Syracuse Merchants Vote to Close Stores Saturdays at Six

On May 30th, we published a letter on our advertising page from the Retail Saleswomen's Association of Syracuse, N. Y., requesting information regarding Saturday evening closing.

July 1st the merchants of Syracuse put into effect the Saturday evening closing. The resolution fixing the new hours state:

"It is the desire of the merchants of the city to make the hours of labor of their employes as light as possible in the interest of health and from every human consideration.

This is a far more commendable attitude, of having the employers take the initiative in progressive movements of this character than to invite other possibilities later.
