Tokio, July 23.—The Bolshevists in Siberia still are engaged in propaganda work and organizing their army, says a semi-official report received here.

MAKE-MAN TABLETS MAKE YOU STRONG

For many years Make-Man Tablets have helped thousands to increase their strength and vigor.

George Washington shaved himself

ON occasion. One of these occasions was when his faithful servant allowed his hand to slip—whereupon the General arose in his wrath and finished the job himself; for the Father of our Country was very properly fond of a good, clean shave.

And in his simple shaving kit may still be seen his equally simple razors. While their model is many hundred years old, they have never been bettered in left, or shearing width, or right shaving angle on the face.

At such times when his old servant failed him, Washington would have appreciated the guarded, two edged blade of the Durham-Duplex because he would have found it nothing more than his own well-loved model made safe.

DURHAM-DUPLEX A Real Razor—made Safe

Exactly the same shape and balance in the hand that uncounted generations of shavers have brought to perfection—with these extra advantages: (1) a guarded blade that can't cut your face.

(4) a stropable blade, so that you don't have to throw good steel away. And it's the longest, strongest, keenest, best-tempered blade on earth.

estimated at from 4000 to 5000. Their headquarters seem to be located in the neighborhood of Fiolovka. The Bolshevists in Amur province are engaged in propaganda work and are not concentrated in any formidable number.

Ought to Confess Guilt, Harden Tells Germans

Amsterdam, July 23.—Maximilian Harden, writing in his weekly Die Zukunft, a copy of which has just been received here, scathingly condemns the German people, saying in part: "The German people ought to confess their guilt, but no such confession is in them. You have permitted yourselves to be influenced by jobbers, comedians, mountebanks and money grabbers."

"Wets" Elect Man to Trenton Council

Trenton, N. J., July 23.—George W. Page, for years collector for a local brewing company, and a liberal Republican, was elected to a vacancy in the city commission by an almost two to one vote over his nearest competitor, Harry E. Evans, city treasurer and a conservative Republican.

KEROSENE IS TREATED AS GOLD

Red Cross Agents Distribute Precious Liquid in Siberia

Pirot, Serbia, July 23.—Kerosene distributed with other relief supplies by Red Cross agents here was received as if it were gold. A short time before, the Mayor of Pirot had paid \$110 for a five gallon can of the precious liquid.

Dozens of children have been found in abandoned houses living on the charity of neighbors. Mothers are ready to give up their children to anyone who will give them food and shelter. There are thousands of orphans with no one to care for them. The number of widows is distressingly large.

Jap Magazine in Korea Suppressed

Seoul, Korea, July 23.—An issue of the Peninsular Review, a magazine published in the Korean language by a Japanese, in which the publisher recommended that the Japanese constitution be extended to Korea, has been suppressed and the publisher, a Japanese, whose name was signed to the editorial, is now in Japan.

NO ARRESTS OF MEXICAN BANDITS

Action Delayed Despite Killing of Fifty Americans

Washington, July 23.—Although about fifty American citizens have been killed or outraged in Mexico since 1917, not a single arrest or conviction is known to have resulted, Henry P. Fletcher, United States ambassador to Mexico yesterday told the House Rules Committee in a hearing on the Gould resolution proposing appointment of a congressional committee to investigate relations between the two countries.

Relations between the two countries, however, Mr. Fletcher said, have improved during the last three years. Although declining to express an opinion as to the policy, either past or future, of this country towards Mexico, the ambassador in an effort to oppose suggestions advanced by members of the committee looking to withdrawal of the United States of recognition of the Carranza government.

Blames American Geographical Society For Peace Decision

Berlin, July 23.—The Boersen Zeitung asserts that West Prussia was ceded to Poland by the Peace Conference because of a mistaken and incorrect scientific book published in 1917 by the American Geographical Society containing an article entitled "The boundaries of language and nationality," by Leon Dominikan.

Blames American Geographical Society For Peace Decision

Paris, July 23.—In the German war prison at Frankfort-on-the-Oder, where 4400 Russians are being held awaiting an opportunity for repatriation, the Y. M. C. The Italian Presbyterian church in this city of which the Rev. A. Crempnest is pastor, has sent a request to Senator Knox at Washington asking that he continue his interest in favor of Italy on the Fiume issue. The request was signed by the pastor and the officers of the congregation.

Russian Prisoners at Frankfort Are Entertained by "Y"

Paris, July 23.—In the German war prison at Frankfort-on-the-Oder, where 4400 Russians are being held awaiting an opportunity for repatriation, the Y. M. C. A. has been since the armistice conducting an elaborate system of entertainment by movies, books, athletics, indoor games, Russian records on the graphophones and theatricals put up by the prisoners.

These big Russians, after long imprisonment entailing mental and physical suffering, are sub-normal, and their last months of waiting for transfer are the most trying, so they take to our American baseball and football with a feeling of relief. However, the wooden shoes they wear are not an aid to base running or kicking.
