Booley! Commonwealth last evening defeated the West End pacemakers, score 7 to 3.

The West End league race will go to the finish and there is likely to be some changes before the winner of this season's championship is made positive.

This is the third big surprise of the week for the patrons at Fourth and Seneca streets grounds.

The Traveles scored in the opening inning after Lightner had gone out, pitcher to first.

Lightner scored on Hinkle's double to left. Hinkle attempted to stretch his hit into a triple and was caught at third.

Commonwealth in the seventh scored five runs as many as the Traveles went out, pitcher to first and Fields was given a base on balls.

Killingger followed with a single to left, scoring Fields and Killingger, and on a pass ball by Knight, Elsenberger went to bat.

Eisenberger followed with a single to left, scoring Fields and Killingger, and on a pass ball by Knight, Elsenberger went to bat.

TENNIS LIST IS DISAPPOINTING

Women Show Lack of Interest; Tournament Starts on Monday; Extend Time

Entries for the Greater Harrisburg Tennis Tournament closed last evening at 6 o'clock.

The number was disappointing. Officials of the local Tennis Association made the drawings, but will keep the list open until Monday in order to accommodate late comers.

The drawings include the men's doubles and singles. The drawings for the events for women will not be made until Monday.

Entries for mixed doubles, ladies' doubles and singles, will be received until next Monday evening at 6 o'clock, at which time the tournament committee will reach a definite conclusion as to whether or not they will accept any of these events this season.

Much disappointment was expressed over the lack of interest shown by local tennis fans, but the committee was unanimous in its conclusion to extend the time for the receipt of entries.

The tournament committee last evening issued the following statement:

"Lack of a sufficient number of entries for several of the events in the proposed Greater Harrisburg Tennis Tournament has resulted in the decision of the committee, in charge of the events, to extend the time for the submission of entries for mixed doubles, ladies' doubles for mixed and ladies' singles.

"At that time the committee will reach a definite and final conclusion as to the advisability of running any of the events mentioned, if all possible, the tournament will be run off as planned, but its success and its possibility of this rests entirely with the tennis players of Harrisburg and vicinity.

"The committee is perfectly willing and anxious to hold all the events, but it is manifestly ridiculous to hold an event with only a handful of contestants. If for no other reason, it would be utterly impossible to finance the tournament and to the advantage of the players desiring to award successful contestants.

"In addition to this, victory in an event where only a dozen or more entrants were rolled, would carry very little honor, and it is, in all probability, well termed a championship in any true sense of the word.

"We have fixed the entry fee as low as is absolutely possible in order to secure any kind of a fair prize. The fee is considerably lower than that charged at the majority of tournaments elsewhere throughout the country.

"Entries will therefore be received for any of the three events mentioned up until 6 o'clock of August Monday.

"At that time they must be received at the offices of the City Park Department, or in the hands of one of the members of the tournament committee. This is the latest date positively within which entries will be received. Any entries received thereafter are not a sufficient number of entries at that time, will of necessity have to be called off. Contestants who have entered for any such event and have paid their entry fee in advance, will of course have same refunded.

W. L. Pct. August 1st-St. Mary's vs. Galahad 2 2 .500

W. L. Pct. In the most exciting game seen on the Hill this season, Galahad won 4 to 2 from Reading, thereby drawing the two teams closer together in a terrific race for the pennant.

The best crowd of the season was on hand to cheer for the favorites, and there were chances aplenty to keep the rooters in a good humor.

"Dutch" Connor opposed "Buckie" Gilday in a battle of pitchers, and Connor got his first defeat of the season. Gilday had 11 strikeouts out of 15, while the former gave five hits to the latter's four.

Not an inning was played that was not full of action. Both teams tallied in the second. Galahad slipped one to Connor, while the latter tapped one to Connor and the latter threw wild to first base, Clark going to second.

When Stary slid down a fielder's choice, Clark took third base, Clark was thrown out at home by "Kinney" Swartz and after stopping Poland's grounder, Stauffer laid down an infield hit as Stary slid over the plate.

Galahad got two more in the fourth that practically clinched the contest. Stary hit over third base, but was out at the keystone station on Poland's fielder's choice.

Stary's triple and Poland's triple, tripled and Poland tallied. Fetrov was out at second when Stary scored. Cobough beat out an infield hit, the fourth hit of the inning, Fetrov going to third.

Cobough stole and Stary reached second on a sacrifice fly. Cobough was out at home, but was thrown out at the plate.

