Troop 15 Boy Scouts Forfeit Title to Troop II

Troop 15, Boy Scouts of Harrisburg, clinched the title as city champions when they journeyed to Paxtang yesterday and won a forfeited game from Troop 15. All members of Troop 15 showed up, but when they saw the stalwart huskies of Troop 11, "like babies" they got scared and immediately forfeited the game to Troop 11.

Chicago Takes League Lead

The Chicago White Sox let out a whoop yesterday on the occasion of winning three straight and of taking the lead in the American League by trimming Connie Mack's outfit, 9 to 2. The latter will stage a game here in Harrisburg July 23 with the Klein Chocolate Company's team and all the critics may then have a chance to tell what is the matter with the Athletics and why they consistently stay in the cellar position.

CHICAGO TAKES LEAGUE LEAD

Gleason's White Sox Beat the Lowly Athletics and Assume First Place

The Chicago White Sox let out a whoop yesterday on the occasion of winning three straight and of taking the lead in the American League by trimming Connie Mack's outfit, 9 to 2. The latter will stage a game here in Harrisburg July 23 with the Klein Chocolate Company's team and all the critics may then have a chance to tell what is the matter with the Athletics and why they consistently stay in the cellar position.

There was no mystery about how Chicago won yesterday. Claude Williams, one of the two aces held in Gleason's hand, was on the slab for the Sox, and simply breezed through to get practice for the New York team when it comes along later on. He gave the Macks eight blows, four of which were made in the final rounds, when he wasn't pitching anything on the ball except his hand.

Three mistakes were made by the Mack crew and every one aided the Sox in putting up a count. They went out and banged one home in the first inning on a double by Leibold, a sacrifice by E. Collins and an out by Weaver. Then they took a commanding lead in the third, when two tallies were registered.

Williams began the third with a walk and Leibold bunted and was safe when he missed things up. E. Collins then pushed the two runners along with a sacrifice and one of them scored on Weaver's infield hit to Witt while the other came home on Jackson's sacrifice fly.

Naylor suppressed further damage until the sixth when he began by walking Felisch. Gandil gave the hit-and-run sign, then with Felisch on the go, tripped to the right field corner, sending Nap home. McMullin was hit by a pitched ball after which Schalk produced a sacrifice fly that let Gandil count. McMullin went to second on the throw and onto third when it got past McAvoy. The Sox then tried to squeeze McMullin home but Williams missed the ball and McMullin would have been caught off third but Thomas let McAvoy's throw get away and McMullin raced on home. Following this, Leibold singled and stole second from where he scored on E. Collins' single.

Naylor left the game after that inning and Grevel came forth to start the seventh. Joe Jackson was first up and swatted the first pitched ball for a triple to right. Felisch rolled out but Gandil produced a sacrifice fly that let Jackson romp home. In the final round, Lynn, who had replaced Schalk, led off with a double and went to third after Williams' fly to right. Leibold walked and was forced at second by E. Collins, Lynn scoring.

Witt's single and Thomas' three-bagger after one was out in the eighth, tallied the first run for the Macks. In the ninth Burns led off with a single then went to third when the ball got through Leibold. He scored while Kopp was being thrown out on a roller to Eddie Collins.

The fifty members of the band are on their regular summer outing of two weeks.

IN DAUPHIN-PERRY LEAGUE

STANDING OF THE CLUBS

Table with columns: Team, W, L, Pct. Lists teams like Marysville, Newport, etc.

Newport will grapple with Marysville in the third contest between the two teams in two weeks on the Seidel Park grounds, Marysville, in a desperate effort to tie up with Marysville. A victory for Newport will mean a deadlock for first place, but Marysville will put up a desperate fight for the game.

Newport Strong Contender Gaining three victories last week, two of them over the Marysville leaders, Newport moved from a poor last to a strong contender for first place, and every effort has been spent this week in getting the team into shape for the fray of to-morrow.

The team has been working out faithfully four evenings this week, and is in fine fettle. The revamped lineup, used in the three games of last week, will be used to-morrow. Kerna will be behind the bat, but the hurling choice is somewhat unsettled. Chances are in favor of "Buck" Gilday, former Dauphin hurler, being selected although "Lefty" Wertz may be called.

