Girl Hurt When Struck on Head With Baseball

Miss Miriam MacDonald, 15-year-old daughter of Mr. and Mrs. F. C. MacDonald, 438 South Sixteenth street, is recovering from a painful injury she suffered on Monday when she was hit on the head by a baseball while at the Sycamore playground.

The girl was struck on the back of the head by the ball and was unconscious for hours. The injury was not serious, however, and to-day she left for the McCormick Island Camp conducted each year by the playground department.

Playground and Park Department officials are considering the advisability of prohibiting the use of regulation baseballs on the Sycamore playground. During the last few years only an indoor baseball was used, but after repeated requests the department permitted the boys to use a regulation ball. The accident on Monday night occurred just one week after this permission was given.
