Asserts New Discovery Brings Blessed Relief to Rose and Hay Fever Sufferers Can Make It Yourself at Home at Trifling Expense In spite of all the doubters and scoffers a man in Kentucky, who changed his annoying and distressing hay fever into less than a mild cold, claims most emphatically that if taken in time hay fever can be conquered or at least made so harmless that it is not even bothersome. He gave his discovery to scores of other sufferers with the most remarkable result and has recently been prevailed upon to dispense it through pharmacists to all hay fever sufferers who still have faith that nature has provided an effective remedy for this common yet miserable disease. And, best of all, this remedy costs almost nothing. Get a one-ounce bottle of Mentholated Arnicin at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled. Then gargle as directed and twice daily sniff or spray each nostril thoroughly. That's all there is to it; so simple that a lot of people will say that it can't do the work; but sometimes simple natural remedies are the best as you will find after using. If you will make up a pint and use it for a week or ten days you need not be surprised if your unwelcome yearly visitor fails to appear.