Manager Stees will use practically the same Marysville lineup that he has been using in the past several games. Harry Biever, who was credited with losing the morning game on July 4, is eager for revenge and promises to put up a hard fight to-morrow afternoon. His trusty right whip possesses sufficient cunning on Wednesday night to hold the strong Motive Power team of the West End Twilight League to three scattered hits, and he says he is in fine fettle for the fray. Killinger will be behind the bat. Just who will be used in right field is somewhat uncertain, and Manager Stees may send him several new youngsters under the names of Robert Miller and Harry Mutch were added this week and they may be given a chance. "Dick" Nebling, who has been assigned by President Knauss to umpire the fray.

Duncannon Ready Duncannon will move to Millersburg to-morrow afternoon, confident of putting up a strong fight against the Dauphin contingent. The contingent has been showing up better in practice this week than it has done for some time and promises to give a good account of itself. The injection of "Kid" Stricker into the line-up of the steel town contingent has done much for it, and hard fights may be expected from Duncannon by all the teams in future games. Dear-old will be behind the bat and the regular line-up will be used.

The Millersburg line-up is somewhat uncertain. Several of the players have deserted the team to take positions with various Dauphin-Schuykill contingents. Manager "Bud" Frye is expected to go behind the bat, but his hurling choice is somewhat uncertain. "Dick" Hawley has been assigned to handle the indicator in this contest.

Salada Released Salada, the giant hurler of the Millersburg, who has been with big and minor league teams, has been withdrawn as a resident player by Millersburg. "Salada's" hurling at times this year has been brilliant, but at others he has been hit hard by his opponents. Manager Frye has added the name of Bamford, of the Motive Power team of the Harrisburg West End Twilight League, and of Melting, the hurler of the Reading team of the Allison Hill League. George Zeranec, third sacker of the St. Mary's team of the Allison Hill League has also been signed by Manager Frye. The name of Moehan has been withdrawn by the same team.

League Meeting President Knauss has issued a call for a meeting of the league representatives to be held in the Shenk and Tittle store room, Harrisburg, on Wednesday evening, July 16, at 6 o'clock, at which time Newport's protest of her defeat by Duncannon on

June 28, will be decided. The contention in this instance is over the eligibility of Pitcher Noss, of the Duncannon team. Noss is a resident of Duncannon, and has been all his life, but it is claimed that Duncannon had never listed his name with President Knauss. Duncannon had won this game by a 3-2 score after a ten-inning fight.

Middletown Tells Her Story of the Alleged Brutal Ball Game

In answer to Manager Strickler, of the Hummelstown ball team, whose article complaining about the Middletown rough treatment was printed in this newspaper recently, a fan signing the name of "R. T. Baum," of Middletown, replies like this to-day.

"On Tuesday evening the strong team of Middletown along with about two hundred fans motored to Hummelstown to play the fourth of a series of five twilight games scheduled with those people. The first game having been played at Middletown with the score 0-0. That game was called on account of darkness. The second game took place at Hummelstown, Middletown easily winning.

"The third game was called on the Middletown diamond and in the fifth inning with Middletown leading the visitors refused to agree with the umpire on a decision at first base and walked off the field. There was no so-called riot as Mr. Strickler tries to lead the people to believe, other than several Hummelstown fans being badly under the influence of liquor, tried by passing insulting remarks and striking at several Middletown people, to start something rough, but were not successful.

"Indeed they had to be carried off the field by their own men. After the manager, Mr. Warton, told them their guarantee they peace-

HE RAISED THE RACKET - ALL RIGHT - ALL RIGHT - WOW!

Hummelstown that Mr. Strickler speaks of! Middletown has had no trouble with any other team. Now who is the good sport? "Middletown has a strong team, losing only two games this season. We want the public to judge from this item which Hummelstown cannot deny, who is the fair sport?"

MAY SET 'EM UP AGAIN

London, July 11. - It is no longer against the law in England to buy a round of drinks, the Liquor Control Board having revoked the "no treating" order, a war measure. It points out that the order wiped out the practice of treating and it expresses the hope that "the good sense of the community should suffice to prevent its revival, with the wasteful and excessive drinking to which it leads."
