the United States and Canada, one stands out more promisently than the rest. That is the Grand American Handicap Trapshooting Tournament. This shoot is on the books to take place in Chicago, Ill., August 11 to 15, inclusive. It will be held at the South Shore Country Club.

On August 26th the Canadian national exhibition will begin a fourday tournament in Toronto. The Canadian shoot is getting to be bigger every year. It attracts the crack shots of the United States as well as Canada. Fred A. Godcharles, Deputy Secretary of the Commonwealth, was in this shoot two years ago.

In trapshooting circles the Grand American handicap tournament outshines everything else. It is not only the biggest event in trapdom, but is the greatest of all sporting events. No other sporting event can be compared with it in the amount of interest displayed by those interested. The entry list runs into the hunders—in fact, they are talking of thousand contestants is a lot. This in itself gives you an idea of the bigness of the event.

## **AMERICANS CALL**

A big game is looked for to-night when East End and Swatara clash. Both teams are preparing to get their best team on the field. "Louie" Karmatz will probably be on the mound for East End and Winks for Swatara:

The Cobb case was cleared up in two weeks, Cobb getting off with a ten days' suspension and a fine of \$50. In reinstating Cobb, Johnson declared full protection would be afforded to American League players against abuse or attack from spectators. Mays, it is said, feels that such protection was not afforded him and that he has a just grievance. H. H. Frazee, president of the Boston Red Sox, is here today to present his side of the trade in which Mays became the property of the New York club.

Boston, Aug. 5. — Infielder David Shean and Pitcher Ray Caldwell were unconditionally released to-day by the Boston American League

by the Boston American League club.

President H. H. Frazee left for New York to attend the special meeting of the American League to-day, which had been called to take up the Carl Mays case, but which was canceled to-night.

Frazee said he would oppose any effort to have Mays suspended for the remainder of the season on the ground that five clubs in the league desired such action. He said he had affidavits that five clubs had attempted to buy Mays from his club after it was announced that the pitcher had left the Red Sox.

Automobiles will bring many rooters from York to the game at Island Park, Thursday afternoon. Eddie Zimmerman is a York citizen. fans of that city have seen "Eddie" battle against a team in Harrisburg, and they are going to give him a boost. The Klein Chocolate Con pany team will oppose Eddie's Dry Dock team from Baltimore.

The game was selected for Thursday afternoon because it is a half holiday in this city and store clerks and businessmen have had little opportunity to see a ball game. This E. battle promises unusual interest because of the rivalry. Each team
