DECISIVE BATTLE IN HILL LEAGUE

Reading Leaders Tackle Galahad Tonight; Results Will Figure in Final Spurt

Standing of the Teams
Reading 17 8 .680
Galahad 15 9 .625
Rosewood 11 14 .440
St. Mary's 6 20 .231
To-night — Rosewood vs. Galahad.

To-night will see the decisive game of the season in the Allison Hill League, when Galahad and Reading meet again for the championship honors. If Reading wins, it will mean the pennant. If Galahad wins, they have a chance to tie Reading for the lead.

Dewey Eisenberger will likely be the tosser for Galahad. He recently shut out Rosewood without a hit or run. It would not be surprising to see "Dutch" Conner on the mound for Reading. He has been taking a long rest since his 17-inning victory over Duncannon last Saturday in the Dauphin-Perry League.

No player in the five years of the Allison Hill League's existence has made more friends than Clyde Melinger, the Reading twirler who was promoted to Klein Chocolate Company team some time ago after setting the Hill League afire with good ball playing. "Melly" had nothing to win and lots to lose in tossing for Reading against Galahad Tuesday night. But he was more than master of the situation, and let down Galahad with two hits. In addition to being an athlete, he is every inch a gentleman.

Galahad has played consistent ball throughout the season, suffering one slump more than the other players. He has been regular, and to single out one or two players and give them credit, would not be fair to the other members. "Lefty" Challenger will probably toss to-morrow night.

BLOWUP LOSES GAME FOR E. & F.

Stricker Holds Tailenders to Three Hits; Leaders Fast in Field

STANDING OF TEAMS

Commonwealth 13 14 .481
E. and F. 8 19 .296

Old Mr. Jinx loomed up last night in the sixth inning in the game between West End and Engineers and Firemen. He picked the E. & F. for his victim and pulled off his trick successfully. West End won by a score of 5 to 2. Just at a time when those tailenders were showing speed and holding down the pace, the West End runners up, something had to happen.

Conners was on the mound for the Engineers, and every runner necessary to win a game up to the sixth inning. Errors in throwing put this boy into the air and he was unable to light out to save the game. His teammates were with him until that fatal period and they too fell in a rut at intervals.

Stricker was the fling artist for the leaders and it was just like him to have the right curves at the right time. Three measly hits were all the cellar boys could muster and the manner in which those champs attacked by Stricker gave the big crowd of spectators something to talk about.

Engineers scored in the third, Winograd fanned, but Atticks followed with a single. Conners also contributed a single, which placed Atticks on third. On the first ball pitched to him, Conner stole. The E. & F. men on second and third, Waltz hit to second, scoring Atticks, but was put out at first. Madden ended the inning by striking out.

Another run came to the tailenders in the seventh. Wagner and Ford were walked. Bennett fanned. Wagner stole third. Winograd fied out to Bell. Wagner scored when Buker dropped Knight's throw to second to catch Ford stealing. Atticks walked and Conners ended the game by grounding out, second to first.

West End scored its first two runs in the sixth. Levan opened with a double. Embick fied to Ford, after which Palmer singled, scoring Levan. Palmer took second on the throw to catch Levan going home, and took third when Atticks threw the ball to center field to catch Palmer at second. Embick walked, hitting sacrifice fly to center, scoring Palmer. Challenger was safe on Weber's error. Knight singled, but Stricker dropped the ball.

Three more runs were added by the leaders in the seventh. Buker was safe on Conner's bad throw to first. Bell was also safe on Conner's second bad heave to the first sack. Levan hit to third, who touched Euker out at the plate. Embick walked, hitting sacrifice fly to center, scoring Palmer. Challenger was safe on Weber's error. Knight singled, but Stricker dropped the ball.

McKeever stole second. Challenger went out, pitcher to first, and Knight ended all further trouble by striking out.

The score:

MECHANICSBURG MEMORIAL PARK

South Washington Street Plot of Ground To Be Purchased as Site

Mechanicsburg, Pa., Aug. 7.—At a public meeting last evening, it was definitely decided to purchase the plot of ground located in South Washington street and belonging to Mrs. Laura Gross, of Harrisburg, for a Soldiers' and Sailors' Memorial Park. A committee of representative citizens of Mechanicsburg, with John J. Milliken, the burgess, as chairman, has been untiring in their efforts to establish a park, as a fitting memorial for the boys from Mechanicsburg and vicinity who figured in the world war.

