

RIFLE PRACTICE WORK ORDERED

Militiamen Directed to Qualify With the New United States Army Rifle

General orders have been issued by the Adjutant General's Department for inauguration of the rifle practice by the Reserve Militia with the new government rifle which was issued to the militiamen at the Mt. Gretna camp to replace the old Remingtons. This rifle practice will be required of everyone connected with the Militia.

The outdoor practice season began on July 21, but the gallery practice is continuous. The orders require preliminary instruction and provide detailed information regarding the use of rifle and the ranges and targets. At each range a total of sixty per cent. of the possible figure in each required position must be attained before advancement to the next range. Scores once begun must be completed unless accident or stormy weather interferes.

To Begin Inspections.—First inspections of lands proposed for the next State game preserves in western Pennsylvania will be made this week by Dr. Charles B. Penrose, chairman; Dr. Joseph Kalbfus, secretary, and John M. Phillips, member of the State Game Commission. Several properties are being surveyed. If the lands are suited purchases will be made very soon.

Montgomery to Speak.—Dr. Thomas Lynch Montgomery, State librarian, will go to State College Thursday to present diplomas to thirty graduates of the library school.

Employment Work.—The Harrisburg district Bureau of Employment reports for last week to Commissioner Connelly:

Soldiers—129 applications; 121 openings; 121 men sent; 119 receiving positions.

Civilians—134 applicants; 115 openings; 115 persons sent to jobs; 114 receiving positions.

Women—69 applicants; 66 openings; 65 sent to jobs; 58 receiving positions.

Compensation Cases.—Frost bite is violence to the physical structure of the body and "the fact that the claimant was suffering with chronic ailments which rendered him more susceptible to such an injury than an ordinary person will not defeat his right to compensation," rules the State Compensation Board in Green vs. Hill, Philadelphia.

In deciding the case of Zukowsky vs. Philadelphia and Reading Coal and Iron Company, Pottsville, wherein the Schuylkill county court ordered a new hearing, the board reaffirms its former finding and declares that the statement of the decedent made when he complained of pain while at work cannot be taken as made for a self-serving purpose. The fact that the man did not repeat it to the doctor who treated him is referred to.

The board has referred the case of Jackbuch vs. Jones & Laughlin Steel Company, Pittsburgh, to a referee for the purpose of determining questions of fact; granted a new hearing in Critchlow vs. Steen, Conoquenessing; and dismissed a number of appeals.

Increases Filed.—Announcement of the filing of a number of notices of increases of stock or debt and issuance of certificates by the Public Service Commission has been made as follows: County Gas and Electric Company, Philadelphia, bonds, \$1,800,000; Renovo Edison Light, Heat and Power Company, Renovo, common stock, \$18,500; Beaver County Light Company, Pittsburgh, bonds, \$24,000; Mauch Chunk and Lehigh Transit Company, Mauch Chunk, bonds, \$150,000, common stock, \$150,000; preferred stock, \$50,000; South Pittsburgh Water Company, Pittsburgh, bonds, \$5,000; Eastern Pennsylvania Railways Company, Pottsville, bonds, 198,000; Allentown-Bethlehem Gas Company, Allentown, bonds, \$210,000; Philadelphia Rapid Transit Company, Philadelphia, equipment trust certificates, \$88,000 and bonds, \$174,000; New York, Chicago and St. Louis Railroad, bonds, \$821,000; Cambria and Indiana Railroad, Philadelphia, notes, \$800,000.

Seek Jitney Rights.—E. M. Snavely has asked a State certificate to operate a jitney between Middletown and Elizabethtown. The application will be heard by the Public Service Commission on August 13.

Holding Hearing.—Chairman W. D. B. Alney, of the Public Service Commission, is holding hearings in Johnstown to-day.

Filed Increase.—The Universal Machine Company, of Reading, has filed notice of increase of stock from \$10,000 to \$20,000.

Warden Dies.—W. J. Holland, well known as a game and fish warden, died at his home at Beach Haven after a long illness.

Dr. Becht in Charge.—In the absence of Superintendent Thomas E. Pinesan, First Deputy J. George Becht is in charge of the Department of Public Instruction for the next fortnight.

Petitions Filed.—Nominating petitions were filed at the Capitol to-day for Judge George Henderson, Orphans' Court, Philadelphia; Charles F. Uhl, Jr., Common Pleas, Somerset county; Judge Charles I. Landis, Common Pleas, Lancaster county, and these Associate Judges: A. L. Dyer, Lopez, Sullivan county, and Frank P. Plessinger, Amaranth, Fulton county.

