Engines of R-34 Being Overhauled Today and Fuel, Water, Ballast and Hydrogen Are Taken on; Ready Tonight

By Associated Press. terday from newspapers and private Mineola, N. Y., July 8.—The en-forced stay of the giant British dirigible R-34, made necessary by unfavorable weather reports cover-ing the next forty-reight hours and repairs to her motors, brought hun-dreds of visitors to Roosevelt field to-day. The big airship will not take off on her return trip across the Atlantic ocean until after dawn to-morrow. In making the an-nouncement concerning the return cruise, Brigadier General E. M. Maitland, special representative of Maitland, special representative of R-34. The sarly starting before sunrise the temperature is not so high as to effect the petrol sup-ply. By starting before sunrise, Ma-jor Scott explained, he would be enabled to take on 4,500 gallons of fuel—"not enough to play about with," he added, but a sufficient R-34 would start to-morrow morn-ing, "wind or no wind." Mineola, N. Y., July 8 .- The en- individuals marked for transmission

Begin Tomorrow Morning Two pages of this paper are de-voted to the story of the Mill and Factory Sale, the big semiannual merchandising event of the Dives, Pomeroy and Stewart store which begins to-morrow morning. On each succeeding occasion heads of departments vie with one another to surpass preceding sales in import-ance of items and consequent vol-ume of business, and the present event is no exception. Tor weeks buyers have been in constant touch with manufacturers, making frequent visits to the markets snapping up mill and factory surplus stocks wherever price con-cessions could be obtained. This has been followed out in every de-partment and the result of the con-certed efforts put forth will be in evidence everywhere throughout the store when the doors swing open for the first day of sale to-morrow morning. Tull particulars regarding the opening of the event will be found on pages six and twenty. Additional news during the continuation of the sale will also be given from day to day.