The option on the plot of ground expires on August 22, and at that time the first payment will be made. There are 24 acres in the new park, at a purchase price of \$450 per acre. It is very accessible, being in the borough limits, and immediately after possession part will be opened for the baseball grounds.

It has been planned to open a more intensive campaign to solicit funds and it is the desire of the committee in charge to raise the entire sum of \$5,000 which is required, before much time lapses.

National Rifleman Start Contests For Many Trophies

Caldwell, N. J., Aug. 7.—The National Rifle Association's matches began at the Navy rifle range yesterday with the competition for the Leuch cup. There were 340 entrants for this contest, which will last three days.

Shooting was at the 800-yard range. To-day it will be at the 900-yard range and on Friday at the 1,000-yard range. The Ohio civilian team will endeavor to win the grand aggregate prize, as its members have entered all of the competitions.

The meet was carried on under poor weather conditions. The scope sights were not permitted and a hazy fog made the target difficult to see, while a 14-inch howitzer being fired at the artillery exhibit four miles away added to the contestants' distraction.

Each contestant fired seven shots, trying for a possible score of 55, and, despite the handicaps, ten entrants tied for first place with perfect scores.

They were Sergeants Benito Ducut and Castello Belay, of the Philippine Scouts; Commander R. P. Stewart, U. S. N.; W. H. Rich, of the Winchester Arms Company; Captain A. E. Clark, U. S. A.; Crisholm, District of Columbia civilian rifle team, and F. E. Water, J. S. Doughlin, J. L. Denew and E. Schreiner, of the United States Marine Corps.

The remaining contestants made scores ranging from 34 down.

West End Leaders Play Middletown Saturday

Local fans will see a great game Saturday. It will be played on the field at Fourth and Seneca streets, and the opposing teams will be West End A. C. and Middletown. The game starts at 5 o'clock. This is an hour that pleases local fans and a large crowd is looked for.

Earlier in the season West End, lost to Middletown, score 4 to 0. The game was played at Middletown. Meener pitched for the victors and he will go in against the West End League leaders on Saturday.

"CHESS" STRINE LEADING HITTER IN JUNIOR LEAGUE; KARMATZ "BEST TWIRLER"

Pitching records show "Louie" Karmatz at the top. He has ten straight victories to his credit. He has allowed an average of three hits a game. McClain and Lentz are also holding perfect scores. The averages to date follow:

Summit Wins Victory by Forfeit in Junior League

Summit team last evening won a forfeit game from the East End in the City Junior League series. Rain yesterday made the grounds look unfit for playing, but after a short time players managed to get the field in shape for a battle. Only two East End players were present. After waiting the legal period the umpire gave the game to Summit.

PATSY CLINE IS AFTER LEONARD

Hopes to Finish the Champ in Bout Monday Night at Philadelphia
"Boys, I'm going to finish the job that I started over a year ago," said Irish Patsy Cline last night. "I had Leonard out, standing up that time. I'm going to finish him this time."

Cline had just finished a tough day's work at Reddy Wigmore's quarters in the "necks." Cline for the first time in six months got under the 140-pound mark and was strong. He expects to get down to 135 before Friday, then take it easy and reach the 133-pound mark on the day of the battle.

Big Game on H. A. C. Field Attracts Many Local Fans

Harrisburg baseball fans had another big day to-day. It looked like an ideal baseball day and indications pointed to another record crowd at H. A. C. field. Johnny Brackenridge's Klein Chocolate Company team was scheduled for a game with the Baltimore Dry Dock crowd. Each team has won a game and this afternoon's battle was for blood.

On the Baltimore team were Eddie Zimmerman, "Lefty" Russell, Elliott, Curry and Bates, all well known to local fans. The Klein line-up included: Hunter, Tom Grant and Tom Grant, 2b; Wrightstone, 3b; Kay, rf; Brannen, ss; Kaufman, 1b; Thompson, rf; Trout, c, and Harned, p. With but few changes this is the same line-up that gave the Philadelphia Athletics a trouncing several weeks ago. One man, Thompson, is new. Brackenridge secured him from the Washington Americans some time ago.
