HUGHES & DIER

mbers— Philadelphia Stock Exchang Chicago Board of Trade PENN-HARRIS HOTEL Harrisburg

\$25,000,000 **Duquesne Light Company** (PITTSBURGH)

First Mortgage and Collateral Trust Thirty-Year 6% Gold Bonds

Dated July 1, 1919. Due July 1, 1949. Interest payable January 1 and July 1 in New York. Callable on any interest date at 105 and interest. Coupon bonds of \$1,000 and \$500 denominations with privilege of registration as to principal; coupon bonds of \$1,000 denomination registerable as to principal and interchangeable with fully registered bonds of \$1,000 denomination and authorized multiples. Bankers Trust Company, New York, Trustee.

These bonds will be free of the present Pennsylvania Four Mill Tax. The Company will agree to pay interest without deduction for any Normal Federal Income Tax to an amount not exceeding 2% which it may lawfully pay at the source

Application will be made to list these bonds on the New York Stock Exchange

For further information regarding these bonds, attention is called to the letter of Mr. A. W. Thompson, President of the company, copies of which will be furnished on request, and which states that:

The Duquesne Light Company owns in fee or controls through long-term lease or stock ownership, and in large part directly operates, properties conducting the entire central station electric light and power business in Pittsburgh and throughout the major portions of Allegheny and Beaver Counties, Pennsylvania.

The properties operated by the Duquesne Light Company and its subsidiaries form a single inter-connecting system which serves a population estimated to exceed 1,100,000, located in the heart of the Pittsburgh District.

Franchises, with minor exceptions, are, in the opinion of counsel, unlimited in time or for 999-year periods.

Earnings

of the Duquesne Light Company and subsidiary companies — inter-company charges eliminated. (Year ended April 30, 1919) Operating Expenses, including Current Maintenance and Taxes..... Net Earnings

Annual Fixed Interest and Rental Charges, including interest on the above \$25,000,000 First Mortgage and Collateral Trust 6% Bonds......

Not Earnings Over 25 times the above fixed charges

The above earnings reflect none of the benefit from the large investment to be made in the new Cheswick Power Plant with part of the proceeds of the bonds now offered.

The \$25,000,000 First Mortgage and Collateral Trust 6% Gold Bonds will be secured, in the opinion of counsel, by a first mortgage on all property owned in fee by the Duquesne Light Company and by a first lien on its leasehold interests and on certain bonds and virtually all the stocks of its subsidiaries. The bonds will also be secured, in the opinion of counsel, by a first mortgage on the new Cheswick Power Plant, the construction of which with an initial installed capacity of 60,000 K. W. is to be partly financed out of the proceeds

The property which, in the opinion of counsel, will be covered by the first mortgage lien of these bonds will include one of the largest and most important electric power plants in the country (Brunot Island, 120,000 K. W.), the new Cheswick Power Plant (initial installed capacity to be 60,000 K. W.) and extensive transmission and distribution lines.

These bonds will be followed by the \$5,941,000 7% preferred stock and by \$18,226,000 common stock (paying 8% dividends) of the Duquesne Light Company.

The Company operates under the supervision of the Public Service Commission of Pennsylvania.

We recommend these bonds for investment Price 100 and interest; yielding 6%

Bonds are offered for delivery when, as and if issued and received by us. It is anticipated that temporary bonds will be available for delivery on or about July 28, 1919.

The trust indenture and all legal details incident thereto will be passed upon by Messrs. Patterson, Eagle, Greenough & Day, New York, and by Messrs. Reed, Smith, Shaw and Beal, Pittsburgh, and this offering is in all respects subject to their approval of the legal aspects of the transaction.
