"A!" Walker, 1335 Reno street, Philadelphia, for many years a star acrobat in Barnum & Balley's circus, tells of a recent discovery which brought him happiness.

"For some time," he began, "I had been feeling mighty miserable. Didn't have an ounce of energy. Even light foods upset my stomach. Gas would form after eating, causing pain and distress. I tried several so-called tonics but continued to feel rocky until I hit upon Tanlac. Tanlac was just what my poor rundown system needed. My appetite has increased, the heaviest meal digests perfectly and I am gaining weight every day. Tanlac sure puts the old 'pep' back in a fellow. I'm mighty glad I found it." Tanlac is sold here by all leading druggists.

Get Jockey to Race Track

Atlantic City, Aug. 12. - In a deserate effort to get Johnny Loftus, ate. ack in time to ride a horse named Elmendorf in the fourth race yes-terday afternoon, a wealthy Philadelphia manufacturer chartered a

special train that left here at 1 o'clock, yesterday morning for New York. Once at Gotham he figured that if no regular train would reach the track in time he would hire another special.

Apparently there was a slip-up somewhere on the journey, however, and the party must have been delayed en route, for returns from Saratoga received late this afternoon show that Loftus did not ride Elmendorf, but did reach the track in time to pilot Enfilade to victory in the final event of the day.
