"People on all sides ask what brought about such a remarkable change in my husband. I gladly tell them, and we are glad to tell anyone who is suffering, that he owes it all to Natonex." This was the statement of Mrs. Wm. Johns, 60 North Main street, Wilkes-Barre. "My husband was in a very bad condition because of the stomach, liver, kidneys and bowels. He had no appetite and when he would force himself to eat, the food would not stay down. His back troubled him a lot because he had almost constant pain and was rheumatic. "He was nervous and worried and had not known a good night's sleep for months. He had tried one medicine after another, hoping against hope, but he was finally rewarded when a friend advised him to take Natonex. The relief he got from this Nature tonic, and system purifier was almost miraculous. It is a great pleasure now to see the way he enjoys his meals and the good that his food does him. "All of his organs have left his back and the rheumatic twinges are disappearing. He sleeps soundly and his worries are gone. The change in him is so great that it is no wonder that people who suffer from stomach trouble hillousners.

no wonder that people speak about it every day."

Weak, ailing people who suffer from stomach trouble, billousness, constipation, nervousness and who are generally run down, should start the Natonex treatment at once. Natonex costs but little. Start it to-day and know relef to-morrow. Natonex is specially recommended in Harrisburg by the Gorgas Drug Co., 16 N. Third street, and is sold by leading druggists everywhere.—Adv.

"Old Hen" Brews "Kick" Put an End to Still

Media, Pa., July 21.—"Old Hen." a 'new liquid refreshment, with a kick of a mule, was tested out Saturday by the inventors, who had surreptitiously established their clandestine distillery in a vacant barn near Rockdale. The decoction was labeled "Old Hen" because it required twenty-one days for the mixture to hatch. But the period of incubation was too slow for the thirsty experimenters, and on the tenth day, which was Saturday, they proceeded to sample the drink. The bibulous chemists grew hilarious from quaffing the brew, attracted the owner of the barn, who, armed with a stout broom, entered the distillery and made a clean sweep of the mixers of "Old Hen."

"Old Hen."

The ingredients of the new mixture are said to be cornmeal, molasses, brown sugar and water, and if the maker cannot wait twenty-one days, ten days is enough to produce a kick—at least kick enough to get kicked out of the barn.

Portland, Ore., July 21.—Newspapers controlled by the national government will be the ultimate goal of journalism, in the belief of William Jennings Bryan. Bryan made this prediction in an address before the Portland Press Club.

"The day of partisan newspaper is waning," said Bryan. "Some day all news will be issued through government channels and will have the approval of the proper authority before it is printed."

Bryan said he favors the idea of government newspapers, provided they gave impartially the news of each political party as presented by some one in authority.

Twelve Known to Have Died in Cloudburst Flood

Wheeling, W. Va., July 21.—
Twelve persons are known to have been drowned as a result of the great storm which swept over Eastern Ohio and the Wheeling district Saturday night. Five bodies, all of children, have been recovered.

Wegee Valley to-day is a desolate scene of destruction. Crops have been leveled, railroads and trolley lines washed out and almost an entire mining settlement demolished. The damage will exceed \$1,000,000. When the water in its first rush began to pour down upon the homes it formed a wall three or four feet high that extended completely across the valley.