Many Bids Opened.—Bids were opened at the State Highway Department to-day for over 60 miles of State Highway on main routes, some of which will connect with county projects for improvements. The awards will be made later in the month.

Taking in Veterans.—Steps will be taken later in the month to complete the enlistment of the new troop of the State Police now being organized at Lancaster. The State will erect a barracks near the State Arsenal here this fall for the new troop, which will be composed almost entirely of overseas veterans.

Henderson Honored.—Judge George Henderson, of the Philadelphia Orphans' Court, has been endorsed for election to the full term by four former attorney generals, M. Hampton Todd, John C. Bell, Hampton L. Carson and Francis Shank Brown.

Dewalt in Field.—Congressman Arthur G. Dewalt is being boomed for Judge in Lehigh, although he says he

is not personally running the movement, but is in the hands of his friends. The Congressman is a former Senator and well known here. He served as a member of the Capitol Investigation Commission.

Governor Still in West.—Governor Sprout is still in the State of Washington. He may return here late next

week for a few days and then go to Salt Lake City.

Hearings Tomorrow.—Steps are being taken to clear the dockets of the Public Service Commission of applications and a special hearing will be held to-morrow. A hearing will also be held at Clearfield in jitney cases.

Moore Still Up.—People from Philadelphia here to-day declared that it looked very much like Congressman J. Hampton Moore for mayor, and that Ex-Governor Edwin S. Stuart would not be a candidate.

Potash Is There.—Tioga county folks at the Capitol to-day backed up the statement in the Philadelphia North American that there were pot-

ash deposits in that county, but they shared the doubts of the Philadelphia newspaper whether they were of a size that would justify their operation. Most people from that county think that the matter should be thoroughly investigated before any claims that startle the earth are made.

To Name Geologist.—Governor

Sprout will name a State geologist when he returns here in September. There has been no such official known as a State geologist in many years.

Geological work was for a long time in the hands of the Geological Survey and the Geological Commission, which included such men as Andrew S. McCreath, Edward d'Inville, R.

R. Hice, and George W. McKees, former senator from Armstrong; and in early years men like the late Dr. J. P. Lesley.

ASTHMA quickly relieved by NEW INVENTION. Medicine administered by inhalation MAN-HEIL INHALER. Demonstration at Gor-

kas Pharmacy, 16 N. 3rd St.

"The Live Store"

"Always Reliable"

There's Only One Word---

Which comes anywhere near describing our semi-annual sale, and that is "Phenomenal" because it's almost beyond conception to believe that there could be such enormous crowds or such tremendous selling as there has been since we started our mid-summer

MARK DOWN SALE

Where Everything Is Reduced Except Collars and Interwoven Hose

From the moment the doors were opened until the very close of each day, the buyers have been here "spending to save" more generously than at any previous sale—yesterday, Monday, one customer who lives right here in Harrisburg spent \$177.00 FOR SHIRTS ALONE, ever hear of a more liberal purchase than that? But this customer wanted to save and at our prices he was sure he could do it, for you know a man who has that much to spend isn't going to pay outside prices. He is looking at the investment side of the question and he wants "rock bottom prices."

Here's another interesting story---A customer from out of town happened in and being pleased at the enthusiasm in this "Live Store" ventured to the boys' department and looked over the wash suits, began picking out the ones she liked and before she was through selecting had bought \$49.92 worth of these good values. We are telling you these things to let you know what the critical buyers really think of this Mark-Down Sale.

This "Live Store" is the center of attraction merchants for miles around are watching this store, just as if it were their own store, and we deeply appreciate the many kindly remarks they make about the high character and business policy pursued by this store—Our records show that we had a greater volume of business July than last "December" which is generally supposed to be the best month of the year so you see we must have the right kind of merchandise and sell at satisfactory prices to win such glorious honors.

August will be a still greater month at least 50 % greater than July for the prices we are asking for good quality merchandise is so low that you can scarcely help but take advantage of this opportunity. Remember all Shirts, Hosiery, Gloves, Underwear, Pajamas, Night Shirts, Brighton Garters, Pioneer Suspenders, all B. V. D. Union Suits, Men's and Boys' Trousers, Overalls, Work Shirts and all

Hart Schaffner & Marx Kuppenheimer and Society Brand Clothes

Are included. We are having a regular clean-up of spring and summer goods so we can make room for Fall shipments. If you need wearing apparel now or in the near future this is the time to realize big savings on your purchase.