MORE TROUBLE IN D-P LEAGUE

Millersburg Withdraws Because Players Are Lacking

Additional trouble has come to the Dauphin-Perry League in the withdrawal from the circuit of the Millersburg team.

Announcement of the withdrawal was not received by President E. E. Knauss until 5 o'clock last evening and the two games scheduled with Marysville and Newport were postponed.

Millersburg was the only Dauphin county team represented in the circuit this year, although in previous seasons two other Dauphin county teams were represented.

Some action of Millersburg's withdrawal will be taken this afternoon at Duncannon, when an informal meeting of league representatives will take place. Duncannon and Newport are playing there this afternoon and will have representatives on the field.

Representative R. H. Cunningham, of Marysville, and President E. E. Knauss, of Harrisburg, will also attend to consider the vacancy occasioned by the withdrawal.

Players Desert

Desertion of players, injury to others and poor support from borough fans is assigned by Manager "Bud" Fry as the reason for his withdrawal.

He held off as long as he could, he said, in his letter of withdrawal. Some of the best players deserted to go with the Dauphin-Schuylkill League.

Manager Fry recites in his letter to President Knauss that he had no choice but to withdraw. Several weeks ago Shortport Blever moved from Millersburg and "Babbit" Zerance, who was secured to replace him, has now been burned so severely that he will be out of the game for the season.

"Bob" Bowman, crack infielder and pitcher and heavy hitter, has been injured so severely that he will be out of the game for the season.

"The world," Mr. Hoover, "needs what might be called a spiritual revival of the spirit that won the war. We need the sense of service that was manifested during the Allies year ago if the world is to survive the economic conditions confronting it now."

Through the solicitation of my friends I have become a candidate for the nomination of Alderman of the Fifth Ward on the Republican Ticket.

NATION-WIDE DRIVE TO IMPROVE ALL LIVE STOCK

United States Department of Agriculture Announces Campaign to Eliminate Scrub Sires From Breeding

Washington, Aug. 2.—"Better Sires—Better Stock."

This is the slogan of a national better livestock crusade to get actively in motion October 1, that is announced by the United States Department of Agriculture, working in co-operation with the State Agricultural Colleges and other agencies interested in livestock improvement.

The campaign looks forward to the state of scrub domestic animals in the increasing population and results from long and careful observation of the livestock industry in this country, which has a large and intensive consultation with specialists and breeders. The plan is to hasten the replacement of the multitude of scrub domestic animals in the United States with pure-bred or high-grade stock, and also to improve the quality of pure bred sires themselves. The goal in view is greater efficiency in production.

The campaign will be supervised from the Department of Agriculture in Washington, and in each State by the State Agricultural College. County agents and other workers of the Department of Agriculture will handle the campaign locally. Every livestock owner actively co-operating and keeping and using quality will be given an emblem as an official recognition of meritorious effort.

Wilson May Speak in Phila. Before Templars

Washington, Aug. 2.—President Wilson may speak in Independence Square, Philadelphia, on September 8, when the Knights Templar hold their convocation in that city, and during the week of the national peace jubilee.

The President has informed Representative Darrow, of Philadelphia, that he must reserve his decision on the invitation to speak in Philadelphia on that day, which Mr. Darrow presented to the President at the White House yesterday. The President told Mr. Darrow that his plans are so unsettled that he could not decide to-day whether he would accept the invitation or not.

He said that his plans for his trip West are undecided, because of the situation with respect to Congress, and the fight over the peace treaty.

Representative Darrow presented the President with an elaborately engraved invitation from the Knights Templar to go to Philadelphia and deliver an address on September 8.

It was signed by Governor Sproul, Mayor Thomas B. Smith, Edwin S. Stuart, Judge J. Henry Williams, Judge George B. Orady, Provost Edgar F. Smith, Morris L. Clothier, John Wanamaker, A. Howard Thoms, Clement B. Newbold, E. Pusey Passmore, W. Freshland Kendrick, Senator Penrose and Representatives Darrow, Edmonds and Costello.

Hoover Declares World Needs Spiritual Revival

London, Aug. 2.—Herbert Hoover, head of the international relief organization, speaking last night at a dinner of the supreme economic council, warned his hearers against apathy in the face of the economic conditions now governing the world.

"The world," Mr. Hoover, "needs what might be called a spiritual revival of the spirit that won the war. We need the sense of service that was manifested during the Allies year ago if the world is to survive the economic conditions confronting it now."

Through the solicitation of my friends I have become a candidate for the nomination of Alderman of the Fifth Ward on the Republican Ticket.
