Tris Speaker Is Now the Leader of Cleveland Team

Cleveland, July 21.—Tris Speaker the sterling outfielder of the Cleveland Indians, was appointed manager of the team by President James C. Dunn to succeed Lee Fohl, who resigned his post as leader of the team.

In tendering his resignation to President Dunn, Fohl said: "I feel that the fans are not for me and as I have your interests at heart first and my own last, I think it best for all concerned for me to step down and out. The team has a chance to win the pennant and I don't want to appear in a light of being a hindrance to them. I hope they will win the pennant."

Fohl will be retained on the payroll in some capacity, either as coach or scout, President Dunn said.

DUNCANNON HAS QUIT D-P LEAGUE

Blames Umpire For Loss of Game on Saturday; Hear Charges Tomorrow

Duncannon has withdrawn from the Dauphin-Perry League! This startling piece of information was announced today by President E. E. Knauss, of Harrisburg.

Disatisfied with their defeat by Marysville on the Duncannon field on Saturday, because of alleged poor decisions by Umpire Hawley, Duncannon officials made known their intention of withdrawing their team yesterday.

Stone Umpire So angered did the Duncannon fans become after the game that Umpire Hawley, without the aid of police protection, was forced to flee from the ball field to the Pennsylvania Railroad Station.

Officials Meet To-morrow The matter will be thoroughly threshed out at a special meeting of the Dauphin-Perry League, scheduled to be held to-morrow evening in the store room of Shenk and Tittle, Market street. The meeting will start at 6:30 o'clock.

Duncannon will not be represented at this meeting, according to a statement made by President Knauss, made to President Knauss yesterday afternoon when he made known his intention of withdrawing the Duncannon team.

Should Duncannon continue the stand it has already taken and refuse to send a representative to the league meeting to-morrow evening, the franchise of the organization will be forfeited and action be taken at once to secure another town to take Duncannon's place.

Other Towns Want In While difficulty is expected to be experienced in replacing Duncannon. Several towns, formerly represented in the circuit, are anxious to get back, according to reports that have been in circulation.

Ninth Inning Victories Feature League Battles

Ninth inning finishes won for Marysville and Newport over Duncannon and Millersburg, Saturday. Two runs were scored by each team.

Marysville winning from Duncannon by a 4-2 score, and Newport downing Millersburg at Newport with the tallies standing 5-4.

"Kid" Stricker, premier hurler of the West End Twilight League, and the foremost on the staff of the Newport team of the Dauphin-Perry, was on the mound for Duncannon, and was early start, scoring one run.

Stricker's defeat on Saturday was his second in three starts, Newport bumped him for ten hits and a victory in his debut, but on Saturday, July 19, he pitched for Millersburg to six hits and scored a shutout.

Marysville hitters jumped all over Stricker's delivery and drove out ten safeties in the nine rounds of play, in addition to which three men were safe on bases on balls. But four batters were retired on strikes by Stricker.

Biever Goes Strong Harry Biever, forty-year-old Marysville hurler, was just as good as he was twenty years ago and had his gloved hand and the ball went into the foul territory.

Umpire Hawley maintained that Stricker hit the ball while it was still in fair territory, but Duncannon claims that he did not strike the ball until it was across the line.

Ellenberger later scored, after he stole second, was sacrificed to third and came home on Moore's single.

Again in the ninth, Hawley is charged by Duncannon with favoring Marysville. After Ellenberger had driven out an infield single, Gerdes was safe on an infield hit.

Duncannon contended that the ball struck Gerdes on the foot and rolled toward the center of the field, after he stole second, was sacrificed to third and came home on Moore's single.

Attention Drawn to Score In the attention that Umpire Hawley cost Duncannon the game, attention is drawn to the official score of Saturday's game.

Marysville had to be compared to an even half-dozen for Duncannon; four Marysville men walked as compared to three for Duncannon; and eight Duncannon men struck out, while half a dozen were whiffed by Marysville.

Duncannon this evening is expected to give an official tone to President Knauss's withdrawal of his team from the circuit.

A meeting of the Duncannon fans has been called for this evening, when it is understood that they will give official sanction to the withdrawal.

Marysville got off to an early start in her game with Newport, scoring three runs in the first and one in the third, and stayed out in front until the ninth when Newport scored two runs and won out.

"Bob" Bowman, who created a sensation in the Dauphin-Perry in 1915 while on the mound for Millersburg and who has been clubbing the bat hard and playing first this year in great fashion, essayed to pitch for Millersburg. His work was high class throughout and with better support from his teammates, would have won his game.

While ten hits were made off his delivery, all were well scattered. Only five men were fanned by him, but Newport was forced to drive many balls to the infielders.

Little English Champion and American He Defeated in 20-Round Bout in London

Jimmy Wilde, world champion flyweight, who can't make a match attractive to the sporting public unless he concedes pounds to his opponent, again has demonstrated that he is one of the wonders of the prize ring.

In a return match with the Pal Moore, of the Memphis, Tenn., bantamweight who several months ago got a decision over him in a three-round bout, the little English man defeated the American in a twenty-round bout at the National Sporting Club in London.

The Prince of Wales, Prince Albert and General Pershing were interested spectators. This photograph was taken during their recent three-round bout.

