER GETS IN THE BACK TAXES

Over Two Million Dollars Collected in Eighteen Months' Time

Over half a million dollars in delinquent State taxes, some of them owing for a couple of years, was collected during the first eight months of 1919, according to a summary of collections issued by Snyder. These collections, which were made through the bureau of collection of back taxes established on January 1, 1918, for gathering in money long due the Commonwealth, have amounted to \$2,216,631.44 in eighteen months. Several accounts more than four years old were cleaned up and the money secured for the State Treasury.

DECLARES KAISER WILL BE TRIED

Other Germans Who Committed Outrages Will Also Be Arraigned

London, July 5.—Premier Lloyd George in a speech before the House of Commons declared that the former German Emperor and other German officials, believed to have been responsible for the war, will soon be placed on trial before a British tribunal. It was the intention to make such an example of Germany as to discourage others from "ever again attempting to repeat this infamy."

nearly an equal number burst into laughter. "I beg of you to try it. I beg of you to take it seriously," the Premier protested. Proceeding, he said: "If it saved only one generation from the horrors of war it would be a great achievement." One member shouted: "Nobody wants it." The Premier paid special tribute to the work of the British expert advisers, which, he said, had been the object of the admiration of the nations at the conference and ended with an appeal for the Victory Loan with one of his typical flashes: "Don't demoralize the spirit of patriotism."
