

The "Peace Hat" Now Offered to London Men

London, July 9.—The "Peace Hat" is a new kind of headgear about to be offered to London men. Mystery veils its shape and material and hatters thus far have managed to keep the secret strictly guarded, but they have hinted enough about a revolution in men's head covering to stir up a lot of curiosity.

appears, and they lose much of their feminine charm. I have told my daughter that she can play in no more than two tournaments a season. That means she cannot hope to become first-class, but I would prefer her to remain an attractive woman."

Lancashire Cotton Trade in Good Health

London, July 9.—It has come to the attention of the American Chamber of Commerce in London that an impression may exist in the United States that due to wartime diversion of mills, the Lancashire cotton industry will have all it can do now to supply British and Dominion markets and that the trade in Lancashire cotton will now fall to the United States.

Say Tennis Robs Pretty Girl of Her Good Looks

London, July 9.—Tennis tournaments rob a pretty girl of her good looks in the opinion of close observers of the game here.

Free Trade Campaign Is Urged in England

London, July 9.—A big free trade campaign is being waged in England by Liberal party leaders.

WOULD ABOLISH SCRIPT WRITING

London Plan Is to Replace It With the Print Style

London, July 9.—To abolish script writing and replace it by print writing is the purpose of an influential movement begun in this country. Advocates of the change contend that the present system fails to stand the test of commercial life in England and causes a great loss of time and labor.

The characters used in the proposed system are the ordinary printed letters, known as Roman block letters, with the exception of the "a" and "g" which are simplified in their script forms.

Advocates of printwriting claim it possesses many advantages over ordinary handwriting, especially to the teacher that, the same character being employed both for writing and reading, the child learns much more quickly, and it is further asserted that his spelling and his education as a whole are correspondingly benefited.

Many British educational authorities favor printwriting and it is taught in numerous British schools. No time is wasted in the new system on innumerable joinings. Superfluous loops and flourishes are abolished.

One big London firm has adopted the system and its other concerns are said to be considering its use.

Middletown Car Works Brakeman Loses Both His Legs

William Leonard, a resident of Highspire, employed as a brakeman on a shifter at the local car works had both legs cut off by falling off of the train on which he was working.

Mr. and Mrs. Samuel Stites, and two children, who spent the past several weeks in town as the guests of the latter's parents, Mr. and Mrs. Elijah McCreary, Ann Street, returned to their home in Grinnell, making the trip by automobile.

Samuel N. Nay, aged 63 years, and a well-known resident of Royaltown, died here in the local car works, yesterday morning from a complication of diseases. He was a member of the Royaltown United Brethren Church, and was one of the founders of the church, serving as a trustee for forty years, and was the leader of the church choir for many years.

The local school board met in special session on Monday evening in the High School building for reorganization, and John P. Ackerman was elected secretary, and M. H. Gingrich, treasurer. The board then adjourned and met for special business.

Mr. and Mrs. Charles Hendricks, of Royaltown, left this morning for Adams county, where they will visit relatives for a week.

Paul Hippie, who was a member of the U. S. Hospital Train, No. 52, and who spent eighteen months overseas, traveled 13,000 miles from the time he arrived at Liverpool, England. He left the United States from New York on September 9, arriving at Liverpool, England, two weeks later.

J. Roop, who recently returned from Keyser, W. Va., where he attended the Cumberland Valley Volunteer Firemen's Association Convention, was re-elected vice-president of the association.

Mr. and Mrs. J. P. Shroy have received word from their son, Private Adam Shroy, that he arrived in New York. He was a member of the 61st Infantry M. G. Co., of the 5th Division, a part of the Army of Occupation. He spent one year on foreign soil. Shroy expects to arrive home the latter part of the week.

An automobile driven by a Mr. Long of Harrisburg, collided with a truck owned by the Fink Brewing Company, at Union and Water Streets, yesterday afternoon. The truck came down Union Street hill and the auto came in from Water Street.

Mr. and Mrs. John Kendig, Mr. and Mrs. Fred Rakestraw and son, Edward, Mr. and Mrs. Ed. Fackler, Mr. and Mrs. John H. Dr. Robert Rival, H. O. Keener and son, Joseph, have returned to their homes after a reunion at the home of Mrs. J. W. Rewalt.

FOR SALE: SHIPYARDS, DOCKS AND RAILROADS, CASH ON DELIVERY

Emergency Fleet to Dispose of Surplus War Material as Sequel to Restricted Vessel-Building Program

Do your big business shopping early!