Georges Carpentier Knocks Out English Champion

Paris, July 21.—Georges Carpentier, the French champion, knocked out Dick Smith, former English champion, in the eighth round of a twenty-round bout Saturday. It was Carpentier's fight all the way.

Smith was offered as the victim to Parisian fight fans in celebrating Carpentier's return to the ring after a five years' absence. He was completely out-clasped, Carpentier dominating the situation throughout.

The fourth round alone was about even. Smith was down for a count of seven in the third, and took a count of eight in the fifth. Carpentier finished his work in the eighth with a left and right hook to the jaw.

The French seemed anxious for a prompt knockout. He fought fiercely, leaving openings which might have been taken advantage of by a clever opponent.

Carpentier appeared a little short of condition, and some line was obtained on this evening's showing regarding his chances in grueling battles.

Fred Fulton challenged the winner. The assembly was more spectacular than the fight itself, beautiful women in gorgeous gowns and men in evening dress cheering Carpentier. Flock and Nungesser, the aviators, when they were introduced, it was a social function that a prize fight, and the crowds went home happy as the French idol had not been dethroned.

ATHLETICS PLAY HERE WEDNESDAY

Soldiers From Carlisle Hospital Will Be Invited to the Game

Soldiers from the United States Hospital at Carlisle will be invited to the game Wednesday at Island Park, when Connie Mack's Athletics will play the Klein Chocolate Company team.

Manager John Brackbridge will arrange to-day to have the soldiers brought from Carlisle to this city.

Inquiries regarding this game indicate a large attendance. It promises unusual interest as the Klein team will include several stars who have been up against the Athletics this season.

Mellinger who is slated to pitch has been working out for a short period each day on several new curves which he will try. He has the speed and is anxious to make good. The work of the Klein team will be watched closely as Manager Mack is looking after new material.

Work on Diamond The game will start at 3:45. Manager Brackbridge will announce his lineup and umpire to-morrow. The admission fee will include the war tax. Work on putting the diamond in shape started to-day. The outfield is in good shape. It will be necessary to trim the grass about the bases.

While rain is promised for this week, it is the belief that there will be sunshine for Wednesday. Local teams have had hard luck because of the daily down pour and postponed games are piling up. No games were played Saturday. The Dauphin-Perry League had two contests. Both the West End and Allison Hill league hope to get going to-night.

BELGIAN INDUSTRIES ARE BEING OPERATED AGAIN

American High Trade Commissioner Establishes Commercial Organization to Aid in Reconstruction Work—Country Being Restocked With Domestic Animals

Brussels, July 21.—Henry H. Morgan, American High Trade Commissioner in Belgium, has established a commercial organization here to aid in the reconstruction of Belgian industries. He announces that this organization is at the disposal of all merchants and manufacturers in Belgium and America.

To an Associated Press correspondent Mr. Morgan said that in view of what the Belgians already have accomplished, he did not feel discouraged over industrial conditions in this country. "On the contrary," he said, "I feel certain that they will carry their reconstruction program through to a successful conclusion. I notice an intense cultivation of the soil which will result in the next crop being nearly equal to pre-war crops."

Mills Resume "Virtually all the glass factories in the country now are in operation and thirty per cent of the textile looms now are busy spinning raw cotton arriving from the United States."

It is estimated that the loan of 500,000,000 francs which American bankers have agreed to extend to Belgium will go a long way toward reconstruction. It also will have a beneficial effect upon the purchase price of the franc which at the present time is very low. Repayment of this loan is not to commence until 1920. It is only by rapidly building her mills that Belgium can hope to pay back this loan in the production of her manufactured goods."

Mr. Morgan said it was estimated that the Germans had carried away one-third of the Belgian live stock. Experts of the United States Department of Agriculture have arrived from America to aid the Belgian Ministry of Agriculture in shipping breeding stock to Belgium.

"It is my understanding," added Mr. Morgan, "that preparations now are underway for sending a fleet of thirty vessels, each carrying live-stock."

Bad Breaks Is Cause of Trouble in Red Sox Ranks Boston, July 21.—The world champion Red Sox, now in seventh place in the American League standing are out in a statement signed by virtually every member of the team, denying that the team's failure was due to dissension or mismanagement.

The poor showing is attributed in the statement to "a combination of bad breaks, the failure of some of the regulars to perform up to their past standards, weak pitching and continual bad luck on the field."

Manager Edward Barrow is said to have "treated his players in a manner that could not be improved upon" and the statement adds that "the players are in complete harmony with themselves and with the manager."

Carl Mays, the star underhand pitcher who quit the team recently, will be traded, according to an announcement by President Frazee. He said that most every team in the league was seeking Mays, and that deals now pending might involve two other teams, with the Red Sox obtaining one or two other players.

Johnson Wins Tennis Title From William T. Tilden Chicago, July 21.—William M. Johnson, of San Francisco, is the new national clay court tennis champion. He defeated William T. Tilden, Jr., of Philadelphia, the 1918 title holder, in the final for the championship on Saturday, 6-0, 6-1, 4-5, 6-2.

Miss Corinne Gould, of St. Louis, won the women's championship in the singles, defeating Miss Carrie M. Neely, of Chicago, the 1918 champion, in straight sets, 6-4, 6-2.
