Rebuilding Sale

Although we have been in business only five months, our success has been such that our present room is not large enough to accommodate our constantly increasing trade so. we have been compelled to enlarge our shop. We feel that the generous patronage given us has been due entirely to our ability to sell you high class merchandise and save you money due to our low expenses and this will be our en-deavor always in the future. Now in enlarging our present room we will for a time be compelled to still more curtail our rather small quarters and to reduce our stock to as small as possible. We will have a two days' sale for Friday and Saturday, offering you such values that we feel sure we will accomplish our desire and reduce our stock materially. Every item quoted means large savings to you and every item is really desirable merchandise.

Get Aid From Pension

At a meeting of the Dauphin County Mothers' Association held at Red Cross headquarters yesterday afternoon plans were made to care for forty-one needy families during the coming year. The county and State are to equally bear the amount of \$12,576.32, which was the appropriation made by the County Commissioners and the State recently.

conthy.

Mrs. Lyman D. Gilbert, president of the association, and Mrs. Mercer B. Tate explained that there are at least fifty more families which need help, but the funds will be insufficient to meet their needs. According to the number of children in the family, payments are proportioned to the widows. Each month she receives a payment to assist in the support and education of her children. It is hoped that more money may be appropriated next year in order that the work may be extended and carried into wider fields.

\$100,000 Appropriation For Mine Victims Vetoed

Legislative resolutions making an appropriation of \$100,000 for relief of sufferers by the disaster at the Baltimore mine, near Wilkes-Barre, on the ground that it was to promote public health, were vetoed today by Governor Sproul.

"The purpose of the resolution is meritorious in so far as it is designed to relieve suffering, but it is an unwise precedent to establish is

signed to relieve suffering, but it is an unwise precedent to establish to rake specific apropriations of this kind under the guise of appropriations to promote the public health," says the Governor. "If this is one of the functions of the State Department of Health, the State Department of Health has ample funds at its disposal under the general appropriation to the department for this purpose. Much as we might desire to give assistance, in addition to that so generously rendered by the people of the neighborhood, in this said situation, we cannot do it in the manner contemplated by the bill."

Hundreds of Elks Are Attending Big Outing

Elks started early to-day for the Whitehouse Club near Middletown for the second outing of the season, There was a continuous rush of B. P. O. E. s throughout the day. At noon to-day indications were that the crowd would reach 600. Elks from lodges within a 50-mile radius of Harrisburg are in attendance.

The committee in charge of arrangements offers a program that will keep the big herd busy every minute of the day. There will be athletic stunts and other features, Many surprises were in store for the Elks. Eats were plenty. Prizes numbering nearly 200 will be awarded at the close of the big program.

EMERALD WINS The girls' longball team from the Emerald playground won the section championship in the league in which it played, according to J. K. DAY SHIPS TO BE

BUILT BY U.S. on Vessels 1,000 Feet Long

Washington, July 24.— Two gi-gantic ocean liners larger than any ships now afloat and designed to cross the Atlantic in four days, are to be built by the Shipping Board. They will be 1,000 feet long and of 30 knots speed and will be equipped for use as commercial destroyers in the event of war.

GIGANTIC FOUR

Announcement was made to-day by the board that plans for the ships had been completed and that work on them would be started in the near future. It is proposed to provide a special terminal for them at Ford Pond Bay, Long Island, and it may be that two similar liners will be constructed later.

The ships which are to be built under the supervision of the Navy Department, will be fifty feet longer than the famous Leviathan, now the largest ship afloat, and will have a gross tonnage of 55,000. Their draft will be 35 feet, depth 74 feet, beam 102 feet and accommodations will be provided for 1,000 saloon passengers, 800 second cabin passengers and 1,200 steerage passengers.
