SORDID SUGGESTION
"Did old Mr. Gilpin encourage you when you asked him for his daughter's hand?"
"Well, he borrowed \$50 from me. Would you say I've won or lost?"
"I dare say the girl is yours, but the \$50 is gone. You'll have to determine yourself whether or not you came out ahead in the transaction."

LANDS OFFERED FOR GAME TRACTS

Game Commission Will Make Purchases in the Western Counties Soon

A dozen forest tracts, ranging from 5,000 to 12,000 acres in size, have been offered to the State Game Commission for purchase.

The Commission outlined a policy of working in conjunction with the State Forestry Department in purchase of lands so that properties which may be under consideration may be brought to the attention of the Forestry Commission.

Various new laws affecting game will be brought to attention of sportsmen and farmers. One of them allows the killing of red squirrels at any time or place, while another advances the season for blackbirds to August 1.

To Eject Squatters—The State Forestry Department will take steps to eject squatters of State forest lands immediately. Through operation of laws just approved the department will have increased powers and the right of eminent domain for acquisition of forest lands for State reserves will enable some tracts which have been desired for a long time to be acquired.

A DEPTH BOMB
He was probably the smallest "midny" in the navy, and one evening he was invited to attend a party in the saloon. He was such a little chap that the ladies had no idea that he was a midshipman at all, but took him for somebody's "bear little boy" in a royal navy all-wool serge.