If you want to buy a bargain in the form of a complete manufacturing plant or an entire shipyard or a drydock or a ship or a half-built ship, or anything ranging from monster cranes down to scrap metal, get in touch with the United States Board Emergency Fleet Corporation.

The material which will be sold at stations throughout the country at some future date, comprises an accumulation resulting from the extensive war activities, and is available now because of the adoption of the restricted shipbuilding program.

Industries especially interested in the sales are chiefly the shipbuilding, steel railroad, structural and general manufacturing concerns. Upon the sales list are marine railways, housing and transportation projects, numerous allotments of machinery, equipment, and supplies, including woodworking machinery, machine tools and fixtures, electrical machinery, and forge shop equipment, marine equipment and accessories, air-compressor equip-

ment, contractors' equipment and supplies, bridge and gantry cranes, steel plates, shapes and bars, pumping machinery, scrap metals, lumber, deck equipment, galley equipment, hospital and commissary supplies and the like.

To Limit Sales Close co-operation with the government departments and the United States Chamber of Commerce and the collateral business firms of the country will enable a scheduling of sales at a time when they will least conflict with the regular trade channels or react unfavorably upon particular industries. Steps also will be taken to limit sales and to distribute them over such periods as will satisfactorily permit of the absorption or surplus stocks and material on hand without embarrassment to any interests concerned.

District managers of the supply and sales division of the shipping board have been appointed to devote their attention to the problems arising out of the warehousing and sales program in their districts.

These representatives will be located in Philadelphia, New York, New Orleans, Chicago and Portland Oregon. Suboffices and warehouses are to be established in Boston, Jacksonville, San Francisco, and Seattle.

Solve, or used material, will be sold subject to any deterioration and subject to inspection by the buyer on the ground. Surplus or unused material will be sold carrying the original manufacturer's guarantee and the double United States inspection required before acceptance by the corporation from the manufacturer. All surplus or unused material has been produced and marketed since April, 1917.

Cash on Delivery All property, materials and supplies not assigned to the foregoing will be disposed of by the supply and sales division through its offices in Philadelphia or through the district supply and sales offices in New York, Philadelphia, New Orleans, Chicago and Portland.

All sales will be for cash on delivery, unless they are of such nature that guarantee of payment can be secured by mortgage, or unless the conditions affecting the sale are such as to make it advisable to extend short time credit in cases where loss to the corporation through failure to make a sale might be greater than the risk involved in the credit transaction.

Creditor Ought to Soak Him "Do you think Beatum will ever wipe out his debt?" "No, even though he is a big sponge."—Boston Transcript.

SELF-ADJUSTING BLANKETS Private Austin—Have you any elastic blankets? Corporal Arnold—What do you want elastic blankets for? Private Austin—So they'll stretch when I do.—Overseas Camp Dodger. Use McNeil's Cold Tablets.—Adv.

Whatever You Do Don't Neglect Your Eyes, Says Dr. Lewis, Who Tells How to Strengthen Eyesight 50% in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weakness? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. He says neglect causes more eye troubles and poor sight than any other one thing. Many whose eyes were failing say they had their eyes restored through the principle of this wonderful free prescription. One man says after trying it, "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time, and the multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be won-

derfully benefited by following the simple rules. Here is the prescription: Go to any active drug store get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and drink to solve. With this liquid bathe the eyes two or four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time. NOTE: Another prominent Physician to whom the above article was submitted said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturer's guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any active drug store. The very few preparations I feel should be kept on hand for regular use in almost every family. It is sold in this city by the Kennedy, the Croll Keller and J. Nelson Clark stores.

Here Is One Thing That Is Absolutely Impossible

Rheumatism Has Never Been Cured by Liniments or Lotions, and Never Will Be

You never knew of Rheumatism—that most painful source of suffering—being cured by liniments, lotions or other external applications. And you will never see anything but temporary relief afforded by such makeshifts.

Results to be expected from any treatment that does not reach the blood, the seat of the trouble, and rid the system of the cause of the disease. S. S. has for more than fifty years been giving relief to even the most aggravated and stubborn cases of Rheumatism. It cleanses the blood by routing the disease germs. The experience of others who have taken S. S., will convince you that it will promptly reach your case. You can obtain S. S. S. at any drug store.
