NO BOOZE EMPTIES BOROUGH LOCKUP

Not a Single Arrest Made This Month by Borough Police

The police force of Steelton is hav-

ing an easy time of it since the first day of July. Not a single arrest has been made thus far this month, and the lockup has been without an occupant since the pro-hibition law went into effect. Generally there are more than a hundred arrests every month, charges ranging everywhere from disorderly conduct to murder. Last month the conduct to murder. Last month the police turned to the borough fines amounting to \$149.23. If the record of the first two weeks of July will extend through the month, there will not be a cent in fines turned

Says Red Cross Chairman Mrs. Frank A. Robbins, chairman of the Steelton Chapter of Red Cross, this morning issued the following statement in reference to a dance announced to be held attwilla-Villa next Wednesday evening by units 1 and 4 of the Home Nursing Course.

"Through a misunderstanding the dance invitations recently sent out by members of Home Nursing Classes state that the dance is for the benefit of the Nursing Activities of the local chapter of Red Cross. This is not the case. The dance is to be purely a social affair and is not being given for the benefit of any department of Red Cross activities whatsoever."

TYMPANIST TO PLAY IN OPERA ORCHESTRA

Hristo Serafimoff, tympanist of the Steelton Band, as been given a leave of absence for the summer months, and will leave Tuesday for Chicago. Until his return to Steelton in the fall he will play with the orchestra of an opera company.

To the Public of Steelton:

On Monday, July 14, we will be compelled to advance the price of ice, due to the increase in the wholesale price, which is caused by the supply being far below the demand.

the supply being far below the demand.

Eighty per cent. of the ice consumed here is shipped by the carload and during this week we sold several cars of ice at an absolute loss. We did not want to raise the price, hoping that we would be able to buy cheaper ice, but we are unable to do so and find we are fortunate to obtain any ice.

We are making every effort to get enough ice to meet the demand and consequently must pay the greatly increased wholesale price, and the month of August may mean no ice at any price.

The increased prices, which may change at any time, will remain only until we are able to secure cheaper ice. This will be governed by weather conditions and we hope that it will not be longer than 60 to 75 days.
