

ITALIAN PARK DEVELOPMENT IS UP TO COUNCIL

City Must First Take Action Concerning Street Lines

Progress on the plans for the Italian Park improvement and the laying out of the grounds planned for the new high school is a standstill until the city council takes some action on the new street lines, as laid out by the city engineer.

According to the general plans, Third street and Sixth street from Division to Catherine must be laid along different lines from those which they now follow.

I Shall Watch the Papers

for at her last Twelve-month Sale I saved thirty dollars on a suit.

Of course, she's said nothing about it, but my husband knows a man on the paper and he says he has seen the ad that's to appear August 2nd.

It will mean a lot to me. Oh, I do hope it's true. It's just six months from the last one. I believe there's something in it.

May Sachs North Ford Street at No. 210

much greater than the present number of acres between the two streets extended to Catherine street.

Want High Court Trial For French Traitor

Paris, July 31.—Trial by a high court of Joseph Caillaux, the former premier, who has been under arrest a year and a half charged with having had treasonable dealings with the enemy, is recommended in the conclusions of Theodore Lescauve, attorney general of the republic.

Captain Mornet, who prosecuted M. Duval, who was sentenced to death in connection with the Bonnet Rouge case, and Pierre Lenoir, who also was sentenced to death on a charge of trading with the enemy, will assist M. Lescauve in the prosecution of Caillaux if the commission of the high court adopts the conclusions in the attorney general's report.

Businessmen Enjoy Fourth Annual Outing

The Fourth Annual Picnic of the A. K. Thomas Orchestra was held today at Cold Spring Cottage, Williams Grove. About forty-five members of the orchestra went over to the grove in automobiles and spent the day in games and stunts of all sorts.

The big stunt of the picnic was the boxing contest put on between Al and Johnny. Al Thomas, had to be carried out, but betting was high on both sides. The evening was to be devoted to a chicken and waffle dinner, if the events of the afternoon have not laid everybody low.

BLAST FURNACES GOING STRONGER

Unfilled Orders Pile Up in Midsummer Month Usually Marked by Slackening

New York, July 31.—Increasing operation of blast furnaces and steel plants is still the rule, and the tendency is rather emphasized in the Pittsburgh district, according to the Iron Age to-day. The Carnegie Steel Company is now operating forty-six out of fifty-nine blast furnaces, having started up fifteen in the past month.

What is notable throughout the industry is that unfilled orders are accumulating in a midsummer month often marked by slackening.

Higher prices have become effective in a few lines. Most of the mills have announced a \$5 per ton advance on all wire products for export, but in the case of Canada wire, which are now \$57. Several independent sheet mills advanced black sheets \$2 per ton on July 28 and galvanized sheets \$4. Three other sheet mills are practically sold up for the year.

French steel works engineers are negotiating in this country for equipment to rebuild two plants which the project involving an \$8,000,000 outlay. Electric furnaces are figuring in an important way in French and Belgian reconstruction plans.

Japs Are Tortured Before Being Killed

Tokio, Monday, July 28.—A second official statement on the incident at Kwang-Chang-Tau places the Japanese loss at 15 officers and men killed and 18 others wounded. (No previous report of the incident placed to have been received. The place mentioned is presumably the Kwang-Cheng-Tsu, about 100 miles west of Kirin, in Manchuria.)

The communique alleges that four Japanese, including an officer, were tortured before death. It is understood that the foreign office has instructed the Japanese minister at Peking to investigate the circumstances and take steps to obtain satisfaction.

SHIKELLIMY GREAT CAMP

Boys Like It So Well Some Talk of Overstaying Time Allotment

The Telegraph has received two letters, one from William C. Brown and another from John A. Fritchey, 2d., two of the "Y" campers at Big Pond, who pronounce the camp the "best ever" and tell of some of the camp doings. The boys are well and are having the time of their lives, a letter from Arch Dinsmore, the director, says and there is a likelihood that the camp may be continued for three days longer than had been intended for as many of the boys as desire to attend. Up to this time it looks as though at least 35 boys may want to remain in camp until August 9, instead of coming home Tuesday, August 5.

The camp has set up an army sanitary drinking outfit and the purest kind of water is assured the campers, as well as all visitors. William C. Brown writes as follows: "This camp is the best camp the Y. M. C. A. ever held. There are 11 tents in all. The cook's tent, the kitchen tent, mess tent, four tents for the staff, six tents for the hale and hearty campers, and one tent for visitors. There is a tent inspection of the six campers' tents, for which there is a rivalry between the campers. Tent No. 3 has had the honors for two days, but Mr. Dinsmore hopes that some other tent may get the prize. Tent No. 3 has the most experienced and best campers. That is the reason they have the honors. The tent leader's name is Henry Palm. What I like above all is the campfire which we gather around in the evening to sing camp songs and to tell stories."

John Fritchey writes: "We're just having a busy time at Camp Shikellimy. We have an ideal camp site for there is fine boating and swimming and a fine chance for mountain biking. The tents are heavy and practically new, which, allows no rain to touch us. There is something doing every minute of the day and Mr. Miller or Mr. Dinsmore always have something new to spring on us. The baseball field and the diving tower and the float are novelties of the camp. The largest part of the fun comes at the campfire which is situated in the middle of the campus with large, flat rocks around it for the campers to sit on. At this gathering camp songs are sung and stories are told. Visitors are always welcome. The long and short of it is, if you want a good time come to Shikellimy." JOHN A. FRITCHEY, 2nd.

LYKENS Lykens, July 30.—Mrs. James Eyerly and family, of Williamsport, spent several days with her mother, Mrs. J. J. Nutt. Visitors from outside cities say Lykens gave them several days of splendid times and scenes ever witnessed for many years. Mr. and Mrs. John Britton, Pine street, are the happy parents of a new arrival in their family. Mrs. Buck leaves on Thursday for Lock Haven on a visit to relatives. This is pay day here.

Lycoming War Data Commission Named

Williamsport, Pa., July 31.—A committee consisting of O. R. Howard Thomson, chairman; Martha C. Britain, William P. Clarke, Charles

F. Gilmore, Jessica P. Krom, Dou M. Larrabee, William S. Millener, G. B. Millnor, James K. Mosser, C. La Rue Munson, Jackson M. Painter and John M. Pearsons has been appointed for Lycoming County to co-operate with the commission appointed by the Governor to collect and pre-

serve material for the records of the war with Germany. The local committee will also prepare duplicate copies of the material from this county for the records of the Lycoming County Historical Society. Use McNeil's Cold Tablets. — Adv.

YOUR GRIP ON LIFE

depends on the grip you have on sane food habits. You can strengthen your grip on life and health by eating Shredded Wheat Biscuit. It is delicious with berries and other fruits—a wholesome and nourishing diet for the Summer days. A welcome relief from the heavy Winter foods—easily prepared, costs but a few pennies.
