Nearly Thousand Miles Covered on Auto Trip

Dr. and Mrs. Samuel Z. Shope, of home last evening after a week's automobile trip, covering nearly thousand miles. They made brief stops at Mauch Chunk, Delaware Water Gap, Port Jervis and Goshen, N. Y., on the way to the heart of N. Y., on the way to the heart of the Catskills, where they left their son, E. iPerce Shope, a senior at Johns Hopkins Medical School, at the Loomis Sanitorium, where he will be assistant resident physician for a time. This sanitorium is grouped with its buildings like a community town and is beautifully situated.

From Liberty to Binghamton, N Y., the trip was made with a stop at Syracuse, where Dr. and Mrs. Shope were entertained by the faculty of the college at the Onondaga Hotel. Dr. Shope will deliver a series of lectures at the college next year on "The Eye."

year on "The Eye."
Oswego, Ithaca and Cornell University, Watkins and its famous glen. Elmira, the State Normal School at Mansfield and a visit in Williamsport made the return trip delightful, for there were no accidents or tire trouble along the way.

"Y" CAMP FOR BOYS IN FINE TRIM

Everything is being prepared for the Harrisburg "Y" boy camp which is being held this season on the banks of Big Pond, a little lake about two miles from Greythorne on the Cumberland Valley Railroad. Most of the boys who attended the camp last year are looking forward with the greatest enthusiasm to the session this year at Camp Shikellimy, as the camp will be cflied this year. July 22 is the day set for the big opening, where the crowd will descend upon the camp and begin the round of baseball, hikes, swims and everything that goes to make the camp the best place in the world to spend a few weeks. "Doc" Miller of the "Y," is going to be in charge of athletics and promises to have the boys back in the best shape they've ever beer in.

One Thing More

Most car owners know that this is the place to have their batteries tested with a hydrom-

evidence of battery newness.

—That it is the place to come for battery charging, repair, and a rental battery.

But, one thing more—it is the place to come, just as soon as you buy your nerv car, to have your battery registered and get the benefit of Willard 90-day battery insurana.

Drive in, whether you have bought a new car or not. Perhaps we can give you some battery information that will mean longer life to your battery and fuller use of your car.

Power for Fords

Fussing around with hit and miss ignition, trying to make the vibrators sing in tune is the very thing that gets on Ford owners' nerves, four vibrators can't be kept in tune and there's the rub, uneven firing makes uneven running, the engine growls and knocks, the radiator boils and the car crawls like a snail, the Bosch Ford attachment should be called, it's the doctor — it's the easy way to fit the famous Bosch magneto to the Ford, the same spark producer that gives Packards, Plerce-Arrows and the big racers their vim, vigor and snap; have your Ford beat the others, don't waste money on master vibrators or other "would-be" systems; cure your troubles at one clip, fit a Bosch Ford outfit.
