SNODDLES

MOTIVE POWER IS AN EASY WINNER

Romps Away With Game From Crippled Engine Crew

Table with columns: Team, W, L, Pct. Rows include West End, Motive Power.

STANDING OF TEAMS W. L. Pct. West End 19 9 .677

When the Motive Power team finished last evening's game with the Engineers and Firemen, the latter looked like they had passed through a wreck similar to those on the Middle division within the past week.

The Motive Power had an easy job, but these boys were in the game for there is no telling just what will happen in a West End League game.

Bamford pitched for the victors and has few things to extend himself a whole lot and saved several other puzzling curves for another time.

Back of him was a lightning fielding bunch, and the M-P's also hit G. Ford was on the mound for the Engine Crew and he pitched good ball until the fifth inning when he showed a weakness.

The Enginemen scored first. Wagner fanned and Atticks fled out to Brown, Bennett singled and went to the plate.

Two more were added in the fifth. Eberly reached first on Rote's error at third. Bamford beat out an infield hit.

McCurdy forced out Eberly at third and Brown followed with a single. Palmeri struck out Garverich drove a fly to Darr, who dropped the ball and McCurdy scored.

On five hits, including a two bagger, and a base throw by Rote, Motive Power scored four runs in the sixth.

In the seventh two more crossed the plate for Motive Power when Hippensteel opened up with a single and took second on Wingard's bad throw.

Weaver hit for a circuit of the bases, scoring Hippensteel ahead of him. Eberly's throw from the bench, which was first and only strikeout credited to Ford, and Bamford ended the inning by grounding out, second to first.

NEWPORT STAR TO JOIN CLEVELAND

Young Pitcher to Be Given Trial by Tris Speaker; Played in Maine

"Bobby" Clark, of Newport, well known in local amateur and semi-professional baseball circles, has been signed by Manager Tris Speaker, of the Cleveland Americans, and is now with that team in its eastern swing around the junior league.

Clark was signed up as a pitcher by Speaker in Boston last week after doing sensational work all season with the Lewiston, Me., team of one of the many New England minor organizations. He earned the reputation of being one of the league's most dependable hurlers, his records comparing favorably with the hurlers with the strongest teams.

Clark originally went to Lewiston as a first sacker, but when he got there and it was learned that he could pitch, he was given a try-out on the mound. Since then he had been taking his turn on the mound and has won a greater part of his games, many of them through his own hitting.

Clark last season was a member of the Steelton team of the Bethlehem Steel League and played with various teams in the several leagues of the city. For several seasons he covered the initial sack with the Duncanson team of the Darrington Perry League and during the first season that circuit was in existence played in the outfield with New-Steel.

Clark was a member of the Steelton team of the Bethlehem Steel League and played with various teams in the several leagues of the city. For several seasons he covered the initial sack with the Duncanson team of the Darrington Perry League and during the first season that circuit was in existence played in the outfield with New-Steel.

Connie Mack Lands Some Promising Young Stars

Philadelphia, Aug. 12.—Two weeks spent in the bushes by Connie Mack has netted the Athletics a whole crate of future big leagues. Mack returned from his tour yesterday and announced that he had bought pitcher Rommel, of the Newark International League, and hurler Zinn, of Waco, Texas, the sensation of the Texas League. Both men are right handers and are to report to the Athletics on Labor Day. Zinn is the man the Phils gave a trial two years ago, but
